Cornell University Agricultural Experiment Station
New York State College of Agriculture and Life Sciences
A Statutory College of the State University
Cornell University, Ithaca, New York 14853

It is the policy of Cornell University actively to support equality of educational and employment opportunity. No person shall be denied admission to any educational program or activity or be denied employment on the basis of any legally prohibited discrimination involving, but not limited to, such factors as race, color, creed, religion, national or ethnic origin, sex, age or handicap. The University is committed to the maintenance of affirmative action programs which will assure the continuation of such equality of opportunity.

List of Available
Agricultural Economics Publications
July 1, 1989 - June 30, 1990

This report has been prepared to provide you with an up-to-date list of agricultural economics publications available from this Department. The publications listed are in nine categories:

I	General
II	Agricultural Finance
III	Community and Human Resource Economics
IV	International Trade/Development
V	Farm Management/Production Economics
VI	Marketing/Food Distribution
VII	Agricultural Prices/Policy
VIII	Natural Resources/Environmental Economics
IX	Technology Assessment

A. E. Series, Working Papers, and Staff Papers are processed in the department. The *A. E. Research* Series reports the results of research projects. A copy of each A. E. Research paper is automatically sent to libraries in land grant institutions and other universities with agricultural economics departments. The *Working Paper* series includes reports of research which may appear subsequently in journals, monographs or similar published series. The *A. E. Extension* series is based on extension projects and are usually intended for specialized groups. *Staff Papers* include speeches, conference papers, and other writings of staff members. These are available in limited quantities.

Copies of the Department A. E. Series, Staff and Working Papers can be obtained by writing to:

Publications Office
52 Warren Hall
Department of Ag. Economics
Cornell University
