# Get these timely reports from USDA's Economic Research Service

**These periodicals bring you the latest information on food, the farm, and rural America to help you keep your expertise up-to-date. Order these periodicals to get the latest facts, figures, trends, and issues from ERS.**

**Agricultural Outlook.** Presents USDA's farm income and food price forecasts. Emphasizes the short-term outlook, but also presents long-term analyses of issues ranging from international trade to U S land use and availability. Packed with more than 50 pages of charts, tables, and text that provide timely and useful information.

**Economic Indicators of the Farm Sector.** Updates economic trends in U S agriculture. Each issue explores a different aspect of income and expenses, national and State financial summaries, production and efficiency statistics, costs of production, and an annual overview.

**Farmline.** Concise, fact-filled articles focus on economic conditions facing farmers, how the agricultural environment is changing, and the causes and consequences of those changes for farm and rural people. Synthesizes farm economic information with charts and statistics.

**Foreign Agricultural Trade of the United States.** Every 2 months brings you quantity and value of U S farm exports and imports, plus price trends. Subscription also includes two big 300-page supplements containing data for the previous fiscal or calendar year. A must for traders!

**Journal of Agricultural Economics Research.** Technical research in agricultural economics, including econometric models and statistics on methods employed and results of USDA economic research.

**National Food Review.** Offers the latest developments in food prices, product safety, nutrition programs, consumption patterns, and marketing.

**Rural Development Perspectives.** Crisp, nontechnical articles on the results of the most recent and the most relevant research on rural areas and small towns and what those results mean.

☐ Check here for a free subscription to *Reports*, a quarterly bulletin describing the latest ERS research reports. It's designed to help you keep up-to-date in all areas related to food, the farm, the rural economy, foreign trade, and the environment.

Suggestions to Contributors for Submitting Manuscripts for *The Journal of Agricultural Economics Research*

- 1 **SOURCE** Indicate how the material submitted is related to the economic research program of the U S Department of Agriculture and its cooperating agencies State your own connection with the program
  - 2 **CLEARANCE** Obtain any approval required in your own agency or institution before sending your manuscript to one of the editors of *The Journal of Agricultural Economics Research* Attach a copy of such approval to the manuscript
  - 3 **ORIGINALITY OF MATERIAL** It is our policy to print original material We consider alternative treatments of material published elsewhere, but such treatments need to differ substantially from the original approach When submitting your manuscript, identify related material either published or submitted for publication
  - 4 **ABSTRACT** Include an abstract and at least three keywords when you submit your article The abstract should not exceed 100 words It should report the major findings of your research
  - 5 **NUMBER OF COPIES** Submit three good copies
  - 6 **TYPING** Double space everything, including abstract, footnotes, and references
  - 7 **FOOTNOTES** Number consecutively throughout the article
  - 8 **REFERENCES** Check all references carefully for accuracy and completeness Cite references in the text by using underscored numbers in parentheses that correspond to items in the reference section at the end of your article
  - 9 **CHARTS AND OTHER ARTWORK** Use charts sparingly Keep design as simple as possible Submit all artwork in draft rather than in final form, accompanied by neatly prepared pages with essential data for replottting
