AUSTRALIAN AGRICULTURAL ECONOMICS SOCIETY AWARDS 1988

MASTER'S THESIS PRIZE

The prize was awarded to Clare Johnson for a thesis entitled 'The Japanese beef market: an economic assessment of its structure and institutions', submitted to the University of Sydney.

UNDERGRADUATE PRIZES

- Jamie Ball (University of Adelaide)
- Rhonda Cail (University of Western Australia)
- Helen Egan (La Trobe University)
- Ian Gibbons (University of Queensland)
- John Gibson (Lincoln College)
- John Morrison (Lincoln College)
- Ranald Munro (University of Sydney)
- Peter Newman (University of New England)
- Marcus O'Sullivan (University of New England)
- John Roberts (Monash University)
- Barry Sterland (University of Sydney)

JOURNAL ARTICLE PRIZE

The prize for the best article published in the *Australian Journal of Agricultural Economics* was awarded to George F. Patrick for the article entitled 'Mallee wheat farmers' demand for crop and rainfall insurance' published in Volume 32(1), pp. 37-49.

33rd ANNUAL CONFERENCE

AUSTRALIAN AGRICULTURAL ECONOMICS SOCIETY
LINCOLN COLLEGE, CANTERBURY, NZ, 6-9 FEBRUARY
1989

Presidential address

Edwards, G. W. (La Trobe University), 'Big problems facing small societies'.

Invited papers

- Beare, S., Domine, L. and Murray, L. (Australian Bureau of Agricultural and Resource Economics), 'Trans-Tasman trade in manufactured dairy products: a mathematical programming model of imperfect sectoral competition'.
- Easton, B. (Consultant, Wellington), 'Agricultural policy: the rationale for one'.
- Fraser, R. W. (University of Western Australia), 'On evaluating the producer benefits from price stabilisation'.
- Gardner, B. (University of Maryland), 'International consequences of United States agricultural policies'.
- Griffith, G. R., Lattimore, R. G. and Robertson, J. C. (Department of Agriculture, NSW), 'CER and Australia-New Zealand dairy products-trade'.
- Jardine, V. (Scobie Economic Research), 'Crisis in agricultural R and D in New Zealand?'.
- Martin, W. (Australian National University), 'Australian agricultural policy: 1983-88'.
- O'Mara, P. L. (Australian Bureau of Agricultural and Resource Economics), 'Exchange rates, interest rates and agriculture: a macroeconomic view'.
- Quiggin, J. and Fisher, B. (University of Sydney), 'Generalised utility theories - implications for stabilisation policy'.
- Rausser, G. and Foster, W. E. (University of California, Berkeley), 'Political preference functions and the market for public policy reform'.
- Rayner, A. C. (Lincoln College), 'The role of agricultural policy in New Zealand: past, present and future'.
- Robertson, J. and Orden, D. (Virginia Polytechnic), 'A vector error correction model of money and price dynamics in New Zealand'.
- Ryan, J. G. and Davis, J. (Australian Centre for International Agricultural Research), 'Economic growth, technological change and priority assessment in agricultural research'.

Contributed papers

- Anaman, K. A., Izac, A. M. N. and Fraser, K. I. (University of Queensland), 'An economic evaluation of dryland pasture improvement strategies for beef cattle production in tropical Queensland'.
- Anderson, K. (University of Adelaide), 'Rent seeking and price distorting policies in rich and poor countries'.
