Multifunctional Activities in New England Farms: Success and Continuation

Ioana Multifunctional Activities in New England Farms: Success and Continuation

----

What factors are associated with the perceived success of Multifunctional Activities (MFA)?

- Does the presence of other MFA farms in the area affect the perceived success?
- Does a high level of perceived success among other farms in the area impact a farmer's level of perceived success?
- Do self-reported personal characteristics impact the perceived success of MFA?
- What factors are associated with the decision to continue participation in MFA?
