Subject Index
Agricultural Economics
Volumes 1–22, 1986–2000

1956–1985

An Evaluation of Indian Government Rice Policy in Tamil Nadu, 1 (1988) 355

1968–1985

The West Bank olive Market, 5 (1991) 153

1974–1984

Effects of the Energy Crisis on French Agriculture between 1974 and 1984, 1 (1987) 259

1982–1984

Technological Change in Illinois Agriculture, 1982–1984, 2 (1988) 303

1985

The Evolution and Implications of the U.S. Food Security Act of 1985, 1 (1987) 175

A**Abundance**

Testing two trade models in Latin American agriculture, 10 (1994) 49

Accuracy

Predictive performance of the World Bank's commodity price projections, 4 (1990) 365

Ad Hoc Treatment

The zip (postal) code difference: methods to improve identification of rural subgroups, 5 (1991) 253

Adjustment Costs

Dynamic adjustment in the US beef market with imports, 17 (1997) 21

Adjustment costs and dynamic factor demands for U.S. cigarette manufacturing, 18 (1998) 217

Adjustment Strategies

Unconventional adjustment strategies for rural households in the less developed areas in Greece, 15 (1996) 61

Adjustment to Demand

Price and quantity adjustment in a dual character market The case of the Greek poultry sector, 6 (1991) 79

Adoption

Adoption and abandonment of irrigation technologies, 6 (1992) 315

Technology characteristics, farmers' perceptions and adoption decisions: A Tobit model application in Sierra Leone, 9 (1993) 297

Impacts of the training and visit extension system on farmers' knowledge and adoption of technology: Evidence from Pakistan, 10 (1994) 39

Role of information in the adoption of best management practices for water quality improvement, 11 (1994) 159

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Utilizing conjoint analysis to design modern crop variables: empirical example for groundnut in Niger, 16 (1997) 219

Adoption of new tobacco varieties in Greece: Impacts of empirical findings on policy design, 19 (1998) 297

A conceptual framework of adoption of an agricultural innovation, 21 (1999) 145

The impact of perception and other factors on the adoption of agricultural technology in the Moret and Jiru Woreda (district) of Ethiopia, 21 (1999) 205

Adoption Behavior

Gini's coefficient of mean difference as a measure of adoption speed: theoretical issues and empirical evidence from India, 7 (1992) 351

Adoption of Technology

Role of education and extension in the adoption of technology: a study of upland rice and soybean farmers in Central-West Brazil, 5 (1991) 341

Adoption Rate

The impact of floods on the adoption rate of high-yielding rice varieties in Bangladesh, 13 (1996) 179

Adoptive Expectation

Price supply response of vegetable growers in the Sultanate of Oman, 19 (1998) 349

Advertising Specifications

Modeling the demand for alcoholic beverages and advertising specifications, 22 (2000) 147

Africa

Institutional Reform of Marketing and Related Services to Agriculture, With Particular Reference to Africa, 1 (1987) 143

Malawi's Agricultural Development: A Success Story? 3 (1989) 99

Productivity of Agricultural Labour and Land: An International Comparison, 4 (1990) 1

Building African Scientific Capacity for Agricultural Development, 4 (1990) 117

Extensification of agriculture and deforestation: empirical evidence from Sudan, 10 (1994) 193

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Age

Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasa-kawa-Global 2000 project, 19 (1998) 341

Aggregate Agricultural Supply

International Supply Response, 2 (1988) 365

Aggregate Cropping Patterns

Economic reform and aggregate cropping patterns for Egypt, 17 (1997) 265

Aggregate Output

The supply response of aggregate agricultural output in Jamaica, 16 (1997) 205

Agrarian Policy

Farm size, relative efficiency and agrarian policy in Cote d'Ivoire: profit function analysis of rice farms, 14 (1996) 93

Agricultural Income

What do agricultural income and productivity measurements really mean? 2 (1988) 139

Agricultural and Economic Growth

Agriculture and economic growth in Ethiopia: growth multipliers from a four-sector simulation model, 20 (1999) 241

Agricultural and Household Technologies

The impact of agricultural and household technologies on women: a conceptual and quantitative analysis in Burkina Faso, 20 (1999) 203

Agricultural Assistance

Link between Agricultural Assistance and International Trade, 2 (1988) 159

Agricultural Commodity Research

National agricultural commodity research priorities for Pakistan, 19 (1998) 327

Agricultural Cooperatives

Size and industry effects in the performance of agricultural cooperatives, 6 (1991) 15

Agricultural Development

Building African Scientific Capacity for Agricultural Development, 4 (1990) 117

International trade and agricultural development in developing countries: Significance of the Uruguay Round of GATT negotiations, 8 (1993) 275

Trade and agricultural development in the 1980s and the challenges for the 1990s: Asia, 8 (1993) 345

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

World agricultural development - The paradox of human organization, 18 (1998) 209

Intellectual property rights and developing country agriculture, 21 (1999) 221

An analysis of industrial-agricultural interactions: a case study in Pakistan, 22 (2000) 17

Agricultural Exports

Welfare implications of a preferential tariff reduction for agricultural exports from less developed countries vs. a generalized tariff reduction, 3 (1989) 23

Agricultural Extension

Simplified Risk Analysis in Agricultural Extension, 1 (1988) 381

Agricultural Growth

Malawi's Agricultural Development: A Success Story? 3 (1989) 99

Does Agricultural Growth in Poor countries Harm Agricultural-Exporting Rich Countries? 3 (1989) 309

Impact and implications of price policy and land degradation on agricultural growth in developing countries, 5 (1991) 311

Relationship between agricultural growth and farm imports in LDCs: a Sims' causality test based on 35 countries, 7 (1992) 341

Trade and Development, 8 (1993) 267

Impacts of official development assistance on agricultural growth, savings and agricultural imports, 11 (1994) 99

Agricultural competitiveness: The case of the United States and major EU countries, 16 (1997) 99

Agricultural Higher Education

Agricultural higher education in transforming Central and Eastern Europe, 21 (1999) 109

Agricultural household model

Estimating labor supply of farm households under nonseparability: empirical evidence from Nepal, 22 (2000) 309

Agricultural Imports

Will developing country debt forgiveness increase agricultural trade? 8 (1993) 91

Agricultural Innovation

A conceptual framework of adoption of an agricultural innovation, 21 (1999) 145

Agricultural Input Markets

Liberalization of agricultural input markets in Bangladesh: process, impact, and lessons, 12 (1995) 115

Agricultural Intensification

Population growth, agricultural intensification, induced innovation and natural resource sustainability: An application of neoclassical growth theory, 19 (1998) 99

Agricultural Knowledge System Reform

Agricultural higher education in transforming Central and Eastern Europe, 21 (1999) 109

Agricultural Led Development

Externalities in the agricultural export sector and economic growth: a developing country perspective, 21 (1999) 257

Agricultural Marketing

Institutional Reform of Marketing and Related Services to Agriculture, With Particular Reference to Africa, 1 (1987) 143

Agricultural Markets

Implications of trade reform for agricultural markets in northeast Asia: a Korean example, 21 (1999) 309

Agricultural Pest Control

Pests and Pesticides, risk and risk aversion, 5 (1991) 361

Agricultural Planning

Nearly optimal linear programming as a guide to agricultural planning, 8 (1992) 1

Agricultural Policy

Changes needed in agricultural policy for female-headed farm families in tropical Africa, 4 (1990) 239

An application of optimal control theory to agricultural policy analysis, 4 (1990) 335

Intervention bias in agricultural policy, 7 (1992) 209

Agricultural policy adjustments in the Korean rice economy, 9 (1993) 335

Farmers and the U.S. Congress: rethinking basic institutional assumptions about agricultural policy, 11 (1994) 125

The estimation of marginal utility of income for application to agricultural policy analysis, 16 (1997) 155

Induced innovation and land degradation: Results from a bioeconomic model of a village in West Africa, 19 (1998) 15

The economics of coupled farm subsidies under costly and imperfect enforcement, 22 (2000) 75

Agricultural Pricing Policies

Issues relating to Agricultural Pricing Policies and their Analysis in Developing Countries, 2 (1988) 19

Agricultural Production

Agricultural Policy in Tropical Africa: is a Turnaround Possible? 1 (1986) 19

The Evolution and Implications of the U.S. Food Security Act of 1985, 1 (1987) 175

Production economics: Worthwhile investment? 9 (1993) 89

Efficiency in agricultural production: the case of peasant farmers in eastern Paraguay, 10 (1994) 27

Agricultural Production Potential

Capital accumulation and the growth of aggregate agricultural production, 6 (1991) 129

Agricultural Productivity

Effects of Increasing Agricultural Productivity in a Multisectoral Model for the Philippines, 1 (1986) 67

Agricultural productivity in developing countries, 19 (1998) 45

Agricultural Protection

The political economy of public research investment and commodity policies in agriculture: an empirical study, 22 (2000) 111

Agricultural Reform

Agreement on agriculture in the Uruguay round of GATT: from Punta del Este to Marrakesh, 15 (1996) 29

Agricultural Research Priority Setting

Agricultural research priority setting under multiple objectives: an example from Zimbabwe, 20 (1999) 277

Agricultural Research Problems

Agricultural Research Problems in Small Developing Countries: Case Studies from the South Pacific Island Nations, 3 (1989) 279

Agricultural Research

Persistent Underinvestment in Public Agricultural Research, 1 (1986) 53

Spillover Effects of International Agricultural Research: CIM-MYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Development of agriculture in Ethiopia since the 1975 land reform, 6 (1991) 159

Agricultural Sector

Transmission of price shifts in the context of structural adjustment: An empirical analysis for staple food after the devaluation of the franc CFA in Ivory Coast, 22 (2000) 67

Agricultural Settlement

Agricultural settlement with joint production services, 6 (1991) 1

Agricultural Supply

Agricultural Supply Response: A Survey, 3 (1989) 1

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 21 (1999) 19

The impact of prices and macroeconomic policies on agricultural supply: a reply, 21 (1999) 323

Agricultural Technologies

Cereal Technology Interventions for the West African Semi-Arid Tropics, 2 (1988) 197

Agricultural Technology and Farm–Nonfarm Growth Linkages, 3 (1989) 345

Agricultural Trade

The Agricultural Trade Confrontation between the United States and the European Community: a Challenge to our Profession, 2 (1988) 185

Examining the Leontief Paradox in U.S. Agricultural Trade, 2 (1988) 259

Developing Country Interests in Agricultural Trade Reform, 3 (1989) 169

Developing country debt: implications for agricultural trade, 4 (1990) 267

Will developing country debt forgiveness increase agricultural trade? 8 (1993) 91

Agricultural trade negotiations as a strategic game, 10 (1994) 71

Agriculture

Transfer of sustainable technology in dryland agriculture: Lessons from the Sahel in the 1980's, 4 (1990) 255

Structures and processes required for research, higher education and technology transfer in the agricultural sciences: a policy appraisal, 19 (1998) 269

The performance of Botswana's traditional arable agriculture: growth rates and the impact of the accelerated rainfed arable programme (ARAP), 20 (1999) 121

Agriculture Declines

On Why Agriculture Declines with Economic Growth, 1 (1987) 195

Agroclimatic Diversity

Planting strategies of maize farmers in Kenya: a simultaneous equations analysis in the presence of discrete dependent variables, 15 (1996) 137

Agroecological Conditions

Ex-ante agricultural research evaluation with site specific technology generation: the case of sorghum in Kenya, 16 (1997) 125

Agroforestry

Dynamic modelling of agroforestry and soil fertility interactions: implications for multi-disciplinary research policy, 13 (1995) 125

Valuing soil conservation benefits of agroforestry: contour hedgerows in the Eastern Visayas, Philippines, 18 (1998) 31

Policy and competitiveness of agroforestry-based technologies for maize production in Cameroon: An application of policy analysis matrix, 19 (1998) 1

Agronomic Sustainability

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

AIDS

Demand for food in Myanmar (Burma), 11 (1994) 207

Alberta Hog

The Alberta hog industry problem of the 1960's: its definition and resolution, 5 (1991) 211

Alcoholic Beverages

Modeling the demand for alcoholic beverages and advertising specifications, 22 (2000) 147

Aligning Prices

Gendered impacts of fertilizer subsidy removal programs in Malawi and Cameroon, 7 (1992) 141

Allais Paradox

Framing the Allais paradox as a daily farm decision problem: tests and explanations, 15 (1997) 155

Alliances

The organization of agricultural research in western developed countries, 21 (1999) 1

Allocate Efficiency

A study of economic efficiency of Iranian farmers in Ramjerd district: an application of stochastic programming, 14 (1996) 73

Allocative and Economic Efficiency

Technical, allocative and economic efficiencies in swine production in Hawaii: a comparison of parametric and nonparametric approaches, 20 (1999) 23

Allocative Efficiency

Appraising Alternatives for Allocating and Cost Recovery for Irrigation Water in Egypt, 1 (1986) 35

Livestock pricing policy in sub-Saharan Africa: objectives, instruments and impact in five countries, 8 (1993) 139

Efficiency estimation in a profit maximising model using flexible production function, 10 (1994) 143

The extent of resource use inefficiencies in cotton production in Pakistan's Punjab: an application of Data Envelopment Analysis, 22 (2000) 321

Almost Ideal Demand System (AIDS)

Growth in horticultural trade: Japan's market for developing countries, 9 (1993) 37

An application of cointegration theory in the estimation of the Almost Ideal Demand system for food consumption in Bulgaria, 15 (1996) 47

Demand for red meat, poultry, and fish in Morocco: an almost ideal demand system, 9 (1993) 155

Poverty alleviation in Mozambique: a multi-market analysis of the role of food aid, 13 (1995) 89

Alternative Price Expectation Models

Evaluating alternative price expectation models for multiproduct supply analysis, 10 (1994) 1

Amazon

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

ANIC

Structural Variations of Agriculture in the Pacific, 1 (1987) 113

Animal Health Control

Modelling to support animal health control, 5 (1991) 263

Animal Products

The effects of expenditure growth and urbanisation on food consumption in East Asia: a note on animal products, 18 (1998) 291

APRS

Institutional effects on changes in Chinese foodgrain production and its variability, 6 (1992) 217

Arab Countries

Grain Production and Food Security in Arab Countries, 2 (1988) 39

Arable

The performance of Botswana's traditional arable agriculture: growth rates and the impact of the accelerated rainfed arable programme (ARAP), 20 (1999) 121

Argentina

A Note on Private Farm Management Consulting Services: The Case of Argentina, 2 (1988) 335

Linking to U.S. monetary policy and exchange rates to world soybean markets, 6 (1992) 365

Managerial form, ownership and efficiency: a case-study of Argentine agriculture, 11 (1994) 289

Armington Model

A generalized Armington trade model: Respecification, 9 (1993) 347

Armington Procedure (AP)

Modeling international trade flows and market shares for agricultural commodities: a modified Armington procedure for rice, 4 (1990) 315

Arrow-Pratt Coefficients

Estimation of farmers' risk attitude: an economic approach, 17 (1997) 211

ASEAN

Structural Variations of Agriculture in the Pacific, 1 (1987) 113

Asia

Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Productivity of Agricultural Labour and Land: An International Comparison, 4 (1990) 1

Demand for cereal grains in Asia: the effect of urbanization, 8 (1993) 107

Meat and milk self-sufficiency in Asia: forecast trends and implications, 21 (1999) 21

Asian Developing Countries

Trade and agricultural development in the 1980s and the challenges for the 1990s: Asia, 8 (1993) 345

Asset Price Risk

Landlords and farmers: implications, 12 (1995) 151

Assets

Measurement of cost inefficiency with safety first measure of risk, 11 (1994) 197

Assumptions

Sensitivity analysis of normative economic models: theoretical framework and practical strategies, 16 (1997) 139

Asymmetry

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

Atlanta

Willingness to pay for pST-treated pork, 8 (1992) 45

Australia

Spillover Effects of International Agricultural Research: CIM-MYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

How integrated are world beef markets? The case of Australian and U.S. beef markets, 12 (1995) 37

Emerging differences in state grain trading: Australia and Canada, 16 (1997) 87

The external costs of pasture weed spread: an economic assessment of serrated tussock control, 22 (2000) 91

Austria

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

B**Banana**

An economic assessment of the common Market Organization for bananas in the European Union, 20 (1999) 105

Bangladesh

Market Analysis, Technical Change and Income Distribution in Semi-Subsistence Agriculture: the Case of Bangladesh, 1 (1986) 1

Impact of Risk on HYV Adoption in Bangladesh, 2 (1988) 167

Liberalization of agricultural input markets in Bangladesh: process, impact, and lessons, 12 (1995) 115

The impact of floods on the adoption rate of high-yielding rice varieties in Bangladesh, 13 (1996) 179

Food aid, food policy and the Uruguay round: implications for Bangladesh, 15 (1997) 169

Bargaining

The impact of agricultural and household technologies on women: a conceptual and quantitative analysis in Burkina Faso, 20 (1999) 203

Bargaining Power

Landlords and farmers: implications, 12 (1995) 151

Barley

Incorporating risk in the economic analysis of agronomic trials: fertilizer use on barley in Syria, 7 (1992) 167

A critical assessment of the political preference function approach in agricultural economics, 7 (1992) 371

The rise and fall of public sector plant breeding in the United Kingdom: a causal chain model of basic and applied research and diffusion, 19 (1998) 127

Bean

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Farmer-to-farmer transfer of new crop varieties: an empirical analysis on small farms in Uganda, 11 (1994) 43

Bean Production

Application of stochastic dominance criteria to evaluate bean production strategies in Central Province, Zambia, 7 (1992) 289

Beef

A markup over average cost pricing rule for meat and poultry in the United States, 8 (1993) 227

Inflation, capital markets and the supply of beef, 9 (1993) 145

Demand for red meat, poultry, and fish in Morocco: an almost ideal demand system, 9 (1993) 155

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

How integrated are world beef markets? The case of Australian and U.S. beef markets, 12 (1995) 37

The dynamics of household beef consumption in Cameroon, 14 (1996) 11

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Dynamic adjustment in the US beef market with imports, 17 (1997) 21

