

Suggestions for Submitting Manuscripts for Agricultural Economics Research

Each contributor can expedite reviewing and printing his paper by doing these things:

1. SOURCE. Indicate in a memorandum how the material submitted is related to the economic research program of the U.S. Department of Agriculture and its cooperating agencies. State your own connection with the program.

2. CLEARANCE. Obtain any approval required in your own agency before sending your manuscript to one of the editors or assistant editors of Agricultural Economics Research.

3. ABSTRACT. Include an abstract when you submit your article. The abstract should not exceed 100 words.

4. NUMBER OF COPIES. Submit one ribbon copy and two additional good copies of the article for review.

5. TYPING. Double space everything, including abstract and footnotes.

6. FOOTNOTES. Number consecutively throughout the paper.

7. REFERENCES. Check all references carefully for accuracy and completeness.

8. CHARTS. Use charts sparingly for best effect. Include with each chart a page giving essential data for replotting.

9. FINAL TYPING. Manuscripts accepted for publication will be edited and returned to author with instructions for retyping if necessary.
