The *Northeastern Journal of Agricultural and Resource Economics* (ISSN 0899-367X) is the official publication of the Northeastern Agricultural and Resource Economics Association (NAREA). The purpose of the *Journal* is to foster and disseminate professional thought and literature relating to the economics of agriculture, natural resources, and community development. It is published in April and October. In addition to normal refereed articles, it also publishes invited papers presented at the annual meetings of the NAREA as well as abstracts of selected papers presented at those meetings. It periodically calls for articles written on a specific topic. Membership in the NAREA is open to all persons having an interest in agricultural and resource economics. Membership dues include subscription to the *Journal* and are $15.00 per year regular and $5.00 per year student. All other subscriptions are $15.00 per year. Single copy prices are $7.50 per issue.