Behavioral Model

Toward a Behavioral Model of Multiple-Job-Holding Farm Families, 2 (1988) 247

Belgian

Estimating feed utilisation matrices using a cost function approach, 9 (1993) 109

Biased Technology Change

Labor productivity measurement in Japanese agriculture, 1965-90, 12 (1995) 55

Bio-Control

Citrus blackfly in Florida: Eradication or bio-control? 5 (1991) 193

Biodiversity

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Bio-economic Framework

Valuing soil conservation benefits of agroforestry: contour hedgerows in the Eastern Visayas, Philippines, 18 (1998) 31

Bio-economic Simulation

Developments in biophysical and bioeconomic simulation of agricultural systems: a review, 17 (1997) 45

Biological Technology

Induced technical change in centrally planned economics, 6 (1992) 301

Biophysical Simulation

Developments in biophysical and bioeconomic simulation of agricultural systems: a review, 17 (1997) 45

Botswana

The performance of Botswana's traditional arable agriculture: growth rates and the impact of the accelerated rainfed arable programme (ARAP), 20 (1999) 121

Bovine Somatotropin

Expected Economic Effects of BST in The Netherlands, 3 (1989) 231

Brazil

Linking to U.S. monetary policy and exchange rates to world soybean markets, 6 (1992) 365

Effects of international shocks and domestic macroeconomic policies upon Brazilian agriculture, 7 (1992) 317

Evidence of the empirical relevance of the infant industry argument for the protection of Brazilian ethanol production, 10 (1994) 245

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Bread Grains

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

Breakeven Analysis

Advanced breakeven analysis of agricultural enterprise budgets, 9 (1993) 127

Breed

The rise and fall of public sector plant breeding in the United Kingdom: a causal chain model of basic and applied research and diffusion, 19 (1998) 127

Breeding Programs

Identifying international rice research spillovers in New South Wales, 17 (1997) 35

Breeding Research

Returns to wheat breeding research in Nepal, 10 (1994) 269

Britain

An application of optimal control theory to agricultural policy analysis, 4 (1990) 335

Broiler Producers

Managerial efficiency under risk for broiler producers in Saudi Arabia, 20 (1999) 69

BST

Expected Economic Effects of BST in The Netherlands, 3 (1989) 231

Budgetary Flows

Effects of adjustment of the green drachma to its current exchange rate, 7 (1992) 225

Buffer Stocks

Grain price stabilization in India: Evaluation of policy alternatives, 21 (1999) 93

Bulgaria

An application of cointegration theory in the estimation of the Almost Ideal Demand system for food consumption in Bulgaria, 15 (1996) 47

Burkina Faso

Household Food Demand in Burkina Faso: Implications for Food Policy, 2 (1988) 345

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Stochastic dominance analysis of on-farm trial data: The riskiness of alternative phosphate sources in Burkina Faso, 15 (1997) 213

Induced innovation and land degradation: Results from a bioeconomic model of a village in West Africa, 19 (1998) 15

Burma

Demand for food in Myanmar (Burma), 11 (1994) 207

BUSEP

The mixing ratio in the Indonesian dairy industry, 20 (1999) 51

C**Calculation of Returns**

The Calculation of Returns to Research in Distorted Markets, 2 (1988) 291

Cameroon

Gendered impacts of fertilizer subsidy removal programs in Malawi and Cameroon, 7 (1992) 141

The dynamics of household beef consumption in Cameroon, 14 (1996) 11

Policy and competitiveness of agroforestry-based technologies for maize production in Cameroon: An application of policy analysis matrix, 19 (1998) 1

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

Canada

Dynamic factor demand equations in U.S. and Canadian agriculture, 6 (1992) 251

Canadian dairy policy and the returns to federal dairy cattle research, 6 (1992) 267

Emerging differences in state grain trading: Australia and Canada, 16 (1997) 87

Four case studies of agri-food CVDs and a proposal for reforming national administered protection agencies, 17 (1997) 147

Canal

Measuring Benefits to Operation and Maintenance Expenditure in the Canal Irrigation System of Pakistan: A Simulation Analysis, 3 (1989) 199

Canalized Trade

Grain price stabilization in India: Evaluation of policy alternatives, 21 (1999) 93

CAP Reform

Off-farm work decisions on Dutch cash crop farms and the 1992 and Agenda 2000 CAP reforms, 22 (2000) 163

Capital

Impacts of capital and land constraints on the economics of new livestock technology in western Kenya, 6 (1992) 353

Sustaining growth in agriculture: a quantitative review of agricultural research investments, 10 (1994) 107

Capital Accumulation

Capital accumulation and the growth of aggregate agricultural production, 6 (1991) 129

Capital Goods

Labour-Related Structural Trends in South African Maize Production, 1 (1987) 241

Capital Markets

Inflation, capital markets and the supply of beef, 9 (1993) 145

Capital Productivity

Planting strategies of maize farmers in Kenya: a simultaneous equations analysis in the presence of discrete dependent variables, 15 (1996) 137

Capital Stock

Changing Agricultural Comparative Advantage, 1 (1987) 97

Capital-Intensive Farming

Concept and Implementations of an integrated decision support system (IDSS) for capital-intensive farming, 5 (1991) 287

Cash Crop Farms

Equity and efficiency considerations in area versus individual yield insurance, 12 (1995) 23

Cassava

Peasant household modelling: farming systems evolution and sustainability in northern Zambia, 9 (1993) 241

Cattle Production

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Causality

Cointegration and causality in international agricultural economics research, 20 (1999) 1

CEE

Agricultural reforms in Central and Eastern Europe and the former Soviet Union: Status and perspectives, 22 (2000) 37

Central and Eastern Europe

Agricultural higher education in transforming Central and Eastern Europe, 21 (1999) 109

Central Highland Markets

Intra-annual sheep price patterns and factors underlying price variations in the central highlands of Ethiopia, 8 (1993) 125

Central India

Risk-efficient irrigation strategies for wheat, 4 (1990) 59

Central Luzon

'Second-generation' MVs and the evolution of the Green Revolution: the case of Central Luzon, 1966-60, 10 (1994) 283

Central Plains

Alternative models of input allocation in multicrop systems: Irrigation water in the Central Plains, United States, 11 (1994) 143

Central Planning

Value of moving from central planning to a market system: lessons from the Israeli water sector, 12 (1995) 11

Centrally Planned

Induced technical change in centrally planned economics, 6 (1992) 301

Central-West Brazil

Role of education and extension in the adoption of technology: a study of upland rice and soybean farmers in Central-West Brazil, 5 (1991) 341

Cereal

Derivation of long-run factor demands from short-run responses, 3 (1989) 213

Peasant farmer behavior and cereal technologies: Stochastic programming analysis in Niger, 5 (1991) 21

From weed to wealth? Prospects for medic pastures in the Mediterranean farming system of north-west Syria, 11 (1994) 29

China's projected cereals deficits in a world context, 15 (1996) 1

Cereal Farms

Resource allocation and productivity of cereal state farms in Ethiopia, 8 (1993) 187

Cereal Grains

Demand for cereal grains in Asia: the effect of urbanization, 8 (1993) 107

Cereal Technology

Cereal Technology Interventions for the West African Semi-Arid Tropics, 2 (1988) 197

Certainty Equivalent Outcomes

Approximation methods for ranking risky investment alternatives, 12 (1995) 1

CGIAR

Value of External Reviews of Research at the International Agricultural Research Centers, 3 (1989) 365

Chernobyl Accident

A partial adjustment model with rational expectations applied to the goat sector in Greece, 12 (1995) 163

Cheungian

Transactional framework of sharecropping: empirical evidence, 18 (1998) 47

Children

Understanding the health and nutritional status of children in Ghana, 17 (1997) 59

Chile

Mix and sequencing of economywide and agricultural reforms: Chile and New Zealand, 8 (1993) 295

Chile's agricultural diversification, 9 (1993) 1

The economic and financial gains from water markets in Chile, 15 (1997) 187

The interface between growth, trade, pollution and natural resource use in Chile: evidence from an economywide model, 19 (1998) 87

China

On the Reform of Rural Supply and Marketing Cooperatives in China, 2 (1988) 73

An econometric analysis of rice consumption in the People's Republic of China, 6 (1991) 67

Institutional effects on changes in Chinese foodgrain production and its variability, 6 (1992) 217

Impact of the US-EC price war on major wheat exporters' shares of the Chinese market, 10 (1994) 61

Impact of hybrid rice on input demand and productivity, 10 (1994) 153

Japan's peanut import demand: implications for United States exports, 11 (1994) 51

Food demand in rural China: evidence from rural household survey, 11 (1994) 61

Impact of eliminating government interventions on China's rice sector, 11 (1994) 71

Effects of agricultural production fluctuations on the Chinese macroeconomy, 12 (1995) 69

China's projected cereals deficits in a world context, 15 (1996) 1

Production efficiency of Chinese agriculture: evidence from rural household survey data, 15 (1996) 17

Marketing reforms, market development and agricultural production in China, 17 (1997) 95

Potential of China's grain production: evidence from the household data, 17 (1997) 191

China and Taiwan access to the World Trade Organization: implications for U.S. agriculture and trade, 17 (1997) 239

Tenure, land rights, and farmer investment incentives in China, 19 (1998) 63

Trends in China's regional grain production and their implications, 19 (1998) 309

Chinese Rice Production

Pesticide productivity, host-plant resistance and productivity in China, 19 (1998) 203

Chitemene

Peasant household modelling: farming systems evolution and sustainability in northern Zambia, 9 (1993) 241

Cigarette

Differentiated products and supply controls in the analysis of agricultural policy reform: the case of tobacco, 7 (1992) 301

Cigarette Industry

Impact of domestic content requirement on the US tobacco and cigarette industries, 15 (1997) 201

CIMMYT

Spillover Effects of International Agricultural Research: CIMMYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Efficiency of research investments in the presence of international spillovers: wheat research in developing countries, 22 (2000) 1

CIS

Agricultural reforms in Central and Eastern Europe and the former Soviet Union: Status and perspectives, 22 (2000) 37

Citrus Blackfly (CBF)

Citrus blackfly in Florida: Eradication or bio-control? 5 (1991) 193

Climate

Private irrigation investment in Columbia: effects of violence, macroeconomic policy, and environmental conditions, 16 (1997) 1

Climate Change

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Cluster Analysis

Toward a Behavioral Model of Multiple-Job-Holding Farm Families, 2 (1988) 247

Coarse Grains

Demand for cereal grains in Asia: the effect of urbanization, 8 (1993) 107

Cocoa

Managing multiple international risks simultaneously with an optimal hedging model, 6 (1991) 31

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

Cocoa Futures

The market efficiency hypothesis: the case of coffee and cocoa futures, 16 (1997) 171

Coffee

United States Demand for Coffee Imports, 3 (1989) 147

Managing multiple international risks simultaneously with an optimal hedging model, 6 (1991) 31

The market efficiency hypothesis: the case of coffee and cocoa futures, 16 (1997) 171

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

Co-integrated

How integrated are world beef markets? The case of Australian and U.S. beef markets, 12 (1995) 37

Co-integration

Government intervention and market integration in Indonesian rice markets, 19 (1998) 283

Cointegration and causality in international agricultural economics research, 20 (1999) 1

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

Collateral

Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Collective Ownership

Restructuring of traditional farms and new land relations in Ukraine, 13 (1995) 27

Collective Production

Restructuring of traditional farms and new land relations in Russia, 13 (1995) 11

Colombia

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Private irrigation investment in Columbia: effects of violence, macroeconomic policy, and environmental conditions, 16 (1997) 1

Externalities in the agricultural export sector and economic growth: a developing country perspective, 21 (1999) 257

Commerce

Toward the Rural-Based Development of Commerce and Industry: Selected Experiences from East Asia, 21 (1999) 217

Commodity Bias

A test of the underinvestment, myopia and commodity bias hypotheses for U.S. agricultural research, 4 (1990) 209

Commodity Market

Developing country debt: implications for agricultural trade, 4 (1990) 267

Ex-ante agricultural research evaluation with site specific technology generation: the case of sorghum in Kenya, 16 (1997) 125

Commodity Orientation

Sustaining growth in agriculture: a quantitative review of agricultural research investments, 10 (1994) 107

Commodity Price Projections

Predictive performance of the World Bank's commodity price projections, 4 (1990) 365

Common Agricultural Policy

Cap reform: modelling supply response subject to the land set-aside, 17 (1997) 277

Communication

Sensitivity analysis of normative economic models: theoretical framework and practical strategies, 16 (1997) 139

Comparative Advantage

Changing Agricultural Comparative Advantage, 1 (1987) 97

On Why Agriculture Declines with Economic Growth, 1 (1987) 195

Wheat Policy Options in Sub-Saharan Africa: The Case of Zimbabwe, 3 (1989) 115

Resource supplies and changing world agricultural comparative advantage, 10 (1994) 207

Impact of eliminating government interventions on China's rice sector, 11 (1994) 71

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Comparative Analysis

A comparative analysis of water price support versus drought compensation scheme, 21 (1999) 81

Competition

Development Assistance and Exports: The Case of the United States, 3 (1989) 293

Competition Policy

Challenges in quantitative economic analysis in support of multi-lateral trade negotiations, 14 (1996) 185

Competition in the US meatpacking industry: is it history? 18 (1998) 107

Competitive Market

Measuring research benefits in an imperfect market, 10 (1994) 89

Competitiveness

Agricultural competitiveness: The case of the United States and major EU countries, 16 (1997) 99

Components of Wholesale bid-ask Spread

Components of the wholesale bid-ask spread and the structure of grain markets: the case of rice in India, 21 (1999) 173

Composition

Effects of household size and composition on consumption in rural households in Matabeleland South, Zimbabwe, 11 (1994) 335

Computers

On-farm computers for farm management in Sweden: potentials and problems, 5 (1991) 279

Concentration

Competition in the US meatpacking industry: is it history? 18 (1998) 107

Conceptual Framework

A conceptual framework of adoption of an agricultural innovation, 21 (1999) 145

Conditional and Unconditional Elasticities

The demand for food and beverages in Norway, 18 (1998) 89

Confrontation

The Agricultural Trade Confrontation between the United States and the European Community: a Challenge to our Profession, 2 (1988) 185

Congress

Farmers and the U.S. Congress: rethinking basic institutional assumptions about agricultural policy, 11 (1994) 125

Conjoint Analysis

Utilizing conjoint analysis to design modern crop variables: empirical example for groundnut in Niger, 16 (1997) 219

Conjunctive Use

Water conveyance, return flows and technology choice, 19 (1998) 181

Conservation Technology Adoption

Resource degradation and adoption of land conservation technologies in the Ethiopian Highlands: A case study in Andit Tid, North Shewa, 18 (1998) 233

Conservation-Compliance Program

Efficiency of U.S. conservation-compliance program, 8 (1993) 173

Constraints

A critical assessment of the political preference function approach in agricultural economics, 7 (1992) 371

Consulting Service

A Note on Private Farm Management Consulting Services: The Case of Argentina, 2 (1988) 335

Consumer Acceptance

Willingness to pay for pST-treated pork, 8 (1992) 45

Consumer Behavior

An application of cointegration theory in the estimation of the Almost Ideal Demand system for food consumption in Bulgaria, 15 (1996) 47

Consumer Subsidies

Effects of subsidized wheat consumption by state in India, 7 (1992) 1

Least-cost cheap-food policies: some implications of international food aid, 20 (1999) 191

Consumption

Some Lessons from the Modelling of the Spanish Rice Market, 1 (1988) 341

Effects of household size and composition on consumption in rural households in Matabeleland South, Zimbabwe, 11 (1994) 335

An application of cointegration theory in the estimation on the Almost Ideal Demand system for food consumption in Bulgaria, 15 (1996) 47

Impacts of trade liberalizations under the Uruguay round on the world sugar market, 15 (1996) 83

The effects of expenditure growth and urbanisation on food consumption in East Asia: a note on animal products, 18 (1998) 291

The demand for meat and fish in Spain: Urban and rural areas, 19 (1998) 359

Contestable Market

Middlemen and peasants in rice marketing in the Philippines, 20 (1999) 79

Continuous-Time Optimal Control

Principles of stochastic dynamic optimization in resource management: the continuous-time case, 7 (1992) 91

Contour Hedgerow Technology

Adoption of soil conservation: the case of the Philippine uplands, 21 (1999) 241

Contour Hedgerows

Valuing soil conservation benefits of agroforestry: contour hedgerows in the Eastern Visayas, Philippines, 18 (1998) 31

Risks and returns from soil conservation: evidence from low-income farms in the Philippines, 21 (1999) 53

Contour plowing

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Conventional Rice Production

Efficiency and technical progress in traditional and modern agriculture: evidence from rice production in China, 18 (1998) 157

Conveyance

Water conveyance, return flows and technology choice, 19 (1998) 181

Co-responsibility Levy

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

Corn Exports

U.S. corn exports: the role of the exchange rate, 13 (1995) 75

Corn Prices

U.S. corn exports: the role of the exchange rate, 13 (1995) 75

Corn-Gluten Feed

Short-run dynamics of feed ingredient prices facing the EC: a causal analysis, 4 (1990) 351

Cost

Advanced breakeven analysis of agricultural enterprise budgets, 9 (1993) 127

Managerial efficiency under risk for broiler producers in Saudi Arabia, 20 (1999) 69

Cost Function

Estimating feed utilisation matrices using a cost function approach, 9 (1993) 109

Cost Inefficiency

Measurement of cost inefficiency with safety first measure of risk, 11 (1994) 197

Cost of Producing

Impacts of land fragmentation of the cost of producing wheat in the rain-fed region of northern Jordan, 11 (1994) 191

Cost Recovery

Appraising Alternatives for Allocating and Cost Recovery for Irrigation Water in Egypt, 1 (1986) 35

Cost Structure

Cost structure and technical change in rural banking, 8 (1993) 243

Cost-minimization

Farm-level nonparametric analysis of cost-minimization and profit-maximization behavior, 13 (1995) 109

Cote d'Ivoire

Evaluation of the Influence of Agricultural Price Policy on Cotton Production in Cote-d'Ivoire, 3 (1989) 69

