The Risk Management Agency

Vision
• To serve America’s agricultural producers through effective, market-based risk management solutions.

Mission
• Promote, support, and regulate sound risk management solutions to preserve and strengthen the economic stability of America’s agricultural producers.
Five Key Objectives

1. Widely available and effective risk management solutions
2. Informed customers and stakeholders
3. A fair and effective delivery system
4. Program integrity
5. Excellent service
Producer Participation Has Increased…
