An article, note, or other material appearing in the *Western Journal of Agricultural Economics* may not be republished in full or in part without the express permission of the editor.

Editorial Policy

The purpose of the Journal is to provide a forum for creative and scholarly work in agricultural economics and related areas. Manuscripts should have a relationship to the economics of agriculture, natural resources, human resources, or rural and community development. Contributions on methodology or applications in business, extension, research, and teaching phases of agricultural economics are equally encouraged. Preference will be given to articles concerned with problems and issues of concern in the Western and Great Plains regions of the United States and Canada. Only refereed articles are accepted for publication except for invited papers published in proceedings issues of the WAEA annual meetings. Contributed papers presented at the WAEA annual meetings must be reviewed and accepted by the editor before they can be published.

Editorial Communications

All manuscripts and editorial correspondence should be addressed to Harry P. Mapp, Jr., Editor, WJAE, Department of Agricultural Economics, Oklahoma State University, Stillwater, Oklahoma 74078.