Farm size, relative efficiency and agrarian policy in Cote d'Ivoire: profit function analysis of rice farms, 14 (1996) 93

Relative efficiency of women as farm managers: profit function analysis in Cote d'Ivoire, 16 (1997) 47

Cotton

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

The extent of resource use inefficiencies in cotton production in Pakistan's Punjab: an application of Data Envelopment Analysis, 22 (2000) 21

Cotton Production

Evaluation of the Influence of Agricultural Price Policy on Cotton Production in Cote-d'Ivoire, 3 (1989) 69

Risk analysis of new maize technology in Zaire: a portfolio approach, 9 (1993) 203

Cowpeas

Economic returns to cowpea research, extension, and input distribution in Senegal, 8 (1993) 161

CREA,

A Note on Private Farm Management Consulting Services: The Case of Argentina, 2 (1988) 335

Credit

Malawi's Agricultural Development: A Success Story? 3 (1989) 99

Market access by smallholder farmers in Malawi: implications for technology adoption, agricultural productivity and crop income, 19 (1998) 219

Credit Constrained

Credit constraints and smallholder dairy production in the East African highlands: application of a switching regression model, 19 (1998) 33

Credit Non-constrained

Credit constraints and smallholder dairy production in the East African highlands: application of a switching regression model, 19 (1998) 33

Credit policies

Private irrigation investment in Columbia: effects of violence, macroeconomic policy, and environmental conditions, 16 (1997) 1

Crop and Livestock Commodities

National agricultural commodity research priorities for Pakistan, 19 (1998) 327

Crop Breeding

Econometric estimation of a global spillover matrix for wheat varietal technology, 14 (1996) 159

Crop Budgets

The economic and financial gains from water markets in Chile, 15 (1997) 187

Crop Insurance

Equity and efficiency considerations in area versus individual yield insurance, 12 (1995) 23

Crop Response

Stochastic dominance analysis of on-farm trial data: The riskiness of alternative phosphate sources in Burkina Faso, 15 (1997) 213

Crop Response Function

Value of information on crop response function to soil salinity in a farm-level optimization model, 10 (1994) 233

Crop Selection

Crop Selection and Implications for Profits and Wind Erosion in a Semi-Arid Environment, 2 (1988) 319

Crop-livestock Interactions

Pasture taxes and agricultural intensification in southern Mali, 19 (1998) 27

Crop-livestock System

Measuring the production efficiency of alternative land tenure contracts in a mixed crop-livestock system in Ethiopia, 20 (1999) 37

Cropping Intensity

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Cropshare Tenancy

Multiple Leasing under Cropshare Tenancy – A Note, 4 (1990) 91

Cropsharing

An analysis of population growth, Green Revolution and terms of trade in the presence of cropsharing in agriculture, 11 (1994) 19

Cross-Price Effects

Issues relating to Agricultural Pricing Policies and their Analysis in Developing Countries, 2 (1988) 19

Cross-sectional Data

A gravity model analysis of meat trade policies, 10 (1994) 81

Crude Oil Prices

Effects of international shocks and domestic macroeconomic policies upon Brazilian agriculture, 7 (1992) 317

Cystic Ovaries

Application of replacement theory in dairy cows and its use in disease treatment, 5 (1991) 385

D

Dairy

The mixing ratio in the Indonesian dairy industry, 20 (1999) 51

Dairy Cattle

Economic impacts of East Coast Fever immunization on small-holder farms, Kenya: a simulation analysis, 13 (1996) 163

A stall-feeding management for improved cattle in semiarid central Tanzania: factors influencing adoption, 17 (1997) 133

Dairy Cows

Application of replacement theory in dairy cows and its use in disease treatment, 5 (1991) 385

Dairy Farming

The influence of technology characteristics on the rate and speed of adoption, 21 (1999) 121

Dairy Farms

Expected Economic Effects of BST in The Netherlands, 3 (1989) 231

Multiple job holdings among dairy farm families in New York and Ontario, 18 (1998) 127

Dairy Herd Improvement Association (DHIA)

Estimating the effectiveness of extension information systems using farm trials and subjective probabilities, 7 (1992) 77

Dairy Markets

Linkages between Regulated and Unregulated Markets: the Case of Milk Supply in Kenya, 2 (1988) 223

Dairy Policy

Canadian dairy policy and the returns to federal dairy cattle research, 6 (1992) 267

Dairy Products

Demand for dairy products in Mexico, 16 (1997) 67

Returns to smallholder dairying in the Kilimanjaro region, Tanzania, 17 (1997) 75

Dairy Sector

Spatial allocation and the shadow pricing of product characteristics, 18 (1998) 1

Darwinism

Economy-wide reform and agricultural recovery: Observations of economic Darwinism among transition economies, 14 (1996) 143

Data Envelopment Analysis

The extent of resource use inefficiencies in cotton production in Pakistan's Punjab: an application of Data Envelopment Analysis, 22 (2000) 321

Data for Farm Management

On-farm computers for farm management in Sweden: potentials and problems, 5 (1991) 279

Debt

Developing country debt: implications for agricultural trade, 4 (1990) 267

Debt Reduction

Will developing country debt forgiveness increase agricultural trade? 8 (1993) 91

Decision Aids

Understanding farmers' decision making processes and improving managerial assistance, 18 (1998) 273

Decision Making

Understanding farmers' decision making processes and improving managerial assistance, 18 (1998) 273

The influence of technology characteristics on the rate and speed of adoption, 21 (1999) 121

Decision Problem

Framing the Allais paradox as a daily farm decision problem: tests and explanations, 15 (1997) 155

Decision Support

Sensitivity analysis of normative economic models: theoretical framework and practical strategies, 16 (1997) 139

Decision Support System (DSS)

A decision support system for strategic planning on pig farms, 13 (1995) 101

Decision Support Tools

Developments in biophysical and bioeconomic simulation of agricultural systems: a review, 17 (1997) 45

Decision-making Process

How to define and study farmers' management capacity: theory and use in agricultural economics, 18 (1998) 261

Decline in Growth of Productivity

Research and extension expenditures and productivity in Japanese agriculture, 1960-1990, 16 (1997) 111

Declining Industry

Role of agriculture in economic development revisited, 8 (1993) 421

Declining Real Prices

Agricultural competitiveness: The case of the United States and major EU countries, 16 (1997) 99

Decreasing Efficiency

Impacts of land fragmentation of the cost of producing wheat in the rain-fed region of northern Jordan, 11 (1994) 191

Deficiency Payments

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

Deficit

China's projected cereals deficits in a world context, 15 (1996) 1

Deforestation

Extensification of agriculture and deforestation: empirical evidence from Sudan, 10 (1994) 193

Demand

Demand for food in Myanmar (Burma), 11 (1994) 207

Implications of the minimum access rice import on supply and demand balance of rice in Japan, 16 (1997) 193

Fertilizer demand in Greece, 16 (1997) 227

The demand for meat and fish in Spain: Urban and rural areas, 19 (1998) 359

Modeling the demand for alcoholic beverages and advertising specifications, 22 (2000) 147

Demand Elasticity

Variability in wheat export demand elasticity: Policy implications, 4 (1990) 381

Demand Functions

Dynamic input demand functions and resource adjustment for US agriculture: state evidence, 17 (1997) 223

Depreciation

The effects of real exchange rate depreciation on stochastic producer prices in low-income agriculture, 20 (1999) 215

Deregulation

Japan's Large Scale Retail Store Law: a cause of concern for food exporters?, 22 (2000) 55

Design

Concept and Implementations of an integrated decision support system (IDSS) for capital-intensive farming, 5 (1991) 287

Devaluation

Transmission of price shifts in the context of structural adjustment: An empirical analysis for staple food after the devaluation of the franc CFA in Ivory Coast, 22 (2000) 67

Developed Countries

The organization of agricultural research in western developed countries, 21 (1999) 1

Developing Countries

Developing country debt: implications for agricultural trade, 4 (1990) 267

Developing Countries

Structural Change and its Impact on Traditional Agricultural Sectors of Rapidly Developing Countries: The Case of Natural Rubber, 1 (1987) 159

Issues relating to Agricultural Pricing Policies and their Analysis in Developing Countries, 2 (1988) 19

Link between Agricultural Assistance and International Trade, 2 (1988) 159

Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Agricultural Supply Response: A Survey, 3 (1989) 1

Developing Country Interests in Agricultural Trade Reform, 3 (1989) 169

Agricultural Research Problems in Small Developing Countries: Case Studies from the South Pacific Island Nations, 3 (1989) 279

Impact and implications of price policy and land degradation on agricultural growth in developing countries, 5 (1991) 311

Will developing country debt forgiveness increase agricultural trade? 8 (1993) 91

International trade and agricultural development in developing countries: Significance of the Uruguay Round of GATT negotiations, 8 (1993) 275

Implications of agricultural trade liberalization for the developing countries, 8 (1993) 313

Growth in horticultural trade: Japan's market for developing countries, 9 (1993) 37

Sources of EC horticultural import growth from developing countries, 10 (1994) 125

Relative efficiency of women as farm managers: profit function analysis in Cote d'Ivoire, 16 (1997) 47

The market efficiency hypothesis: the case of coffee and cocoa futures, 16 (1997) 171

Agricultural productivity in developing countries, 19 (1998) 45

Efficiency of research investments in the presence of international spillovers: wheat research in developing countries, 22 (2000) 1

The geography and causes of food insecurity in developing countries, 22 (2000) 199

Developing Economies

Impacts of official development assistance on agricultural growth, savings and agricultural imports, 11 (1994) 99

Development

Trade and Development, 8 (1993) 267

Sustainable development of forest resources in industrialized countries, 14 (1996) 175

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Development Assistance

Development Assistance and Exports: The Case of the United States, 3 (1989) 293

Impacts of official development assistance on agricultural growth, savings and agricultural imports, 11 (1994) 99

Developmental Paradox

The microeconomics of the developmental paradox: on the political economy of food price policy, 20 (1999) 159

Differential Prices

Maize acreage response under differential prices in the Republic of Benin, West Africa, 9 (1993) 215

Differentiated Good

International trade in a differentiated good: Trade elasticities in the world rice market, 10 (1994) 257

Diffusion

The influence of technology characteristics on the rate and speed of adoption, 21 (1999) 121

Diffusion-Abandonment

Adoption and abandonment of irrigation technologies, 6 (1992) 315

Direct Effects

Food subsidies and market interdependence: the case of the Moroccan soft wheat subsidy, 5 (1991) 325

Disaggregate Food Commodities

The demand for food and beverages in Norway, 18 (1998) 89

Discrete Stochastic Programming

Modelling embedded risk in peasant agriculture: methodological insights from northern Malawi, 21 (1999) 191

Disease Control

Ex ante assessment of the returns to livestock disease control in Indonesia, 11 (1994) 83

Disease Costs

Evaluating the economic impact of quality-reducing, seed-borne diseases: Lessons from Karnal bunt of wheat, 6 (1992) 345

Disease in Livestock

Modelling to support animal health control, 5 (1991) 263

Disease Resistance

'Second-generation' MVs and the evolution of the Green Revolution: the case of Central Luzon, 1966-60, 10 (1994) 283

Disease Treatment

Application of replacement theory in dairy cows and its use in disease treatment, 5 (1991) 385

Disequilibrium

Price and quantity controlled agricultural markets and disequilibrium econometrics: a survey, 9 (1993) 53

Dissemination of Technology

Farmer-to-farmer transfer of new crop varieties: an empirical analysis on small farms in Uganda, 11 (1994) 43

Distorted Markets

The Calculation of Returns to Research in Distorted Markets, 2 (1988) 291

Distributing Commodities

On the Reform of Rural Supply and Marketing Cooperatives in China, 2 (1988) 73

Distribution

Japan's Large Scale Retail Store Law: a cause of concern for food exporters?, 22 (2000) 55

Diversification

The economics of on-farm processing: model development and an empirical analysis, 18 (1998) 177

Diversion Areas

Implications of the minimum access rice import on supply and demand balance of rice in Japan, 16 (1997) 193

Domestic Demand

Demand for dairy products in Mexico, 16 (1997) 67

Domestic Policies

Effects of international shocks and domestic macroeconomic policies upon Brazilian agriculture, 7 (1992) 317

Domestically Produced Food

The U.S. Demand for Imported and Domestically Produced Foods: An Investigation of Intertemporal and Substitution Effects, 1 (1988) 309

Donors

Food aid, food policy and the Uruguay round: implications for Bangladesh, 15 (1997) 169

Double Hurdle Model

Off-farm work decisions on Dutch cash crop farms and the 1992 and Agenda 2000 CAP reforms, 22 (2000) 163

Drought Compensation

A comparative analysis of water price support versus drought compensation scheme, 21 (1999) 81

Dryland

Transfer of sustainable technology in dryland agriculture: Lessons from the Sahel in the 1980's, 4 (1990) 255

Dryland Agriculture

Estimation and use of risk aversion coefficient for traditional dryland agriculture in western Sudan, 7 (1992) 155

Dual Price Structure

Welfare Effects of Selected Food-grain Policies in India, 4 (1990) 179

Duality Theory

Cap reform: modelling supply response subject to the land set-aside, 17 (1997) 277

Dunkel Package

Implications of agricultural trade liberalization for the developing countries, 8 (1993) 313

Dutch Arable Farms

Off-farm work decisions on Dutch cash crop farms and the 1992 and Agenda 2000 CAP reforms, 22 (2000) 163

Dynamic Adjustment

A Dynamic Adjustment Model for U.S. Agriculture: 1948-79, 2 (1988) 123

Dynamic Optimization

Principles of Dynamic Optimization in Resource Management, 2 (1988) 57

Dynamic Programming

Principles of Dynamic Optimization in Resource Management, 2 (1988) 57

E**East and Central Europe**

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

East Asia

The effects of expenditure growth and urbanisation on food consumption in East Asia: a note on animal products, 18 (1998) 291

Toward the Rural-Based Development of Commerce and Industry: Selected Experiences from East Asia, 21 (1999) 217

East Coast Fever (ECF)

Economic impacts of East Coast Fever immunization on small-holder farms, Kenya: a simulation analysis, 13 (1996) 163

East Java

Nonparametric analysis of technical, pure technical, and scale efficiencies for food crop production in East Java, Indonesia, 15 (1996) 113

EC

What do agricultural income and productivity measurements really mean? 2 (1988) 139

Short-run dynamics of feed ingredient prices facing the EC: a causal analysis, 4 (1990) 351

ECM-AIDS

An error correction almost ideal demand system for meat in Greece, 22 (2000) 29

Ecological Zone

Technical efficiency in paddy farms of Tamil Nadu: an analysis based on farm size and ecological zone, 16 (1997) 185

Econometric model

Impacts of WTO restrictions on subsidized EU sugar exports, 22 (2000) 233

Econometric Research

Frontier production functions and technical efficiency: a survey of empirical applications in agricultural economics, 7 (1992) 185

Economic Development

Role of agriculture in economic development revisited, 8 (1993) 421

Economic Education

Agricultural trade negotiations as a strategic game, 10 (1994) 71

Economic Efficiency

Structural Change and its Impact on Traditional Agricultural Sectors of Rapidly Developing Countries: The Case of Natural Rubber, 1 (1987) 159

A study of economic efficiency of Iranian farmers in Ramjerd district: an application of stochastic programming, 14 (1996) 73

Economic Gains

The economic and financial gains from water markets in Chile, 15 (1997) 187

Economic Growth

On Why Agriculture Declines with Economic Growth, 1 (1987) 195

Ex ante assessment of the returns to livestock disease control in Indonesia, 11 (1994) 83

Population growth, agricultural intensification, induced innovation and natural resource sustainability: An application of neoclassical growth theory, 19 (1998) 99

Export taxes and sectoral economic growth: evidence from cotton and yarn markets in Pakistan, 20 (1999) 263

Economic Policy

A structural time series analysis of US broiler exports, 21 (1999) 295

Economic Surplus and Mathematical Programming Analysis

Agricultural research priority setting under multiple objectives: an example from Zimbabwe, 20 (1999) 277

Economic Viability

Measuring the sustainability and economic viability of tropical farming systems: a model from sub-Saharan Africa, 9 (1993) 279

Economics of Pakistan's Cotton Production

An analysis of industrial–agricultural interactions: a case study in Pakistan, 22 (2000) 17

Economics Research

Cointegration and causality in international agricultural economics research, 20 (1999) 1

Economies of Scale

Cost structure and technical change in rural banking, 8 (1993) 243
Evidence of the empirical relevance of the infant industry argument for the protection of Brazilian ethanol production, 10 (1994) 245

Ecosystem function

Valuing groundwater recharge through agricultural production in the Hadejia-Nguru wetlands in northern Nigeria, 22 (2000) 247

Education

Role of education and extension in the adoption of technology: a study of upland rice and soybean farmers in Central-West Brazil, 5 (1991) 341
Development of agriculture in Ethiopia since the 1975 land reform, 6 (1991) 159
Economic factors affecting human fertility in the developing areas of Southern Africa, 6 (1991) 185
Measurement of cost inefficiency with safety first measure of risk, 11 (1994) 197
Framing the Allais paradox as a daily farm decision problem: tests and explanations, 15 (1997) 155
Structures and processes required for research, higher education and technology transfer in the agricultural sciences: a policy appraisal, 19 (1998) 269
Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasakawa-Global 2000 project, 19 (1998) 341

Educational

Agricultural economics: an educational and research agenda for nations in transition, 12 (1995) 193

Educational Program

Role of information in the adoption of best management practices for water quality improvement, 11 (1994) 159

Efficiency

Regional Cooperation in the Use of Irrigation Water: Efficiency and Income Distribution, 4 (1990) 45
Trade and Development, 8 (1993) 267
Efficiency in agricultural production: the case of peasant farmers in eastern Paraguay, 10 (1994) 27
Managerial form, ownership and efficiency: a case-study of Argentine agriculture, 11 (1994) 289
Equity and efficiency considerations in area versus individual yield insurance, 12 (1995) 23
Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33
Quantifying the socio-economic determinants of sustainable crop production: an application to wheat cultivation in the Tarai of Nepal, 14 (1996) 45

