USDA's Newest Series

Issues for the 1990's

This new agricultural series offers over 80 timely factsheets organized into these categories:

- **Trade**
- **Conservation**
- **Commodity Programs**
- **Marketing**
- **Food and Nutrition**
- **Rural Economy**
- **Environment**
- **Technology**

These reports streamline research topics, graphically present the latest USDA data and analyses, and target the most important agricultural issues you'll face in this decade.

Each 2-page factsheet gives you the information you need in an efficiently organized format. You'll receive the first set of reports in an attractive 3-ring binder. You'll receive future reports **as they are released** and an updated index to help you keep your binder up-to-date. All this for only $24.50. For foreign addresses (includes Canada), the price is just $31.

To order, just dial ERS-NASS at **1-800-999-6779** (toll free in the U.S. and Canada), and ask for ***Issues for the 1990's*** (ISSUE 90). Other areas, please call 1-703-834-0125.

Interested in Electronic Copies?

We'll be releasing a set of diskettes containing all reports in ***Issues for the 1990's***. The set will be divided into the 8 topic areas to be fully compatible with the notebook. For more information, call 1-202-219-0512. Or, send your name, address, and daytime phone number to:
