UNITED STATES DEPARTMENT OF AGRICULTURE

Agricultural Marketing Service

Contributors

Contributors are on the Staff of the Agricultural Marketing Service unless otherwise stated

ERNEST W. GROVE is in charge of farm income work in the Statistical and Historical Research Branch of Agricultural Marketing Service.

BEN H. PUBOLS is head of the Fruit Section in the Statistical and Historical Research Branch of Agricultural Marketing Service.

EMIL H. JEBE, Associate Professor of Statistics, Iowa State College, is also consulting statistician of the Statistical Laboratory, Iowa Agricultural Experiment Station.

NORMAN V. STRAND combines his work as Agricultural Statistician, Agricultural Estimates Division, Agricultural Marketing Service, and as Associate Professor of Statistics in Iowa State College.

NORRIS T. PRITCHARD, Acting Head of the Poultry Section, Market Organization and Costs Branch, AMS, was formerly with the Dairy Section. He and Mr. Olson completed the research for the study reported in this issue before Mr. Pritchard was transferred.

ROBERT E. OLSON is specializing in the marketing of milk and milk products and currently is giving much attention to costs and efficiency of processing and distributing fluid milk and ice cream products. He is in the Dairy Section, Market Organization and Costs Branch, Marketing Research Division, AMS.

GLADYS L. BAKER, staff member of the Statistical and Historical Services Section of AMS, has recently been studying agricultural price support and adjustment programs.

MARK M. REGAN, Assistant Head of the Land and Water Section, Production Economics Research Branch, Agricultural Research Service, has given considerable attention to economic aspects of resource development.

JAMES R. ANDERSON, a member of the staff of the Land and Water Section, Production Economics Research Branch, ARS, is trained in geography and economics.

EDITORS: CHARLES E. ROGERS