Impacts of trade liberalizations under the Uruguay round on the world sugar market, 15 (1996) 83

Wheat production in Saudi Arabia between feasibility and efficiency, 16 (1997) 35

How to define and study farmers' management capacity: theory and use in agricultural economics, 18 (1998) 261

Efficiency Considerations

Groundwater Management: Efficiency and Equity Considerations, 2 (1988) 1

Efficiency Estimation

Efficiency estimation in a profit maximising model using flexible production function, 10 (1994) 143

Efficient

A Linear Programming Algorithm for Determining Mean-Gini Efficient Farm Plans, 2 (1988) 273

Egypt

Appraising Alternatives for Allocating and Cost Recovery for Irrigation Water in Egypt, 1 (1986) 35

Economic reform and aggregate cropping patterns for Egypt, 17 (1997) 265

Elasticities

International Supply Response, 2 (1988) 365

Agricultural Supply Response: A Survey, 3 (1989) 1

Production costs and input substitution in Zimbabwe's smallholder agriculture, 17 (1997) 201

The effects of expenditure growth and urbanisation on food consumption in East Asia: a note on animal products, 18 (1998) 291

Electricity

Evaluating agricultural energy policies under uncertainty: the case of electricity in South India, 3 (1989) 187

Embedded Risk

Modelling embedded risk in peasant agriculture: methodological insights from northern Malawi, 21 (1999) 191

Empirical Analysis

The economics of on-farm processing: model development and an empirical analysis, 18 (1998) 177

Employment Generation

Income and Employment Generation from Agricultural Processing and Marketing: The Case of Soybean in Indonesia, 1 (1988) 327

Employment Problem

Development of township enterprise and alleviation of the employment problem in rural China, 6 (1992) 201

Endogenous Policy

Least-cost cheap-food policies: some implications of international food aid, 20 (1999) 191

Endogenous Risk

Endogenous risk in weed control management, 14 (1996) 103

Energy Crisis

Effects of the Energy Crisis on French Agriculture between 1974 and 1984, 1 (1987) 259

Energy Policies

Evaluating agricultural energy policies under uncertainty: the case of electricity in South India, 3 (1989) 187

Energy Sector

Extensification of agriculture and deforestation: empirical evidence from Sudan, 10 (1994) 193

Enforcement

The economics of coupled farm subsidies under costly and imperfect enforcement, 22 (2000) 75

Enterprise Budgets

Advanced breakeven analysis of agricultural enterprise budgets, 9 (1993) 127

Environment

Challenges in quantitative economic analysis in support of multi-lateral trade negotiations, 14 (1996) 185

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17

The trade and environment nexus in Mexican agriculture. A general equilibrium analysis, 17 (1997) 115

Induced innovation and land degradation: Results from a bioeconomic model of a village in West Africa, 19 (1998) 15

Environmental Degradation

Principles of stochastic dynamic optimization in resource management: the continuous-time case, 7 (1992) 91

Environmental Policies

Implications of alternative environmental policies on phosphorus load from poultry litter, 13 (1995) 137

The trade and environment nexus in Mexican agriculture. A general equilibrium analysis, 17 (1997) 115

Equilibrium Structure

Dynamic factor demand equations in U.S. and Canadian agriculture, 6 (1992) 251

Equity

Equity and efficiency considerations in area versus individual yield insurance, 12 (1995) 23

Equity Considerations

Groundwater Management: Efficiency and Equity Considerations, 2 (1988) 1

Eradication

Citrus blackfly in Florida: Eradication or bio-control?, 5 (1991) 193

Erosion

Farm productivity in Rwanda: effects of farm size, erosion, and soil conservation investments, 15 (1996) 127

Erosion Control

Economics of erosion-control and seed-fertilizer technologies for hillside farming in Honduras, 11 (1994) 271

Error-correction Model

Testing the induced innovation hypothesis: an error correction model of South African agriculture, 19 (1998) 145

Error-correction Representation

Co-integration and error-correction modelling of agricultural export supply in Cameroon, 20 (1999) 57

Estimation

The estimation of marginal utility of income for application to agricultural policy analysis, 16 (1997) 155

Estimation of Supply Functions

Econometric analysis of expected price formation, 5 (1991) 59

Ethanol Production

Evidence of the empirical relevance of the infant industry argument for the protection of Brazilian ethanol production, 10 (1994) 245

Ethiopia

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Development of agriculture in Ethiopia since the 1975 land reform, 6 (1991) 159

Improvement strategies for farming systems in the Eastern Highlands of Ethiopia, 8 (1992) 57

Intra-annual sheep price patterns and factors underlying price variations in the central highlands of Ethiopia, 8 (1993) 125

Resource allocation and productivity of cereal state farms in Ethiopia, 8 (1993) 187

Efficiency of small-scale farmers in Ethiopia: a case study in the Baso and Warana sub-district, 8 (1993) 199

Production technologies in Ethiopian agriculture, 10 (1994) 179

Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasakawa-Global 2000 project, 19 (1998) 341

Measuring the production efficiency of alternative land tenure contracts in a mixed crop-livestock system in Ethiopia, 20 (1999) 37

Agriculture and economic growth in Ethiopia: growth multipliers from a four-sector simulation model, 20 (1999) 241

The impact of perception and other factors on the adoption of agricultural technology in the Moret and Jiru Woreda (district) of Ethiopia, 21 (1999) 205

Policy instruments for sustainable land management: the case of highland smallholders in Ethiopia, 22 (2000) 217

Europe

Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Gaza

Adoption and abandonment of irrigation technologies, 6 (1992) 315

GDP

Agriculture and economic growth in Ethiopia: growth multipliers from a four-sector simulation model, 20 (1999) 241

General Equilibrium Framework

Effects of Increasing Agricultural Productivity in a Multisectoral Model for the Philippines, 1 (1986) 67

Generalized Armington Model

A generalized Armington trade model: Respecification, 9 (1993) 347

Germplasm

Identifying international rice research spillovers in New South Wales, 17 (1997) 35

Ghana

Cost structure and technical change in rural banking, 8 (1993) 243

Understanding the health and nutritional status of children in Ghana, 17 (1997) 59

Gini Coefficient

Gini's coefficient of mean difference as a measure of adoption speed: theoretical issues and empirical evidence from India, 7 (1992) 351

Gini Decomposition Analysis

Effect of modern rice varieties and irrigation on household income distribution in Nepalese villages, 7 (1992) 245

Global Spillover Matrix

Econometric estimation of a global spillover matrix for wheat varietal technology, 14 (1996) 159

GLS Model

Developing Country Interests in Agricultural Trade Reform, 3 (1989) 169

Goat Sector

A partial adjustment model with rational expectations applied to the goat sector in Greece, 12 (1995) 163

Goats

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193

Price expectations of sheep and goats by producers and intermediaries in Quetta market, Pakistan, 12 (1995) 79

Government Actions

Agricultural policy adjustments in the Korean rice economy, 9 (1993) 335

Government Cost

Food subsidies and market interdependence: the case of the Moroccan soft wheat subsidy, 5 (1991) 325

Government Export Agency

Managing multiple international risks simultaneously with an optimal hedging model, 6 (1991) 21

Government Interventions

The Calculation of Returns to Research in Distorted Markets, 2 (1988) 291

Interaction between livestock and feeds policies: evidence from Southeast Asia, 7 (1992) 25

Intervention bias in agricultural policy, 7 (1992) 209

Impact of eliminating government interventions on China's rice sector, 11 (1994) 71

Evaluation of external market effects and government intervention in Malaysia's agricultural sector: A computable general equilibrium framework, 11 (1994) 237

Government Policies

An Evaluation of Indian Government Rice Policy in Tamil Nadu, 1 (1988) 355

A critical assessment of the political preference function approach in agricultural economics, 7 (1992) 371

Trade and agricultural development in the 1980s and the challenges for the 1990s: Asia, 8 (1993) 345

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Soil conservation and government policies in tropical areas: Does aid worsen the incentives for arresting erosion? 12 (1995) 129

Returns from research in economics with policy distortions: hybrid sorghum in Sudan, 12 (1995) 183

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

Government Pricing Policies

Estimation of dynamic maize supply response in Zambia, 12 (1995) 99

Government Procurement Prices

Demand for food in Myanmar (Burma), 11 (1994) 207

Government Revenue

Wheat and Maize Price Policies in Hungary: Tradeoffs between Foreign Exchange and Government Revenue, 1 (1987) 273

Government Rice Price Policy

Government intervention and market integration in Indonesian rice markets, 19 (1998) 283

Governmental Intervention

Wheat policy and economy-wide reform in Brazil, 20 (1999) 143

Governmental Price

Private irrigation investment in Columbia: effects of violence, macroeconomic policy, and environmental conditions, 16 (1997) 1

Grain

A test of whether millet acreage in Niger is determined by official or private market prices, 4 (1990) 287

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

Potential of China's grain production: evidence from the household data, 17 (1997) 191

Grain Farms

Technological Change in Illinois Agriculture, 1982-1984, 2 (1988) 303

Grain Production

Grain Production and Food Security in Arab Countries, 2 (1988) 39

Trends in China's regional grain production and their implications, 19 (1998) 309

Grape Production

Environmental and economic consequences of technology adoption: IPM in viticulture, 18 (1998) 145

Gravity Model

A gravity model analysis of meat trade policies, 10 (1994) 81

Greece

Price and quantity adjustment in a dual character market: The case of the Greek poultry sector, 6 (1991) 79

A partial adjustment model with rational expectations applied to the goat sector in Greece, 12 (1995) 163

- Unconventional adjustment strategies for rural households in the less developed areas in Greece, 15 (1996) 61

- Adoption of new tobacco varieties in Greece: Impacts of empirical findings on policy design, 19 (1998) 297
- Pass-through of exchange rates and tariffs in Greek–US tobacco trade, 21 (1999) 269
- An error correction almost ideal demand system for meat in Greece, 22 (2000) 29

Green Drachma

- Effects of adjustment of the green drachma to its current exchange rate, 7 (1992) 225

Green Revolution

- 'Second-generation' MVs and the evolution of the Green Revolution: the case of Central Luzon, 1966–60, 10 (1994) 283
- An analysis of population growth, Green Revolution and terms of trade in the presence of cropsharing in agriculture, 11 (1994) 19

Green Revolution Period

- Returns to wheat breeding research in Nepal, 10 (1994) 269

Green Tea

- Econometric analysis of expected price formation, 5 (1991) 59

Gross Margins

- Economic reform and aggregate cropping patterns for Egypt, 17 (1997) 265

Groundnut

- Utilizing conjoint analysis to design modern crop variables: empirical example for groundnut in Niger, 16 (1997) 219

Groundwater

- Implications of alternative environmental policies on phosphorus load from poultry litter, 13 (1995) 137

Groundwater Management

- Groundwater Management: Efficiency and Equity Considerations, 2 (1988) 1

Groundwater recharge

- Valuing groundwater recharge through agricultural production in the Hadejia-Nguru wetlands in northern Nigeria, 22 (2000) 247

Growth

- Agriculture-led growth: foodgrains versus export crops in Madagascar, 9 (1993) 165
- The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17
- Agricultural trade liberalization: growth, welfare and large country effects, 17 (1997) 1
- The interface between growth, trade, pollution and natural resource use in Chile: evidence from an economywide model, 19 (1998) 87

- Trends in China's regional grain production and their implications, 19 (1998) 309

Growth in Agriculture

- Sustaining growth in agriculture: a quantitative review of agricultural research investments, 10 (1994) 107

Growth Multipliers

- Agriculture and economic growth in Ethiopia: growth multipliers from a four-sector simulation model, 20 (1999) 241

Growth Rate

- Labor productivity measurement in Japanese agriculture, 1965–90, 12 (1995) 55

Guaranties

- Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Guinea

- Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Gwembe Valley

- An application of Target MOTAD Model to crop production in Zambia: Gwembe Valley as a case study, 9 (1993) 15

H

Haiti

- Toward farm-based policy analysis: concepts applied in Haiti, 5 (1991) 223

Harvesting Strategy

- Choice of utility function form: its effect on classification or risk preferences and the prediction of farmer decisions, 6 (1992) 333

Hawaii

- Technical, allocative and economic efficiencies in swine production in Hawaii: a comparison of parametric and nonparametric approaches, 20 (1999) 23

Hayami-Herdt Model

- Market Analysis, Technical Change and Income Distribution in Semi-Subsistence Agriculture: the Case of Bangladesh, 1 (1986) 1

Health

- Understanding the health and nutritional status of children in Ghana, 17 (1997) 59

Heckscher-Ohlin Theory

- Examining the Leontief Paradox in U.S. Agricultural Trade, 2 (1988) 259

Hedonic Price Model

Buyer preferences for sheep and goats in southern Nigeria: a hedonic price analysis, 18 (1998) 21

Heteroscedasticity

Estimating random effects production function models with selectivity bias: an application to Swedish crop products, 11 (1994) 171

Higher Energy Prices

Effects of the Energy Crisis on French Agriculture between 1974 and 1984, 1 (1987) 259

High-Income Countries

Demand for cereal grains in Asia: the effect of urbanization, 8 (1993) 107

High-yielding Rice Varieties (HYV)

The impact of floods on the adoption rate of high-yielding rice varieties in Bangladesh, 13 (1996) 179

High-yielding Wheat Varieties

Gini's coefficient of mean difference as a measure of adoption speed: theoretical issues and empirical evidence from India, 7 (1992) 351

Historical Evolution

Some Lessons from the Modelling of the Spanish Rice Market, 1 (1988) 341

Hog Price

Are piglet prices rational hog price forecasts?, 13 (1995) 119

Holding Size

Measurement of cost inefficiency with safety first measure of risk, 11 (1994) 197

Honduras

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Economics of erosion-control and seed-fertilizer technologies for hillside farming in Honduras, 11 (1994) 271

Horticultural Trade

Sources of EC horticultural import growth from developing countries, 10 (1994) 125

Host-plant Resistance

Pesticide productivity, host-plant resistance and productivity in China, 19 (1998) 203

Household

Compensated optimal response under uncertainty in agricultural household models, 11 (1994) 111

Household Consumption

The dynamics of household beef consumption in Cameroon, 14 (1996) 11

Household Decision-making

The impact of agricultural and household technologies on women: a conceptual and quantitative analysis in Burkina Faso, 20 (1999) 203

Household Demand

Separability in farm-household economics: an experiment with linear programming, 10 (1994) 165

Household Goods

Allocation of time for meal preparation in a transition economy, 22 (2000) 173

Household Income

Rural banking in Nigeria: Empirical evidence of indicative policy variables from Anambra State, 7 (1992) 13

Technology, production environment, and household income: Assessing the regional impacts of technological change, 10 (1994) 219

Household models

Policy instruments for sustainable land management: the case of highland smallholders in Ethiopia, 22 (2000) 217

Household Production Technology

Allocation of time for meal preparation in a transition economy, 22 (2000) 173

Human Capital

Differential human capital and structural evolution in agriculture, 11 (1994) 1

Impacts of FFW on nutrition in rural Kenya, 11 (1994) 301

Human Fertility

Economic factors affecting human fertility in the developing areas of Southern Africa, 6 (1991) 185

Human Organization

World agricultural development - The paradox of human organization, 18 (1998) 209

Hunan Province

Impact of hybrid rice on input demand and productivity, 10 (1994) 153

Hungary

Wheat and Maize Price Policies in Hungary: Tradeoffs between Foreign Exchange and Government Revenue, 1 (1987) 273

Hybrid Rice

Impact of hybrid rice on input demand and productivity, 10 (1994) 153

Hybrid Rice Production

Efficiency and technical progress in traditional and modern agriculture: evidence from rice production in China, 18 (1998) 157

HYV Adoption

Impact of Risk on HYV Adoption in Bangladesh, 2 (1988) 167

HYV (High Yielding varieties)

Market Analysis, Technical Change and Income Distribution in Semi-Subsistence Agriculture: the Case of Bangladesh, 1 (1986) 1

Fertilizer in Indonesian Agriculture: the Subsidy Issue, 3 (1989) 49

I**Illinois**

Technological Change in Illinois Agriculture, 1982-1984, 2 (1988) 303

Income risk and farm consumption behavior, 20 (1999) 173

Ilorin

An economic choice for extension-teaching methods: the Ilorin and Oyo North Agricultural Development Projects' experience, 4 (1990) 229

Immunization

Economic impacts of East Coast Fever immunization on small-holder farms, Kenya: a simulation analysis, 13 (1996) 163

Impact

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results: A comment, 21 (1999) 19

The impact of prices and macroeconomic policies on agricultural supply: a reply, 21 (1999) 323

Impediment

Role of agriculture in economic development revisited, 8 (1993) 421

Imperfect Competition

Assessing the effects of tariff reform on U.S. food manufacturing industries: the role of imperfect competition and intermediate inputs, 14 (1996) 201

Imperfect competition, functional forms, and the size and distribution of research benefits, 21 (1999) 155

Imperfect Market

Measuring research benefits in an imperfect market, 10 (1994) 89

Measuring research benefits in an imperfect market, 13 (1996) 201

Reply: Measuring research benefits in an imperfect market, 13 (1996) 205

Production efficiency of Chinese agriculture: evidence from rural household survey data, 15 (1996) 17

Implementing

Agreement on agriculture in the Uruguay round of GATT: from Punta del Este to Marrakesh, 15 (1996) 29

Implication for Profits

Crop Selection and Implications for Profits and Wind Erosion in a Semi-Arid Environment, 2 (1988) 319

Implications

Meat and milk self-sufficiency in Asia: forecast trends and implications, 21 (1999) 21

Implications of trade reform for agricultural markets in northeast Asia: a Korean example, 21 (1999) 309

Import Demand

An economic analysis of U.S. vital wheat gluten imports, 7 (1992) 65

Demand for dairy products in Mexico, 16 (1997) 67

Import Growth

Sources of EC horticultural import growth from developing countries, 10 (1994) 125

Importation of Technology

Econometric estimation of a global spillover matrix for wheat varietal technology, 14 (1996) 159

Imported Food

The U.S. Demand for Imported and Domestically Produced Foods: An Investigation of Intertemporal and Substitution Effects, 1 (1988) 309

Imports

Effect of Sugar Price Policy on U.S. Imports of Processed Sugar-containing Foods, 3 (1989) 131

United States Demand for Coffee Imports, 3 (1989) 147

Testing two trade models in Latin American agriculture, 10 (1994) 49

Impacts of official development assistance on agricultural growth, savings and agricultural imports, 11 (1994) 99

Impact of domestic content requirement on the US tobacco and cigarette industries, 15 (1997) 201

Dynamic adjustment in the US beef market with imports, 17 (1997) 21

Improve Identification

The zip (postal) code difference: methods to improve identification of rural subgroups, 5 (1991) 253

Improved Efficiency

Impacts of feed ingredient subsidy removal and concurrent trade liberalization in Tunisia, 7 (1992) 331

Improved Pasture

Investigating improved pasture productivity change on the New South Wales tablelands, 18 (1998) 63

Improvement Strategies

Improvement strategies for farming systems in the Eastern Highlands of Ethiopia, 8 (1992) 57

Impure Public Goods

The organization of agricultural research in western developed countries, 21 (1999) 1

Inadequate Pest Control

Application of stochastic dominance criteria to evaluate bean production strategies in Central Province, Zambia, 7 (1992) 289

Laboratory Experiments

Analysis of Uncertainty as Opposed to Risk: An Experimental Approach, 4 (1990) 145

Labour

Labour on the Family Farm: a Theory under Uncertainty, 1 (1988) 365

Labour-Input Decisions

Labour on the Family Farm: a Theory under Uncertainty, 1 (1988) 365

Labour-Related Trends

Labour-Related Structural Trends in South African Maize Production, 1 (1987) 241

Lamb

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

Land

Productivity of Agricultural Labour and Land: An International Comparison, 4 (1990) 1

Land Abundance

Sources of agricultural productivity growth and stagnation in sub-Saharan Africa, 13 (1995) 51

Land Allocation

Production technologies in Ethiopian agriculture, 10 (1994) 179
Estimation of farmers' risk attitude: an economic approach, 17 (1997) 211

Land Collateral

Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Land Constraints

Impacts of capital and land constraints on the economics of new livestock technology in western Kenya, 6 (1992) 353

Land Degradation

Impact and implications of price policy and land degradation on agricultural growth in developing countries, 5 (1991) 311
Resource degradation and adoption of land conservation technologies in the Ethiopian Highlands: A case study in Andit Tid, North Shewa, 18 (1998) 233
Policy instruments for sustainable land management: the case of highland smallholders in Ethiopia, 22 (2000) 217

Land Distribution

Production technologies in Ethiopian agriculture, 10 (1994) 179

Land Endowments

Changing Agricultural Comparative Advantage, 1 (1987) 97

Land Fragmentation

Impacts of land fragmentation of the cost of producing wheat in the rain-fed region of northern Jordan, 11 (1994) 191

Land Productivity

Farm productivity in Rwanda: effects of farm size, erosion, and soil conservation investments, 15 (1996) 127

Land Quality

Soil conservation and government policies in tropical areas: Does aid worsen the incentives for arresting erosion? 12 (1995) 129

Land Reform

Development of agriculture in Ethiopia since the 1975 land reform, 6 (1991) 159
Restructuring of traditional farms and new land relations in Russia, 13 (1995) 11
Restructuring of traditional farms and new land relations in Ukraine, 13 (1995) 27

Land Sales Restrictions

The effects of land sales restrictions: evidence from south India, 21 (1999) 279

Land Set-aside

Cap reform: modelling supply response subject to the land set-aside, 17 (1997) 277

Land Size

Potential of China's grain production: evidence from the household data, 17 (1997) 191

Land Tenure

Tenure, land rights, and farmer investment incentives in China, 19 (1998) 63

Land Tenure Contracts

Measuring the production efficiency of alternative land tenure contracts in a mixed crop-livestock system in Ethiopia, 20 (1999) 37

Land Titling Programs

The effects of land sales restrictions: evidence from south India, 21 (1999) 279

Landscape Preservation

Agriculture as a provider of public goods: a case study for Norway, 13 (1995) 39

Large Country Effects

Agricultural trade liberalization: growth, welfare and large country effects, 17 (1997) 1

Latin America

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Testing two trade models in Latin American agriculture, 10 (1994) 49

Law of One Price (LOP)

Empirically Testing the Law of One Price in an International Commodity Market: A Rational Expectations Application to the Natural Rubber Market, 4 (1990) 165

The law of one price: a test based on prices for selected inputs in New Zealand agriculture, 10 (1994) 297

Lean Pork

Willingness to pay for pST-treated pork, 8 (1992) 45

Leasing

Multiple Leasing under Cropshare Tenancy – A Note, 4 (1990) 91

Legislative Changes

Emerging differences in state grain trading: Australia and Canada, 16 (1997) 87

Legislators

Farmers and the U.S. Congress: rethinking basic institutional assumptions about agricultural policy, 11 (1994) 125

Leisure

Estimation of farmers' risk attitude: an economic approach, 17 (1997) 211

Leontief Paradox

Examining the Leontief Paradox in U.S. Agricultural Trade, 2 (1988) 259

Less Developed Countries

Welfare implications of a preferential tariff reduction for agricultural exports from less developed countries vs. a generalized tariff reduction, 3 (1989) 23

Relationship between agricultural growth and farm imports in LDCs: a Sims' causality test based on 35 countries, 7 (1992) 341

Less Profitable

From weed to wealth? Prospects for medic pastures in the Mediterranean farming system of north-west Syria, 11 (1994) 29

Liberalization

Challenges in quantitative economic analysis in support of multi-lateral trade negotiations, 14 (1996) 185

Four case studies of agri-food CVDs and a proposal for reforming national administered protection agencies, 17 (1997) 147

Transmission of price shifts in the context of structural adjustment: An empirical analysis for staple food after the devaluation of the franc CFA in Ivory Coast, 22 (2000) 67

Liberalization Policies

Marketing reforms, market development and agricultural production in China, 17 (1997) 95

Linear Programming

Nearly optimal linear programming as a guide to agricultural planning, 8 (1992) 1

Improvement strategies for farming systems in the Eastern Highlands of Ethiopia, 8 (1992) 57

Separability in farm-household economics: an experiment with linear programming, 10 (1994) 165

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Impacts of FFW on nutrition in rural Kenya, 11 (1994) 301

Induced innovation and land degradation: Results from a bioeconomic model of a village in West Africa, 19 (1998) 15

Linear Programming Algorithm

A Linear Programming Algorithm for Determining Mean-Gini Efficient Farm Plans, 2 (1988) 273

Linear Programming Model

Appraising Alternatives for Allocating and Cost Recovery for Irrigation Water in Egypt, 1 (1986) 35

Linear Programming Transshipment Model

Spatial Organization of Marketing Facilities in Developing Countries: A Case Study of Oilseeds in Sudan, 1 (1987) 209

Linkages

Modeling inter-sectoral growth linkages: An application to U.S. agriculture, 21 (1999) 131

Livestock

Impacts of capital and land constraints on the economics of new livestock technology in western Kenya, 6 (1992) 353

Interaction between livestock and feeds policies: evidence from Southeast Asia, 7 (1992) 25

Livestock pricing policy in sub-Saharan Africa: objectives, instruments and impact in five countries, 8 (1993) 139

Challenges of trade and agricultural development for East/Central Europe and states of the former USSR, 8 (1993) 401

Ex ante assessment of the returns to livestock disease control in Indonesia, 11 (1994) 83

Investigating improved pasture productivity change on the New South Wales tablelands, 18 (1998) 63

Loan Collateral

Collateral, Guaranties and Rural Credit in Developing Countries: Evidence from Asia, 2 (1988) 231

Local labor markets

Estimating labor supply of farm households under nonseparability: empirical evidence from Nepal, 22 (2000) 309

Long-Run

International Supply Response, 2 (1988) 365

Value of information on crop response function to soil salinity in a farm-level optimization model, 10 (1994) 233

The law of one price: a test based on prices for selected inputs in New Zealand agriculture, 10 (1994) 297

Long-Run Demand

Derivation of long-run factor demands from short-run responses, 3 (1989) 213

Long-Run Outputs

Allocable fixed inputs as a cause of joint production: an empirical investigation, 7 (1992) 109

Long-Run Tariff Rates

Economic issues in tariffication: an overview, 5 (1991) 101

Low Farm Incomes

Differential human capital and structural evolution in agriculture, 11 (1994) 1

Low Fertility

Application of stochastic dominance criteria to evaluate bean production strategies in Central Province, Zambia, 7 (1992) 289

Low Income Countries

Demand for cereal grains in Asia: the effect of urbanization, 8 (1993) 107

Redistribution of social benefits from advances in extension and research in the Tanzanian maize industry, 21 (1999) 231

Lowering Tariffs

Differentiated products and supply controls in the analysis of agricultural policy reform: the case of tobacco, 7 (1992) 301

M**Machinery**

Resource allocation and productivity of cereal state farms in Ethiopia, 8 (1993) 187

Macroeconomic Policies

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 21 (1999) 19

The impact of prices and macroeconomic policies on agricultural supply: a reply, 21 (1999) 323

Macroeconomic Policy

Macroeconomic Policy Impacts on United States Agriculture: A Simulation Analysis, 1 (1988) 291

Madagascar

Agriculture-led growth: foodgrains versus export crops in Madagascar, 9 (1993) 165

The effects of real exchange rate depreciation on stochastic producer prices in low-income agriculture, 20 (1999) 215

Maize

Wheat and Maize Price Policies in Hungary: Tradeoffs between Foreign Exchange and Government Revenue, 1 (1987) 273

Risk analysis of new maize technology in Zaire: a portfolio approach, 9 (1993) 203

Maize acreage response under differential prices in the Republic of Benin, West Africa, 9 (1993) 215

Peasant household modelling: farming systems evolution and sustainability in northern Zambia, 9 (1993) 241

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

Planting strategies of maize farmers in Kenya: a simultaneous equations analysis in the presence of discrete dependent variables, 15 (1996) 137

Stochastic dominance analysis of on-farm trial data: The riskiness of alternative phosphate sources in Burkina Faso, 15 (1997) 213

Market access by smallholder farmers in Malawi: implications for technology adoption, agricultural productivity and crop income, 19 (1998) 219

Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasa-kawa-Global 2000 project, 19 (1998) 341

Maize Market

Empirical testing of alternative price spread models in the South African maize markets, 6 (1991) 49

Maize Production

Labour-Related Structural Trends in South African Maize Production, 1 (1987) 241

Maize Supply

Estimation of dynamic maize supply response in Zambia, 12 (1995) 99

Malawi

Malawi's Agricultural Development: A Success Story? 3 (1989) 99

Gendered impacts of fertilizer subsidy removal programs in Malawi and Cameroon, 7 (1992) 141

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

Market access by smallholder farmers in Malawi: implications for technology adoption, agricultural productivity and crop income, 19 (1998) 219

Modelling embedded risk in peasant agriculture: methodological insights from northern Malawi, 21 (1999) 191

Malaysia

Evaluation of external market effects and government intervention in Malaysia's agricultural sector: A computable general equilibrium framework, 11 (1994) 237

Mali

Soil and Moisture Management in Mali: A Case Study Analysis for West Africa, 2 (1988) 209

Technology, market policies and institutional reform for sustainable land use in southern Mali, 19 (1998) 53

Welfare impacts of technological change on women in southern Mali, 19 (1998) 73

Management

A Note on Private Farm Management Consulting Services: The Case of Argentina, 2 (1988) 335

Management Assistance

Understanding farmers' decision making processes and improving managerial assistance, 18 (1998) 273

Management Capacity

How to define and study farmers' management capacity: theory and use in agricultural economics, 18 (1998) 261

Management Practices

Role of information in the adoption of best management practices for water quality improvement, 11 (1994) 159

Managerial Efficiency

Managerial efficiency under risk for broiler producers in Saudi Arabia, 20 (1999) 69

Managerial Form

Managerial form, ownership and efficiency: a case-study of Argentine agriculture, 11 (1994) 289

Mangrove Swamp Rice

Technology characteristics, farmers' perceptions and adoption decisions: A Tobit model application in Sierra Leone, 9 (1993) 297

Marginal Excess Burden

Canadian dairy policy and the returns to federal dairy cattle research, 6 (1992) 267

Marginal Utility

The estimation of marginal utility of income for application to agricultural policy analysis, 16 (1997) 155

Market Access

Market access by smallholder farmers in Malawi: implications for technology adoption, agricultural productivity and crop income, 19 (1998) 219

Market Development

Marketing reforms, market development and agricultural production in China, 17 (1997) 95

Market Efficiency

The market efficiency hypothesis: the case of coffee and cocoa futures, 16 (1997) 171

Market Failures

Returns from research in economics with policy distortions: hybrid sorghum in Sudan, 12 (1995) 183
Agriculture as a provider of public goods: a case study for Norway, 13 (1995) 39

Market Imperfections

Measuring research benefits in an imperfect market: second comment, 22 (2000) 123

Measuring research benefits in an imperfect market: second reply, 22 (2000) 127

Measuring research benefits in an imperfect market: reply to Holloy, 22 (2000) 129

Market Inefficiency

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193

Market Integration

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

Seasonality and spatial integration in agricultural (product) markets, 20 (1999) 253

Market Liberalization

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

Market Opportunity

Japan's peanut import demand: implications for United States exports, 11 (1994) 51

Market Prices

Market Price Response of World Rice Research, 3 (1989) 333

Demand for food in Myanmar (Burma), 11 (1994) 207

Market Reform

Liberalization of agricultural input markets in Bangladesh: process, impact, and lessons, 12 (1995) 115

Potential of China's grain production: evidence from the household data, 17 (1997) 191

Market Segmentation

Segmentation in the informal credit markets: the case of the Philippines, 12 (1995) 171

Market Shares

Modeling international trade flows and market shares for agricultural commodities: a modified Armington procedure for rice, 4 (1990) 315

Market System

Value of moving from central planning to a market system: lessons from the Israeli water sector, 12 (1995) 11

Marketing Boards

Expectations, supply response, and marketing boards: An example from Kenya, 14 (1996) 21

Marketing Facilities

Spatial Organization of Marketing Facilities in Developing Countries: A Case Study of Oilseeds in Sudan, 1 (1987) 209

Markup

A markup over average cost pricing rule for meat and poultry in the United States, 8 (1993) 227

Marrakesh

Agreement on agriculture in the Uruguay round of GATT: from Punta del Este to Marrakesh, 15 (1996) 29

Marshallian

Transactional framework of sharecropping: empirical evidence, 18 (1998) 47

Matabeleland South

Effects of household size and composition on consumption in rural households in Matabeleland South, Zimbabwe, 11 (1994) 335

Matrices

Estimating feed utilisation matrices using a cost function approach, 9 (1993) 109

Maximize Returns

The West Bank olive Market, 5 (1991) 153

Maximum Likelihood

Components of the wholesale bid-ask spread and the structure of grain markets: the case of rice in India, 21 (1999) 173

Mean-Gini

A Linear Programming Algorithm for Determining Mean-Gini Efficient Farm Plans, 2 (1988) 273

Mean-Variance

A Linear Programming Algorithm for Determining Mean-Gini Efficient Farm Plans, 2 (1988) 273

Mean-Variance (E-V) Analysis

Simplified Risk Analysis in Agricultural Extension, 1 (1988) 381

Meat

A gravity model analysis of meat trade policies, 10 (1994) 81
The demand for meat and fish in Spain: Urban and rural areas, 19 (1998) 359

Meat and Milk

Meat and milk self-sufficiency in Asia: forecast trends and implications, 21 (1999) 21

Meat Demand

Estimating preference change in meat demand in Saudi Arabia, 12 (1995) 91

An error correction almost ideal demand system for meat in Greece, 22 (2000) 29

Meat Import Demand

A generalized Armington trade model: Respecification, 9 (1993) 347

Meat Production

A partial adjustment model with rational expectations applied to the goat sector in Greece, 12 (1995) 163

Mechanical Technology

Induced technical change in centrally planned economics, 6 (1992) 301

Medic Pastures

From weed to wealth? Prospects for medic pastures in the Mediterranean farming system of north-west Syria, 11 (1994) 29

Mediterranean Farming System

From weed to wealth? Prospects for medic pastures in the Mediterranean farming system of north-west Syria, 11 (1994) 29

Methodological Defects

Relationship between agricultural growth and farm imports in LDCs: a Sims' causality test based on 35 countries, 7 (1992) 341

Mexican Dwarf Wheat

Spillover Effects of International Agricultural Research: CIM-MYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Mexico

Evaluating the economic impact of quality-reducing, seed-borne diseases: Lessons from Karnal bunt of wheat, 6 (1992) 345
Demand for dairy products in Mexico, 16 (1997) 67
The trade and environment nexus in Mexican agriculture. A general equilibrium analysis, 17 (1997) 115

Microeconomics

The microeconomics of the developmental paradox: on the political economy of food price policy, 20 (1999) 159

Middlemen

Middlemen and peasants in rice marketing in the Philippines, 20 (1999) 79

Migration

Differential human capital and structural evolution in agriculture, 11 (1994) 1

Milk

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Milk Production

A partial adjustment model with rational expectations applied to the goat sector in Greece, 12 (1995) 163

Milk Productivity

Credit constraints and smallholder dairy production in the East African highlands: application of a switching regression model, 19 (1998) 33

Natural Resources

The interface between growth, trade, pollution and natural resource use in Chile: evidence from an economywide model, 19 (1998) 87

Natural Resource Management

Principles of stochastic dynamic optimization in resource management: the continuous-time case, 7 (1992) 91

Natural Resource Sustainability

Population growth, agricultural intensification, induced innovation and natural resource sustainability: An application of neoclassical growth theory, 19 (1998) 99

Nearly Optimal Solutions

Nearly optimal linear programming as a guide to agricultural planning, 8 (1992) 1

