**PAPERS DELIVERED TO THE
36TH ANNUAL CONFERENCE OF THE
AUSTRALIAN AGRICULTURAL ECONOMICS SOCIETY,
CANBERRA, 1992**

- Ahmadi Esfahani F. and Jensen P., 'Dumping, public policy and Australian agriculture'.
- Ahmed A., 'Credit markets in developing countries: a survey of the deregulation debate'.
- Apperson P., Parton K.A. and Macpherson A.I., 'Cotton futures hedging during the 1990-91 season'.
- AsafuAdjaye J., 'Towards a system of integrated environmental economic accounting: the case of Papua New Guinea'.
- Australian Fisheries Management Authority, 'Institutional change in the management of natural resources'.
- Bardsley P., 'Optimal leverage for the utility maximizing firm'.
- Barton J., 'Optimum management of dryland salinity in selected catchments in Western Australia'.
- Battese G.E and Tessema G.A., 'Estimation of stochastic frontier functions with time varying parameters and technical efficiencies using panel data from Indian villages'.
- Brennan D. and Wright B., 'Futures markets, storage and convenience yield'.
- Brennan J.P., Murray G.M. and Ballantyne B., 'Private and social costs of growing cultivars susceptible to diseases'.
- Chadee D. and Mori H., 'An analysis of New Zealand beef exports to Japan'.
- Chambers R and Quiggin J., 'Production under certainty'.
- Clarke D.K., Carter P.H., Batterham R.L. and Drynan R.G., 'An appraisal of single index models for risk efficient farm planning'.
- Coelli T.J., 'Forecasting wheat production using shire level data'.
- Coelli T.J., 'Productivity growth in Western Australia'.
- Collins D. and Johnston J., 'Cost effective ex ante project evaluation'.
- Connolly G., Wittwer G. and Roper H., 'Effects of changes in wool prices and wages on Japanese demand for wool — an overview'.
- Coxhead I. and Jayasuriya S., 'Food crops, tree crops and land degradation in developing countries: a general equilibrium analysis'.
- Crosthwaite J. and McMahn I., 'Economic issues and the protection of endangered species'.
- Crosthwaite J., 'The uncertain future of family farming: issues for economic analysis'.
- Dalziell I. and Poulter D., 'The economics of land degradation'.
- Daniel P. and Bardsley P., 'A spatial equilibrium model of the Australian dairy industry'.

- Darvall D. and de Saram Z., 'Government intervention in agricultural marketing: a case study of the NSW poultry meat industry'.
- Davenport S. and Lynch J., 'An evaluation of the significance of government and industry charges at the farm level'.
- Davenport S., Lynch J. and Douglas R.A., 'Country towns and fluctuating rural fortunes — is there a case for assistance?'.
- Davis J., 'Disaggregation rather than mathematical manipulation for incorporating research impacts on supply'.
- Delforce J., 'Effects of trade and exchange rate policies on Pacific Island agriculture'.
- Douglas R. and Davenport S., 'Rural taxation and self-sufficiency'.
- Farquharson R.J. and Parnell P.R., 'Assessing research priorities in beef cattle breeding'.
- Farquharson R.J., 'Optimising the cow culling decision in beef herds'.
- Farquharson R.J., 'An economic evaluation of two beef cattle breeding projects'.
- Field H., 'EPU, EC policy determination, and CAP reform'.
- Fulton M., 'The political economy of United States and European Community agricultural trade'.
- Garner B. and Andrews N., 'German reunification — implications for agricultural trade'.
- Godden D. and Armitstead., 'Modelling the direct effects of a potential enhanced greenhouse effect on Australian agriculture'.
- Godyn D. and Sproule B., 'Agriculture and farm business management in Russia'.
- Gow J. and Parton K.A., 'The evolution of Kenyan agricultural policy'.
- Grace C. and Kaine G., 'Management of a top processing firm and demand for wool at auction'.
- Gyles O. and Young M., 'Calculation of capital charges for salinity management plans: questions of intergenerational equity in a resource management setting'.
- Hector J., 'Contingent valuation at the farm gate'.
- Herath G. and Hardaker B., 'Rural credit markets and imperfect information: a new perspective'.
- In F and Sugema I., 'Macro-monetary impacts on agricultural price'.
- Jacobsen V. and Scrimgeour F., 'Economic incentives for sustainable resource management'.
- Johnson D., 'An investigation of changes to pricing arrangements in the dairy industry using a general equilibrium model — simulations of ORANI-f milk'.
- Johnson R.W.M., 'Resource management, sustainability and property rights: are our structures adequate?'.
- Just R.E., 'Discovering microeconomic relationships in agriculture'.
- Kaine G. and Reeve I., 'Establishing markets in water resources'.
- Kelly S and Bright F., 'Valuation of a recreational fishery — a case study'.
- Kingwell R., 'The tactics of dryland farm management given variance in climate and prices'.

