IMPORTANT NOTICE TO OUR READERS

Recently we sent each person on our complimentary mailing list a postcard or memorandum asking if you want to continue to receive the Journal. We asked that you indicate this by returning your mailing label, on which you were also to show any corrections.

Unfortunately, we are receiving back many postcards with no labels so that we have no idea which of you sent these postcards. Thus, we will be dropping from the list every name for which no label was returned.

If you recall that you sent back a postcard or memo *without* your label, write us immediately. Include your mailing label from *this* issue with any corrections.