Negative Effects

Inefficiency due to tenancy protection: a new tenure problem in Taiwan, 5 (1991) 121

Negative Elasticities

Inflation, capital markets and the supply of beef, 9 (1993) 145

Nepal

Effect of modern rice varieties and irrigation on household income distribution in Nepalese villages, 7 (1992) 245
Returns to wheat breeding research in Nepal, 10 (1994) 269

Quantifying the socio-economic determinants of sustainable crop production: an application to wheat cultivation in the Tarai of Nepal, 14 (1996) 45

Estimating labor supply of farm households under nonseparability: empirical evidence from Nepal, 22 (2000) 309

Net Returns

Soil conservation and government policies in tropical areas: Does aid worsen the incentives for arresting erosion? 12 (1995) 129

New Crop Species

A conceptual framework of adoption of an agricultural innovation, 21 (1999) 145

New Crop Varieties

Farmer-to-farmer transfer of new crop varieties: an empirical analysis on small farms in Uganda, 11 (1994) 43

New South Wales

Identifying international rice research spillovers in New South Wales, 17 (1997) 35
Investigating improved pasture productivity change on the New South Wales tablelands, 18 (1998) 63

New Technology

Toward farm-based policy analysis: concepts applied in Haiti, 5 (1991) 223
Impacts of capital and land constraints on the economics of new livestock technology in western Kenya, 6 (1992) 353
Risk analysis of new maize technology in Zaire: a portfolio approach, 9 (1993) 203
Measuring the sustainability and economic viability of tropical farming systems: a model from sub-Saharan Africa, 9 (1993) 279

New Tobacco Varieties

Adoption of new tobacco varieties in Greece: Impacts of empirical findings on policy design, 19 (1998) 297

New York

Multiple job holdings among dairy farm families in New York and Ontario, 18 (1998) 127

New Zealand

Mix and sequencing of economywide and agricultural reforms: Chile and New Zealand, 8 (1993) 295
The law of one price: a test based on prices for selected inputs in New Zealand agriculture, 10 (1994) 297

Niger

A Risk Responsive Acreage Response Function for Millet in Niger, 1 (1987) 229
A test of whether millet acreage in Niger is determined by official or private market prices, 4 (1990) 287
Peasant farmer behavior and cereal technologies: Stochastic programming analysis in Niger, 5 (1991) 21

Modelling stochastic crop response to fertilisation when carry-over matters, 6 (1991) 97

Utilizing conjoint analysis to design modern crop variables: empirical example for groundnut in Niger, 16 (1997) 219

Nigeria

An economic choice for extension-teaching methods: the Ilorin and Oyo North Agricultural Development Projects' experience, 4 (1990) 229

Rural banking in Nigeria: Empirical evidence of indicative policy variables from Anambra State, 7 (1992) 13

Buyer preferences for sheep and goats in southern Nigeria: a hedonic price analysis, 18 (1998) 21

Nonfarm Growth

Agricultural Technology and Farm–Nonfarm Growth Linkages, 3 (1989) 345

Non-parametric

Farm-level nonparametric analysis of cost-minimization and profit-maximization behavior, 13 (1995) 109

Non-parameteric Analysis

The demand for food and beverages in Norway, 18 (1998) 89

Non-price Competition

Sources of EC horticultural import growth from developing countries, 10 (1994) 125

Non-Seed-Borne Disease

Evaluating the economic impact of quality-reducing, seed-borne diseases: Lessons from Karnal bunt of wheat, 6 (1992) 345

Nonseparability

Estimating labor supply of farm households under nonseparability: empirical evidence from Nepal, 22 (2000) 309

Non-Tariff Barriers (NTB)

Economic issues in tariffication: an overview, 5 (1991) 101

Japan's Large Scale Retail Store Law: a cause of concern for food exporters? 22 (2000) 55

Non-tradable

Does Agricultural Growth in Poor countries Harm Agricultural-Exporting Rich Countries? 3 (1989) 309

Non-tradable Goods

On Why Agriculture Declines with Economic Growth, 1 (1987) 195

Normal Good

The dynamics of household beef consumption in Cameroon, 14 (1996) 11

Northeast Asia

Implications of trade reform for agricultural markets in northeast Asia: a Korean example, 21 (1999) 309

Northern Europe

Are piglet prices rational hog price forecasts? 13 (1995) 119

Northern Thailand

Risk-Taking Preferences of Farmers in Northern Thailand: Measurements and Implications, 1 (1987) 127

North-west Syria

From weed to wealth? Prospects for medic pastures in the Mediterranean farming system of north-west Syria, 11 (1994) 29

Norway

Agriculture as a provider of public goods: a case study for Norway, 13 (1995) 39

Nutrition

Impacts of FFW on nutrition in rural Kenya, 11 (1994) 301

Nutritional Security

Prospects for food security in the 21st Century: with special emphasis on Africa, 20 (1999) 95

Nutritional Status

Understanding the health and nutritional status of children in Ghana, 17 (1997) 59

O

Objective

Sense Sustainability: Sustainability as an Objective in International Agricultural Research, 3 (1989) 381

Occupational Specialization

Segmentation in the informal credit markets: the case of the Philippines, 12 (1995) 171

OECD Counties

Rural employment in industrialised countries, 22 (2000) 185

Off-farm Labor Income

Off-farm work decisions on Dutch cash crop farms and the 1992 and Agenda 2000 CAP reforms, 22 (2000) 163

Off-farm Work

Farmers' time allocation between farm and work and off-farm work and the importance of unobserved group effects: evidence from Israeli cooperatives, 14 (1996) 135

Family farm dynamics in Canada and Israel: the case of farm exits, 21 (1999) 69

Off-farm Work Participation

Off-farm work decisions on Dutch cash crop farms and the 1992 and Agenda 2000 CAP reforms, 22 (2000) 163

Official Market Prices

A test of whether millet acreage in Niger is determined by official or private market prices, 4 (1990) 287

Oilseeds

Spatial Organization of Marketing Facilities in Developing Countries: A Case Study of Oilseeds in Sudan, 1 (1987) 209

Short-run dynamics of feed ingredient prices facing the EC: a causal analysis, 4 (1990) 351

Analysis of USA–European Community oilseeds agreements, 15 (1996) 97

Olive Market

The West Bank olive Market, 5 (1991) 153

One Building

A decision support system for strategic planning on pig farms, 13 (1995) 101

One Loan

A decision support system for strategic planning on pig farms, 13 (1995) 101

On-Farm Processing

The economics of on-farm processing: model development and an empirical analysis, 18 (1998) 177

On-Farm Research (OFR)

Toward farm-based policy analysis: concepts applied in Haiti, 5 (1991) 223

On-Farm Technology

Water conveyance, return flows and technology choice, 19 (1998) 181

Ontario

Equity and efficiency considerations in area versus individual yield insurance, 12 (1995) 23

Multiple job holdings among dairy farm families in New York and Ontario, 18 (1998) 127

Modeling the demand for alcoholic beverages and advertising specifications, 22 (2000) 147

Optimal Allocation

Value of moving from central planning to a market system: lessons from the Israeli water sector, 12 (1995) 11

Optimal Consumption

Compensated optimal response under uncertainty in agricultural household models, 11 (1994) 111

Optimal Control Theory

An application of optimal control theory to agricultural policy analysis, 4 (1990) 335

Optimal Crop Combinations

Risk preference and optimal crop combinations in upland Java, Indonesia: an application of stochastic programming, 5 (1991) 39

Optimal Cropping Patterns

An application of Target MOTAD Model to crop production in Zambia: Gwembe Valley as a case study, 9 (1993) 15

Optimal Decentralization

The organization of agricultural research in western developed countries, 21 (1999) 1

Optimal Farm Plan

Estimation and use of risk aversion coefficient for traditional dry-land agriculture in western Sudan, 7 (1992) 155

Optimal Growth Model

A test of the underinvestment, myopia and commodity bias hypotheses for U.S. agricultural research, 4 (1990) 209

Optimal Herbicide Rate

A stochastic dynamic programming framework for weed control decision making: an application to *Avena fatua* L., 6 (1991) 115

Optimal Investment

Technical change and irreversible investment under risk, 16 (1997) 55

Optimal Risk Sharing

Landlords and farmers: implications, 12 (1995) 151

Optimal Solution

Agriculture as a provider of public goods: a case study for Norway, 13 (1995) 39

Optimal Tactical Adjustments

Tactical responses to seasonal conditions in whole-farm planning in Western Australia, 8 (1993) 211

Ordered Probit

The impact of perception and other factors on the adoption of agricultural technology in the Moret and Jiru Woreda (district) of Ethiopia, 21 (1999) 205

Ordinal Logit Models

Resource degradation and adoption of land conservation technologies in the Ethiopian Highlands: A case study in Andit Tid, North Shewa, 18 (1998) 233

Organic Agriculture

Conversion subsidies for organic production: results from Sweden and lessons for the United States, 22 (2000) 133

Ouagadougou

Household Food Demand in Burkina Faso: Implications for Food Policy, 2 (1988) 345

Output

Livestock pricing policy in sub-Saharan Africa: objectives, instruments and impact in five countries, 8 (1993) 139

Output Expansion

Modeling inter-sectoral growth linkages: An application to U.S. agriculture, 21 (1999) 131

Output Price

Labour on the family farm: a theory under uncertainty – an extension, 8 (1992) 33

Advanced breakeven analysis of agricultural enterprise budgets, 9 (1993) 127

Output Response

An analysis of U.S. Aggregate Output Response by Farm Size, 5 (1991) 1

Overproduction

Analysis of USA–European Community oilseeds agreements, 15 (1996) 97

Oyo North

An economic choice for extension-teaching methods: the Ilorin and Oyo North Agricultural Development Projects' experience, 4 (1990) 229

P**Pacific Basin**

Structural Variations of Agriculture in the Pacific, 1 (1987) 113

Paddy Crops

Agriculture-led growth: foodgrains versus export crops in Madagascar, 9 (1993) 165

Paddy Farm

Technical efficiency in paddy farms of Tamil Nadu: an analysis based on farm size and ecological zone, 16 (1997) 185

Paddy Field Agriculture System

Changes of the rice distribution and the functions of the food control system in Japan, 7 (1992) 39

Pakistan

Measuring Benefits to Operation and Maintenance Expenditure in the Canal Irrigation System of Pakistan: A Simulation Analysis, 3 (1989) 199

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Effects of pricing policy on seasonal storage of wheat in Pakistan, 5 (1991) 135

Impacts of the training and visit extension system on farmers' knowledge and adoption of technology: Evidence from Pakistan, 10 (1994) 39

Price expectations of sheep and goats by producers and intermediaries in Quetta market, Pakistan, 12 (1995) 79

National agricultural commodity research priorities for Pakistan, 19 (1998) 327

Export taxes and sectoral economic growth: evidence from cotton and yarn markets in Pakistan, 20 (1999) 263

Palm Oil

Evaluation of external market effects and government intervention in Malaysia's agricultural sector: A computable general equilibrium framework, 11 (1994) 237

Paraguay

Efficiency in agricultural production: the case of peasant farmers in eastern Paraguay, 10 (1994) 27

Pass-through

Pass-through of exchange rates and tariffs in Greek–US tobacco trade, 21 (1999) 269

Peanut Import

Japan's peanut import demand: implications for United States exports, 11 (1994) 51

Peasant Agriculture

Resource degradation and adoption of land conservation technologies in the Ethiopian Highlands: A case study in Andit Tid, North Shewa, 18 (1998) 233

Modelling embedded risk in peasant agriculture: methodological insights from northern Malawi, 21 (1999) 191

Policy instruments for sustainable land management: the case of highland smallholders in Ethiopia, 22 (2000) 217

Peasant Crop

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Peasant Farmers

Peasant farmer behavior and cereal technologies: Stochastic programming analysis in Niger, 5 (1991) 21

Efficiency in agricultural production: the case of peasant farmers in eastern Paraguay, 10 (1994) 27

Peasants

Peasant household modelling: farming systems evolution and sustainability in northern Zambia, 9 (1993) 241

Middlemen and peasants in rice marketing in the Philippines, 20 (1999) 79

Perceptions

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

The impact of perception and other factors on the adoption of agricultural technology in the Moret and Jiru Woreda (district) of Ethiopia, 21 (1999) 205

Perfect Competition

Measuring research benefits in an imperfect market, 13 (1996) 201

Reply: Measuring research benefits in an imperfect market, 13 (1996) 205

Performance

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Pest resistance

'Second-generation' MVs and the evolution of the Green Revolution: the case of Central Luzon, 1966-60, 10 (1994) 283

Pesticide Use

Environmental and economic consequences of technology adoption: IPM in viticulture, 18 (1998) 145

Impacts of price and exchange rate policies on pesticide use in the Philippines, 18 (1998) 167

Pesticides

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Further evidence on pesticides, productivity and farmer health: Potato production in Ecuador, 18 (1998) 199

Pesticide productivity, host-plant resistance and productivity in China, 19 (1998) 203

Philippines

Effects of Increasing Agricultural Productivity in a Multisectoral Model for the Philippines, 1 (1986) 67

Modern rice technology and regional wage differentials in the Philippines, 4 (1990) 297

Segmentation in the informal credit markets: the case of the Philippines, 12 (1995) 171

Consumption risk, farm characteristics, and soil conservation adoption among low-income farmers in the Philippines, 17 (1997) 165

Impacts of price and exchange rate policies on pesticide use in the Philippines, 18 (1998) 167

Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Middlemen and peasants in rice marketing in the Philippines, 20 (1999) 79

Risks and returns from soil conservation: evidence from low-income farms in the Philippines, 21 (1999) 53

Phosphorus Loading

Implications of alternative environmental policies on phosphorus load from poultry litter, 13 (1995) 137

Pig Farms

A decision support system for strategic planning on pig farms, 13 (1995) 101

Piglet Price

Are piglet prices rational hog price forecasts?, 13 (1995) 119

Plant Breeding

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Plant Breeding Institute

The rise and fall of public sector plant breeding in the United Kingdom: a causal chain model of basic and applied research and diffusion, 19 (1998) 127

Plant Growth

Modelling stochastic crop response to fertilisation when carry-over matters, 6 (1991) 97

Policy

Impact of domestic content requirement on the US tobacco and cigarette industries, 15 (1997) 201

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17

Implications of the minimum access rice import on supply and demand balance of rice in Japan, 16 (1997) 193

Returns to smallholder dairying in the Kilimanjaro region, Tanzania, 17 (1997) 75

The economics of on-farm processing: model development and an empirical analysis, 18 (1998) 177

Structures and processes required for research, higher education and technology transfer in the agricultural sciences: a policy appraisal, 19 (1998) 269

The performance of Botswana's traditional arable agriculture: growth rates and the impact of the accelerated rainfed arable programme (ARAP), 20 (1999) 121

Policy Adjustments

Agricultural policy adjustments in the Korean rice economy, 9 (1993) 335

Policy Analysis Matrix

Policy and competitiveness of agroforestry-based technologies for maize production in Cameroon: An application of policy analysis matrix, 19 (1998) 1

Policy Design

Adoption of new tobacco varieties in Greece: Impacts of empirical findings on policy design, 19 (1998) 297

Policy Development

A continuing evolution in U.S. agricultural and food policy – The 1990 Act, 7 (1992) 125

Policy Instruments

Measuring the social costs of suboptimal combinations of policy instruments: A general framework and an example, 18 (1998) 249

Policy instruments for sustainable land management: the case of highland smallholders in Ethiopia, 22 (2000) 217

Policy Interventions

Technology, market policies and institutional reform for sustainable land use in southern Mali, 19 (1998) 53

Policy Options

Wheat Policy Options in Sub-Saharan Africa: The Case of Zimbabwe, 3 (1989) 115

Policy Preference Function

An application of optimal control theory to agricultural policy analysis, 4 (1990) 335

Policy Variables

Rural banking in Nigeria: Empirical evidence of indicative policy variables from Anambra State, 7 (1992) 13

Policy-induced

Economic welfare analysis of policy-induced structural change in the Indonesian poultry industry, 16 (1997) 237

Political Cooperation

Impact of domestic content requirement on the US tobacco and cigarette industries, 15 (1997) 201

Political Economy

Structure of Public Support for National Agricultural Research Systems: A Political Economy Perspective, 3 (1989) 261

Least-cost cheap-food policies: some implications of international food aid, 20 (1999) 191

The political economy of public research investment and commodity policies in agriculture: an empirical study, 22 (2000) 111

Political Preference Function (PPF)

A critical assessment of the political preference function approach in agricultural economics, 7 (1992) 371

Pollution

The interface between growth, trade, pollution and natural resource use in Chile: evidence from an economywide model, 19 (1998) 87

Poor Countries

Does Agricultural Growth in Poor countries Harm Agricultural-Exporting Rich Countries? 3 (1989) 309

Population Growth

An analysis of population growth, Green Revolution and terms of trade in the presence of cropsharing in agriculture, 11 (1994) 19

Population growth, agricultural intensification, induced innovation and natural resource sustainability: An application of neoclassical growth theory, 19 (1998) 99

Population Pressures

Planting strategies of maize farmers in Kenya: a simultaneous equations analysis in the presence of discrete dependent variables, 15 (1996) 137

Porcine Somatotropin (pST)

Willingness to pay for pST-treated pork, 8 (1992) 45

Pork

A markup over average cost pricing rule for meat and poultry in the United States, 8 (1993) 227

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Postwar Agriculture

A Dynamic Adjustment Model for U.S. Agriculture: 1948-79, 2 (1988) 123

Postwar Japanese Agriculture

Biased Technological Change and Factor Demand in Postwar Japanese Agriculture, 1958–84, 2 (1988) 101

Potato Production

Further evidence on pesticides, productivity and farmer health: Potato production in Ecuador, 18 (1998) 199

Potatoes

An application of optimal control theory to agricultural policy analysis, 4 (1990) 335

Value of information on crop response function to soil salinity in a farm-level optimization model, 10 (1994) 233

Potential

Potential of China's grain production: evidence from the household data, 17 (1997) 191

Poultry

Price and quantity adjustment in a dual character market: The case of the Greek poultry sector, 6 (1991) 79