- Labson B.S., 'Modelling distortionary aspects of the US wheat program and policy reform'.
- Low J.M., Griffith G.R., Parton K.A. and Clarke L.J., 'The incidence of farm injury: results from a pilot survey'.
- Lynch R.J. and Weber J.A., 'Valuing water of the Ashburton river: instream flows versus irrigation'.
- Males W.P., 'A case for statutory marketing arrangements'.
- Mangabat M.C. and Edwards G.W., 'Returns to quality enhancing and cost reducing research: the case of moisture content in Philippine copra'.
- Marlor S.R., 'The beef cattle transportation and processing industry of Northern New South Wales'.
- Mauldon R.G., 'Future of agricultural statutory marketing arrangements in Australia'.
- McCalla A.F., 'GATT, preferential/regional trading blocks and agricultural trade'.
- McLeod R.S., Collins D.J., Barnes E.H. and Dobson R.J., 'Estimating the gains of strategic internal parasite control in sheep'.
- Miller R.F., 'Economic reform in former communist systems: the problems for privatisation'.
- Mori H., Chadee D. and Jarratt I.S., 'The Japanese beef market following the start of trade liberalisation in June 1988'.
- Mullen J.D. and Wohlgenant M.K., 'The willingness to pay for attributes of lamb'.
- Mullen T.D., Cox T.L. and Foster W.E., 'Measuring productivity growth in Australian broadacre agriculture'.
- Musgrave W., 'Privatisation of irrigation in New South Wales'.
- Myers R.J., 'Time series econometrics and commodity price analysis'.
- Nayga R.M. and Capps C., 'Impact of socioeconomic and demographic factors on food away from home consumption in the United States'.
- Newman P.A., 'The impact of property size on whole property profitability in Western Queensland grazing areas'.
- Nu T.H. and Hardaker J.B., 'Promoting people's participation in projects: a case study of a pilot watershed area development project in Burma'.
- O'Donnell C.J., 'A simultaneous equations model with endogenous switching: the demands for Australian wool'.
- Pannell D., Kingwell R. and Schilizzi S., 'Debugging mathematical programming models: principles and practical strategies'.
- Parton K.A. and O'Brien M.J., 'A farm-level approach to examining supply shifts and research benefits'.
- Passmore G. and Brown C., 'Analysis of rangeland degradation using stochastic dynamic programming'.
- Perich M.V., Drynan R.G. and Batterham R.L., 'The effects of policy changes on the production and sales of milk in New South Wales'.
- Perich W.C., Batterham R.L. and Drynan R.G., 'Optimum farm plans for a central west irrigation property'.
- Piggot R.R., 'Some old truths revisited'.

- Piggott N.E. and Griffith G.R., 'Measuring the demand response to advertising in the Australian Meat Industry'.
- Pitt M.W., 'The value of coastal land: an application of travel cost methodology on the north coast of NSW'.
- Reeve I. and Kaine G., 'A market approach to sustainable land management'.