A markup over average cost pricing rule for meat and poultry in the United States, 8 (1993) 227

Demand for red meat, poultry, and fish in Morocco: an almost ideal demand system, 9 (1993) 155

Economic welfare analysis of policy-induced structural change in the Indonesian poultry industry, 16 (1997) 237

A structural time series analysis of US broiler exports, 21 (1999) 295

Poultry and Fish Demand

Estimating preference change in meat demand in Saudi Arabia, 12 (1995) 91

Poverty

Income and Employment Generation from Agricultural Processing and Marketing: The Case of Soybean in Indonesia, 1 (1988) 327

China's projected cereals deficits in a world context, 15 (1996) 1

Consumption risk, farm characteristics, and soil conservation adoption among low-income farmers in the Philippines, 17 (1997) 165

The geography and causes of food insecurity in developing countries, 22 (2000) 199

Poverty Alleviation

Poverty alleviation in Mozambique: a multi-market analysis of the role of food aid, 13 (1995) 89

Preferences

The cost of agricultural production risk, 12 (1995) 141

Preference Change

Estimating preference change in meat demand in Saudi Arabia, 12 (1995) 91

Previous Consumption

The dynamics of household beef consumption in Cameroon, 14 (1996) 11

Price Adjustments

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

Estimation of dynamic maize supply response in Zambia, 12 (1995) 99

Price Distortions

Capital accumulation and the growth of aggregate agricultural production, 6 (1991) 129

Production efficiency of Chinese agriculture: evidence from rural household survey data, 15 (1996) 17

Price Elasticities

Demand for dairy products in Mexico, 16 (1997) 67

Fertilizer demand in Greece, 16 (1997) 227

Price Expectation

Price expectations of sheep and goats by producers and intermediaries in Quetta market, Pakistan, 12 (1995) 79

Price Floor

Peasant farmer behavior and cereal technologies: Stochastic programming analysis in Niger, 5 (1991) 21

Price Forecast

Expectations, supply response, and marketing boards: An example from Kenya, 14 (1996) 21

Price Forecasting Accuracy

Evaluating alternative price expectation models for multiproduct supply analysis, 10 (1994) 1

Price Formations

Econometric analysis of expected price formation, 5 (1991) 59

Price Gaps

Economic issues in tariffication: an overview, 5 (1991) 101

Price Integration

Influence of Trade Policies on Price Integration in the World Beef Market, 4 (1990) 73

Price Linkages

Impact of eliminating government interventions on China's rice sector, 11 (1994) 71

Price Patterns

Intra-annual sheep price patterns and factors underlying price variations in the central highlands of Ethiopia, 8 (1993) 125

Price Policies

Wheat and Maize Price Policies in Hungary: Tradeoffs between Foreign Exchange and Government Revenue, 1 (1987) 273

Evaluation of the Influence of Agricultural Price Policy on Cotton Production in Cote-d'Ivoire, 3 (1989) 69

Effect of Sugar Price Policy on U.S. Imports of Processed Sugar-containing Foods, 3 (1989) 131

Impact and implications of price policy and land degradation on agricultural growth in developing countries, 5 (1991) 311

Price Risk

A Risk Responsive Acreage Response Function for Millet in Niger, 1 (1987) 229

Price Spread Models

Empirical testing of alternative price spread models in the South African maize markets, 6 (1991) 49

Price Stabilization

Grain price stabilization in India: Evaluation of policy alternatives, 21 (1999) 93

Price Transmission

Asymmetry in beef, lamb and pork farm-retail price transmission in Australia, 10 (1994) 307

Price War

Impact of the US-EC price war on major wheat exporters' shares of the Chinese market, 10 (1994) 61

Prices

Agricultural Supply Response: A Survey, 3 (1989) 1

United States Demand for Coffee Imports, 3 (1989) 147

Price and quantity adjustment in a dual character market: The case of the Greek poultry sector, 6 (1991) 79

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Market liberalization and integration of maize markets in Malawi, 11 (1994) 311

How integrated are world beef markets? The case of Australian and U.S. beef markets, 12 (1995) 37

Impacts of trade liberalizations under the Uruguay Round on the world sugar market, 15 (1996) 83

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17

The supply response of aggregate agricultural output in Jamaica, 16 (1997) 205

Managerial efficiency under risk for broiler producers in Saudi Arabia, 20 (1999) 69

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 21 (1999) 19

The impact of prices and macroeconomic policies on agricultural supply: a reply, 21 (1999) 323

Pricing Policy

- Effects of pricing policy on seasonal storage of wheat in Pakistan, 5 (1991) 135
- Livestock pricing policy in sub-Saharan Africa: objectives, instruments and impact in five countries, 8 (1993) 139

Principal Components

- The impact of perception and other factors on the adoption of agricultural technology in the Moret and Jiru Woreda (district) of Ethiopia, 21 (1999) 205

Priorities

- National agricultural commodity research priorities for Pakistan, 19 (1998) 327

Private Farm

- China and Taiwan access to the World Trade Organization: implications for U.S. agriculture and trade, 17 (1997) 239

- Technical, allocative and economic efficiencies in swine production in Hawaii: a comparison of parametric and nonparametric approaches, 20 (1999) 23

Production Costs

- Production costs and input substitution in Zimbabwe's smallholder agriculture, 17 (1997) 201

Production Efficiency

- Production efficiency of Chinese agriculture: evidence from rural household survey data, 15 (1996) 17

- Measuring the production efficiency of alternative land tenure contracts in a mixed crop-livestock system in Ethiopia, 20 (1999) 37

Production Environment

- Technology, production environment, and household income: Assessing the regional impacts of technological change, 10 (1994) 219

Production Factors

- Effects of the Energy Crisis on French Agriculture between 1974 and 1984, 1 (1987) 259

Production Fluctuation

- Effects of agricultural production fluctuations on the Chinese macroeconomy, 12 (1995) 69

Production Frontier

Analysis of the technical efficiency of state rubber farms in Vietnam, 9 (1993) 183

Production function approach

Valuing groundwater recharge through agricultural production in the Hadejia-Nguru wetlands in northern Nigeria, 22 (2000) 247

Production Function

Production function for wheat: a case study of Southeastern Anatolian Project (SAP) region, 18 (1998) 75

Production Quotas

Differentiated products and supply controls in the analysis of agricultural policy reform: the case of tobacco, 7 (1992) 301

Production Risk

The cost of agricultural production risk, 12 (1995) 141
Production technologies in Ethiopian agriculture, 10 (1994) 179

Production Technology

Compensated optimal response under uncertainty in agricultural household models, 11 (1994) 111

Production Under Risk

The effects of real exchange rate depreciation on stochastic producer prices in low-income agriculture, 20 (1999) 215

Productivity

Productivity of Agricultural Labour and Land: An International Comparison, 4 (1990) 1

Resource allocation and productivity of cereal state farms in Ethiopia, 8 (1993) 187

Impact of hybrid rice on input demand and productivity, 10 (1994) 153

Farm size, productivity and returns to scale in agriculture revisited: a case study of wine producers in South Africa, 19 (1998) 175

National agricultural commodity research priorities for Pakistan, 19 (1998) 327

Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasakawa-Global 2000 project, 19 (1998) 341

Productivity Growth

Sources of agricultural productivity growth and stagnation in sub-Saharan Africa, 13 (1995) 51

The impact of agricultural research in Africa: aggregate and case study evidence, 19 (1998) 81

Productivity Measurements

What do agricultural income and productivity measurements really mean? 2 (1988) 139

Profit Maximising

Efficiency estimation in a profit maximising model using flexible production function, 10 (1994) 143

Profitability Analysis

Profitability analysis of foodgrain in the Sudan's irrigated agricultural sector, 11 (1994) 325

Profitability of Preventive Measures

Modelling to support animal health control, 5 (1991) 263

Profitability

Modernization of a peasant crop in Columbia: evidence and implications, 10 (1994) 13

Profitability, efficiency and comparative advantage of African cattle meat and milk production: the case of trypanotolerant village cattle production, 14 (1996) 33

Profit-maximization

Farm-level nonparametric analysis of cost-minimization and profit-maximization behavior, 13 (1995) 109

Promotion

Impacts of foreign policies on the gains from research and promotion, 20 (1999) 11

Property Rights

Tenure, land rights, and farmer investment incentives in China, 19 (1998) 63

Psychological Models

Understanding farmers' decision making processes and improving managerial assistance, 18 (1998) 273

Psychological Variables

Analysis of Uncertainty as Opposed to Risk: An Experimental Approach, 4 (1990) 145

Public Distribution

Welfare Effects of Selected Food-grain Policies in India, 4 (1990) 179

Public Investment

Market Price Response of World Rice Research, 3 (1989) 333

Public Policy

A continuing evolution in U.S. agricultural and food policy – the 1990 Act, 7 (1992) 125

Unconventional adjustment strategies for rural households in the less developed areas in Greece, 15 (1996) 61

Conversion subsidies for organic production: results from Sweden and lessons for the United States, 22 (2000) 133

Public Research Investment

The political economy of public research investment and commodity policies in agriculture: an empirical study, 22 (2000) 111

Public Support

Structure of Public Support for National Agricultural Research Systems: A Political Economy Perspective, 3 (1989) 261

Punjab

Measuring Benefits to Operation and Maintenance Expenditure in the Canal Irrigation System of Pakistan: A Simulation Analysis, 3 (1989) 199

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Impacts of the training and visit extension system on farmers' knowledge and adoption of technology: Evidence from Pakistan, 10 (1994) 39

Punta del Este

Agreement on agriculture in the Uruguay round of GATT: from Punta del Este to Marrakesh, 15 (1996) 29

Purchasing Rural Products

On the Reform of Rural Supply and Marketing Cooperatives in China, 2 (1988) 73

Pure Technical Efficiency

Nonparametric analysis of technical, pure technical, and scale efficiencies for food crop production in East Java, Indonesia, 15 (1996) 113

Q**Quality-of-life Index(QLI)**

The estimation of marginal utility of income for application to agricultural policy analysis, 16 (1997) 155

Quantity

Price and quantity adjustment in a dual character market: The case of the Greek poultry sector, 6 (1991) 79

Quantity Controls

Price and quantity controlled agricultural markets and disequilibrium econometrics: a survey, 9 (1993) 53

Quantity of Farm Products

Ex ante assessment of the returns to livestock disease control in Indonesia, 11 (1994) 83

Quetta

Price expectations of sheep and goats by producers and intermediaries in Quetta market, Pakistan, 12 (1995) 79

Quota

Efficient income redistribution for a small country using optimal combined instruments, 13 (1996) 191

R**R&D Lags**

The rise and fall of public sector plant breeding in the United Kingdom: a causal chain model of basic and applied research and diffusion, 19 (1998) 127

Rainfall Zones

Stochastic dominance analysis of on-farm trial data: The riskiness of alternative phosphate sources in Burkina Faso, 15 (1997) 213

Rainforests

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Ramjerd District

A study of economic efficiency of Iranian farmers in Ramjerd district: an application of stochastic programming, 14 (1996) 73

Random Effects Production Function

Estimating random effects production function models with selectivity bias: an application to Swedish crop products, 11 (1994) 171

Rapid

Structural Change and its Impact on Traditional Agricultural Sectors of Rapidly Developing Countries: The Case of Natural Rubber, 1 (1987) 159

Rapid Change

Production and uses of subject-matter research in federal service: observations from research on Farmer Mac, 5 (1991) 237

Rate of Change

Technological Change in Illinois Agriculture, 1982–1984, 2 (1988) 303

Rate of Return

The Calculation of Returns to Research in Distorted Markets, 2 (1988) 291

Rational Expectations

Empirically Testing the Law of One Price in an International Commodity Market: A Rational Expectations Application to the Natural Rubber Market, 4 (1990) 165

Real Estate

A Dynamic Adjustment Model for U.S. Agriculture: 1948–79, 2 (1988) 123

Real Interest Rates

Macroeconomic Policy Impacts on United States Agriculture: A Simulation Analysis, 1 (1988) 291

Recovery

Economy-wide reform and agricultural recovery: Observations of economic Darwinism among transition economies, 14 (1996) 143

Recursive Model

The rise and fall of public sector plant breeding in the United Kingdom: a causal chain model of basic and applied research and diffusion, 19 (1998) 127

Red Meat

Demand for red meat, poultry, and fish in Morocco: an almost ideal demand system, 9 (1993) 155

Reducing Support

Fertilizer demand in Greece, 16 (1997) 227

Reform

On the Reform of Rural Supply and Marketing Cooperatives in China, 2 (1988) 73

Developing Country Interests in Agricultural Trade Reform, 3 (1989) 169

Agricultural trade negotiations as a strategic game, 10 (1994) 71

Rural employment in industrialised countries, 22 (2000) 185

Rural Health Care System

The zip (postal) code difference: methods to improve identification of rural subgroups, 5 (1991) 253

Rural Households

Food demand in rural China: evidence from rural household survey, 11 (1994) 61

Effects of household size and composition on consumption in rural households in Matabeleland South, Zimbabwe, 11 (1994) 335

Production efficiency of Chinese agriculture: evidence from rural household survey data, 15 (1996) 17

Unconventional adjustment strategies for rural households in the less developed areas in Greece, 15 (1996) 61

Rural Markets

Maize acreage response under differential prices in the Republic of Benin, West Africa, 9 (1993) 215

Rural Supply Marketing Cooperatives (RSMCs)

On the Reform of Rural Supply and Marketing Cooperatives in China, 2 (1988) 73

Rural-based Development

Toward the Rural-Based Development of Commerce and Industry: Selected Experiences from East Asia, 21 (1999) 217

Russia

Restructuring of traditional farms and new land relations in Russia, 13 (1995) 11

Rwanda

Farm productivity in Rwanda: effects of farm size, erosion, and soil conservation investments, 15 (1996) 127

S**Safety First**

Measurement of cost inefficiency with safety first measure of risk, 11 (1994) 197

Safety-First Principle

Impact of Risk on HYV Adoption in Bangladesh, 2 (1988) 167

Sahel

Transfer of sustainable technology in dryland agriculture: Lessons from the Sahel in the 1980's, 4 (1990) 255

Soil, water and crop management alternatives in rainfed agriculture in the Sahel: an economic analysis, 7 (1992) 267

Factors influencing adoption of land-enhancing technology in the Sahel: lessons from a case study in Niger, 20 (1999) 231

Same Knowledge

On-farm computers for farm management in Sweden: potentials and problems, 5 (1991) 279

Sanitation

Understanding the health and nutritional status of children in Ghana, 17 (1997) 59

Saudi Arabia

Estimating preference change in meat demand in Saudi Arabia, 12 (1995) 91

Wheat production in Saudi Arabia between feasibility and efficiency, 16 (1997) 35

Managerial efficiency under risk for broiler producers in Saudi Arabia, 20 (1999) 69

Saving

Impacts of official development assistance on agricultural growth, savings and agricultural imports, 11 (1994) 99

Scale Economies

Labor productivity measurement in Japanese agriculture, 1965–90, 12 (1995) 55

Scale Efficiency

Nonparametric analysis of technical, pure technical, and scale efficiencies for food crop production in East Java, Indonesia, 15 (1996) 113

Science Policy

The organization of agricultural research in western developed countries, 21 (1999) 1

Scientific Capacity

Building African Scientific Capacity for Agricultural Development, 4 (1990) 117

Scientific Development

Production economics: Worthwhile investment?, 9 (1993) 89

Scrapie

Animal disease incidence and indemnity eradication programs, 22 (2000) 299

Seasonal

Intra-annual sheep price patterns and factors underlying price variations in the central highlands of Ethiopia, 8 (1993) 125

Seasonal Co-integration

Seasonality and spatial integration in agricultural (product) markets, 20 (1999) 253

Seasonal Storage

Effects of pricing policy on seasonal storage of wheat in Pakistan, 5 (1991) 135

Seasonality

Seasonality and unit roots: the demand for fruits, 18 (1998) 53

Secondary Crop

Economic returns to cowpea research, extension, and input distribution in Senegal, 8 (1993) 161

Secular Changes

Persistent Underinvestment in Public Agricultural Research, 1 (1986) 53

Seed-Borne Disease

Evaluating the economic impact of quality-reducing, seed-borne diseases: Lessons from Karnal bunt of wheat, 6 (1992) 345

Seeds

Wheat production in Saudi Arabia between feasibility and efficiency, 16 (1997) 35

Segregation

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193

Selected Inputs

The law of one price: a test based on prices for selected inputs in New Zealand agriculture, 10 (1994) 297

Selectivity Bias

Estimating random effects production function models with selectivity bias: an application to Swedish crop products, 11 (1994) 171

Self-insurance

Endogenous risk in weed control management, 14 (1996) 103

Self-Protection

Endogenous risk in weed control management, 14 (1996) 103

Self-selection

Environmental and economic consequences of technology adoption: IPM in viticulture, 18 (1998) 145

Self-sufficiency

Meat and milk self-sufficiency in Asia: forecast trends and implications, 21 (1999) 21

Semi-Arid Environment

Crop Selection and Implications for Profits and Wind Erosion in a Semi-Arid Environment, 2 (1988) 319

Semi-Arid Regions

A comparative analysis of water price support versus drought compensation scheme, 21 (1999) 81

Semi-Arid Tropics

Cereal Technology Interventions for the West African Semi-Arid Tropics, 2 (1988) 197

Semi-Commercial Farmers

Risk-Taking Preferences of Farmers in Northern Thailand: Measurements and Implications, 1 (1987) 127

Semi-Dwarf Wheat

Spillover Effects of International Agricultural Research: CIM-MYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Senegal

Economic returns to cowpea research, extension, and input distribution in Senegal, 8 (1993) 161

Sense

Sense Sustainability: Sustainability as an Objective in International Agricultural Research, 3 (1989) 381

Sensitivity Analysis (SA)

Sensitivity analysis of normative economic models: theoretical framework and practical strategies, 16 (1997) 139

Separability

Separability in farm-household economics: an experiment with linear programming, 10 (1994) 165

Separation of Ownership

Managerial form, ownership and efficiency: a case-study of Argentine agriculture, 11 (1994) 289

Serenje District

Application of stochastic dominance criteria to evaluate bean production strategies in Central Province, Zambia, 7 (1992) 289

Shaban

Transactional framework of sharecropping: empirical evidence, 18 (1998) 47

Shadow Pricing

Spatial allocation and the shadow pricing of product characteristics, 18 (1998) 1

Shadow wage rates

Estimating labor supply of farm households under nonseparability: empirical evidence from Nepal, 22 (2000) 309

Share Contracts

Multiple Leasing under Cropshare Tenancy – A Note, 4 (1990) 91

Sharecropping

Managerial form, ownership and efficiency: a case-study of Argentine agriculture, 11 (1994) 289

Transactional framework of sharecropping: empirical evidence, 18 (1998) 47

Shareholding Structures

Restructuring of traditional farms and new land relations in Russia, 13 (1995) 11

Sheep

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193
Intra-annual sheep price patterns and factors underlying price variations in the central highlands of Ethiopia, 8 (1993) 125

Price expectations of sheep and goats by producers and intermediaries in Quetta market, Pakistan, 12 (1995) 79

Sheep and Goat Trade

Buyer preferences for sheep and goats in southern Nigeria: a hedonic price analysis, 18 (1998) 21

Shoa Province

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Shoa Region

Efficiency of small-scale farmers in Ethiopia: a case study in the Baso and Warana sub-district, 8 (1993) 199

Shortage of Land

Development of township enterprise and alleviation of the employment problem in rural China, 6 (1992) 201

Short-run

The law of one price: a test based on prices for selected inputs in New Zealand agriculture, 10 (1994) 297

Short-run Deviations

The market efficiency hypothesis: the case of coffee and cocoa futures, 16 (1997) 171

Short-run Fixity

Changing Agricultural Comparative Advantage, 1 (1987) 97

Short-run Fluctuations

Market Price Response of World Rice Research, 3 (1989) 333

Short-run Outputs

Allocable fixed inputs as a cause of joint production: an empirical investigation, 7 (1992) 109

Short-run Technology

Derivation of long-run factor demands from short-run responses, 3 (1989) 213

Sierra Leone

Technology characteristics, farmers' perceptions and adoption decisions: A Tobit model application in Sierra Leone, 9 (1993) 297

Simplified Risk Analysis

Simplified Risk Analysis in Agricultural Extension, 1 (1988) 381

Sims' Causality Test

Relationship between agricultural growth and farm imports in LDCs: a Sims' causality test based on 35 countries, 7 (1992) 341

Simulation Analysis

Macroeconomic Policy Impacts on United States Agriculture: A Simulation Analysis, 1 (1988) 291

Simulations

Induced innovation and land degradation: Results from a bioeconomic model of a village in West Africa, 19 (1998) 15

Export taxes and sectoral economic growth: evidence from cotton and yarn markets in Pakistan, 20 (1999) 263

Simultaneity

Advertising, concentration and profitability in Greek food manufacturing industries, 18 (1998) 191

Single Markets

Price and quantity controlled agricultural markets and disequilibrium econometrics: a survey, 9 (1993) 53

Single-Ox

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Size

Size and industry effects in the performance of agricultural cooperatives, 6 (1991) 15

Slash-and-Burn

Peasant household modelling: farming systems evolution and sustainability in northern Zambia, 9 (1993) 241

Small Farms

Efficiency of small-scale farmers in Ethiopia: a case study in the Baso and Warana sub-district, 8 (1993) 199

Farmer-to-farmer transfer of new crop varieties: an empirical analysis on small farms in Uganda, 11 (1994) 43

Smallholder

Production costs and input substitution in Zimbabwe's smallholder agriculture, 17 (1997) 201

Smallholder Farm Households

Changes needed in agricultural policy for female-headed farm families in tropical Africa, 4 (1990) 239

Small-Ruminant Trade

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193

Small-scale Farmers

Modelling agricultural production of small-scale farmers in sub-Saharan Africa: a case study in western Kenya, 14 (1996) 85

Social Costs

Measuring the social costs of suboptimal combinations of policy instruments: A general framework and an example, 18 (1998) 249

Social Values

Returns from research in economics with policy distortions: hybrid sorghum in Sudan, 12 (1995) 183

Socially Optimal Outcome

Agricultural trade negotiations as a strategic game, 10 (1994) 71

Societal Gain

Measuring research benefits in an imperfect market, 10 (1994) 89

Socioeconomic Factors

Introducing socioeconomic characteristics into production analysis under risk, 13 (1996) 149

Soil

Soil and Moisture Management in Mali: A Case Study Analysis for West Africa, 2 (1988) 209

Soil and Water Conservation

Determinants of farmers' indigenous soil and water conservation investments in semi-arid India, 19 (1998) 113

Factors influencing adoption of land-enhancing technology in the Sahel: lessons from a case study in Niger, 20 (1999) 231

Soil and Water Management

Soil and Moisture Management in Mali: A Case Study Analysis for West Africa, 2 (1988) 209

Soil Conservation

Efficiency of U.S. conservation-compliance program, 8 (1993) 173

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Economics of erosion-control and seed-fertilizer technologies for hillside farming in Honduras, 11 (1994) 271

Soil conservation and government policies in tropical areas: Does aid worsen the incentives for arresting erosion? 12 (1995) 129

Farm productivity in Rwanda: effects of farm size, erosion, and soil conservation investments, 15 (1996) 127

Consumption risk, farm characteristics, and soil conservation adoption among low-income farmers in the Philippines, 17 (1997) 165

Valuing soil conservation benefits of agroforestry: contour hedgerows in the Eastern Visayas, Philippines, 18 (1998) 31

Risks and returns from soil conservation: evidence from low-income farms in the Philippines, 21 (1999) 53

Adoption of soil conservation: the case of the Philippine uplands, 21 (1999) 241

Soil Erosion

Efficiency of U.S. conservation-compliance program, 8 (1993) 173

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Economics of erosion-control and seed-fertilizer technologies for hillside farming in Honduras, 11 (1994) 271

Soil Fertility

Modelling stochastic crop response to fertilisation when carry-over matters, 6 (1991) 97

Dynamic modelling of agroforestry and soil fertility interactions: implications for multi-disciplinary research policy, 13 (1995) 125

Soil Salinity

Value of information on crop response function to soil salinity in a farm-level optimization model, 10 (1994) 233

Soil Types

Efficiency of U.S. conservation-compliance program, 8 (1993) 173

Sorghum

Profitability analysis of foodgrain in the Sudan's irrigated agricultural sector, 11 (1994) 325

Stochastic dominance analysis of on-farm trial data: The riskiness of alternative phosphate sources in Burkina Faso, 15 (1997) 213

Ex-ante agricultural research evaluation with site specific technology generation: the case of sorghum in Kenya, 16 (1997) 125

South Africa

Labour-Related Structural Trends in South African Maize Production, 1 (1987) 241

Empirical testing of alternative price spread models in the South African maize markets, 6 (1991) 49

Economic factors affecting human fertility in the developing areas of Southern Africa, 6 (1991) 185

Farm size, productivity and returns to scale in agriculture revisited: a case study of wine producers in South Africa, 19 (1998) 175

South African

Testing the induced innovation hypothesis: an error correction model of South African agriculture, 19 (1998) 145

South India

Evaluating agricultural energy policies under uncertainty: the case of electricity in South India, 3 (1989) 187

The effects of land sales restrictions: evidence from south India, 21 (1999) 279

South Korea

Agricultural policy adjustments in the Korean rice economy, 9 (1993) 335

South Pacific Island Nations

Agricultural Research Problems in Small Developing Countries: Case Studies from the South Pacific Island Nations, 3 (1989) 279

Southeast Asia

Modern rice technology and regional wage differentials in the Philippines, 4 (1990) 297

Interaction between livestock and feeds policies: evidence from Southeast Asia, 7 (1992) 25

Southern Australia

A stochastic dynamic programming framework for weed control decision making: an application to *Avena fatua* L., 6 (1991) 115

Southwest Nigeria

Small-Ruminant Marketing in Southwest Nigeria, 4 (1990) 193

Soy meal

Short-run dynamics of feed ingredient prices facing the EC: a causal analysis, 4 (1990) 351

Soybean

Income and Employment Generation from Agricultural Processing and Marketing: The Case of Soybean in Indonesia, 1 (1988) 327

Short-run dynamics of feed ingredient prices facing the EC: a causal analysis, 4 (1990) 351

Role of education and extension in the adoption of technology: a study of upland rice and soybean farmers in Central-West Brazil, 5 (1991) 341

Linking to U.S. monetary policy and exchange rates to world soybean markets, 6 (1992) 365

Spain

The demand for meat and fish in Spain: Urban and rural areas, 19 (1998) 359

Spanish Agrofood Industry

Technical efficiency in the Spanish agrofood industry, 17 (1997) 179

Spanish Rice

Some Lessons from the Modelling of the Spanish Rice Market, 1 (1988) 341

Spatial Allocation

Spatial allocation and the shadow pricing of product characteristics, 18 (1998) 1

Spatial Organization

Spatial Organization of Marketing Facilities in Developing Countries: A Case Study of Oilseeds in Sudan, 1 (1987) 209

Spatial Water Allocation

Water conveyance, return flows and technology choice, 19 (1998) 181

Spillover

Spillover Effects of International Agricultural Research: CIM-MYT-based Semi-Dwarf Wheats in America, 3 (1989) 323

Spray Treatment

Citrus blackfly in Florida: Eradication or bio-control?, 5 (1991) 193

SR-CRSP

Returns to investments in small ruminant research in Indonesia
The Small Ruminant Collaborative Research Support Program
(SR-CRSP) in West Java, 21 (1999) 41

Sri Lanka

Choice of utility function form: its effect on classification or risk
preferences and the prediction of farmer decisions, 6 (1992) 333

Stabilization

Mix and sequencing of economywide and agricultural reforms:
Chile and New Zealand, 8 (1993) 295

Stagnation

Development of agriculture in Ethiopia since the 1975 land
reform, 6 (1991) 159
Sources of agricultural productivity growth and stagnation in sub-
Saharan Africa, 13 (1995) 51

State Grain Trading

Emerging differences in state grain trading: Australia and Canada,
16 (1997) 87

Stevenson-Greene Model

Biased Technological Change and Factor Demand in Postwar
Japanese Agriculture, 1958–84, 2 (1988) 101

Stochastic Dominance

Risks and returns from soil conservation: evidence from low-
income farms in the Philippines, 21 (1999) 53

Stochastic Frontier

Technical efficiency in the Spanish agrofood industry, 17 (1997)
179

Stochastic Frontier Efficiency

Efficiency and technical progress in traditional and modern agri-
culture: evidence from rice production in China, 18 (1998)
157

Stochastic Frontier Production Function

Estimation of stochastic frontier production functions with time-
varying parameters and technical efficiencies using panel data
from Indian villages, 9 (1993) 313

Stochastic Programming

Risk preference and optimal crop combinations in upland Java,
Indonesia: an application of stochastic programming, 5
(1991) 39

Stochastic Simulation

The external costs of pasture weed spread: an economic assess-
ment of serrated tussock control, 22 (2000) 91

Strategic Planning

A decision support system for strategic planning on pig farms, 13
(1995) 101

Structural Adjustment

Mix and sequencing of economywide and agricultural reforms:
Chile and New Zealand, 8 (1993) 295
Food crops, exports, and the short-run policy response of agricul-
ture in Africa, 22 (2000) 271

Structural Adjustment Programs (SAP)

Gendered impacts of fertilizer subsidy removal programs in
Malawi and Cameroon, 7 (1992) 141

Structural Change

Structural Change and its Impact on Traditional Agricultural Sec-
tors of Rapidly Developing Countries: The Case of Natural
Rubber, 1 (1987) 159
Economic welfare analysis of policy-induced structural change in
the Indonesian poultry industry, 16 (1997) 237

Structural estimation

Estimating labor supply of farm households under nonseparability:
empirical evidence from Nepal, 22 (2000) 309

Structural Evolution

Differential human capital and structural evolution in agriculture,
11 (1994) 1

Structural Reform

Chile's agricultural diversification, 9 (1993) 1

Structural Time Series Models

A structural time series analysis of US broiler exports, 21 (1999)
295

Structural Variations

Structural Variations of Agriculture in the Pacific, 1 (1987) 113

Structure

Structure of Public Support for National Agricultural Research
Systems: A Political Economy Perspective, 3 (1989) 261
Advertising, concentration and profitability in Greek food manu-
facturing industries, 18 (1998) 191
Modeling inter-sectoral growth linkages: An application to U.S.
agriculture, 21 (1999) 131

Suboptimal Combinations

Measuring the social costs of suboptimal combinations of policy
instruments: A general framework and an example, 18 (1998)
249

Sub-Saharan Africa

Wheat Policy Options in Sub-Saharan Africa: The Case of Zim-
babwe, 3 (1989) 115
Urbanization and food imports in sub-Saharan Africa, 6 (1991) 177
Livestock pricing policy in sub-Saharan Africa: objectives, instru-
ments and impact in five countries, 8 (1993) 139
Measuring the sustainability and economic viability of tropical
farming systems: a model from sub-Saharan Africa, 9 (1993)
279

Sources of agricultural productivity growth and stagnation in sub-Saharan Africa, 13 (1995) 51

Modelling agricultural production of small-scale farmers in sub-Saharan Africa: a case study in western Kenya, 14 (1996) 85

The impact of prices and macroeconomic policies on agricultural supply: a synthesis of available results, 16 (1997) 17

Prospects for food security in the 21st Century: with special emphasis on Africa, 20 (1999) 95

Food crops, exports, and the short-run policy response of agriculture in Africa, 22 (2000) 271

Subsidies

Fertilizer in Indonesian Agriculture: the Subsidy Issue, 3 (1989) 49

Returns to smallholder dairying in the Kilimanjaro region, Tanzania, 17 (1997) 75

The economics of coupled farm subsidies under costly and imperfect enforcement, 22 (2000) 75

Substitution

Labour-Related Structural Trends in South African Maize Production, 1 (1987) 241

United States Demand for Coffee Imports, 3 (1989) 147

Derivation of long-run factor demands from short-run responses, 3 (1989) 213

Substitution Effect

The U.S. Demand for Imported and Domestically Produced Foods: An Investigation of Intertemporal and Substitution Effects, 1 (1988) 309

Economic factors affecting human fertility in the developing areas of Southern Africa, 6 (1991) 185

Sudan

Spatial Organization of Marketing Facilities in Developing Countries: A Case Study of Oilseeds in Sudan, 1 (1987) 209

Estimation and use of risk aversion coefficient for traditional dry-land agriculture in western Sudan, 7 (1992) 155

Extensification of agriculture and deforestation: empirical evidence from Sudan, 10 (1994) 193

Profitability analysis of foodgrain in the Sudan's irrigated agricultural sector, 11 (1994) 325

Returns from research in economics with policy distortions: hybrid sorghum in Sudan, 12 (1995) 183

Sugar

Effect of Sugar Price Policy on U.S. Imports of Processed Sugar-containing Foods, 3 (1989) 131

Impacts of trade liberalizations under the Uruguay Round on the world sugar market, 15 (1996) 83

Impacts of WTO restrictions on subsidized EU sugar exports, 22 (2000) 233

Sultanate of Oman

Price supply response of vegetable growers in the Sultanate of Oman, 19 (1998) 349

Sumatra

Agricultural development with rainforest conservation: methods for seeking best bet alternatives to slash-and burn, with applications to Brazil and Indonesia, 19 (1998) 159

Supplementary Farm Activity

The Alberta hog industry problem of the 1960's: its definition and resolution, 5 (1991) 211

Supply

Inflation, capital markets and the supply of beef, 9 (1993) 145

Implications of the minimum access rice import on supply and demand balance of rice in Japan, 16 (1997) 193

Price supply response of vegetable growers in the Sultanate of Oman, 19 (1998) 349

Modeling inter-sectoral growth linkages: An application to U.S. agriculture, 21 (1999) 131

Supply Constraints

Analysis of USA–European Community oilseeds agreements, 15 (1996) 97

Supply Control

Differentiated products and supply controls in the analysis of agricultural policy reform: the case of tobacco, 7 (1992) 301

Supply Elasticities

An analysis of U.S. Aggregate Output Response by Farm Size, 5 (1991) 1

Supply Response

An analysis of U.S. Aggregate Output Response by Farm Size, 5 (1991) 1

Expectations, supply response, and marketing boards: An example from Kenya, 14 (1996) 21

The supply response of aggregate agricultural output in Jamaica, 16 (1997) 205

Cap reform: modelling supply response subject to the land set-aside, 17 (1997) 277

Food crops, exports, and the short-run policy response of agriculture in Africa, 22 (2000) 271

Supply-Demand Shifters

Empirical testing of alternative price spread models in the South African maize markets, 6 (1991) 49

Surface Water

Implications of alternative environmental policies on phosphorus load from poultry litter, 13 (1995) 137

Sustainability

Sense Sustainability: Sustainability as an Objective in International Agricultural Research, 3 (1989) 381

Measuring the sustainability and economic viability of tropical farming systems: a model from sub-Saharan Africa, 9 (1993) 279

Pasture taxes and agricultural intensification in southern mah, 19 (1998) 27

Sustainable Crop Production

Quantifying the socio-economic determinants of sustainable crop production: an application to wheat cultivation in the Tarai of Nepal, 14 (1996) 45

Sustainable Development

Sustainable development of forest resources in industrialized countries, 14 (1996) 175

A stall-feeding management for improved cattle in semiarid central Tanzania: factors influencing adoption, 17 (1997) 133

Sustainable Intensification

Prospects for food security in the 21st Century: with special emphasis on Africa, 20 (1999) 95

Sustainable Land Use

Technology, market policies and institutional reform for sustainable land use in southern Mali, 19 (1998) 53

Sustainable Technology

Transfer of sustainable technology in dryland agriculture: Lessons from the Sahel in the 1980's, 4 (1990) 255

Sweden

On-farm computers for farm management in Sweden: potentials and problems, 5 (1991) 279

Estimating random effects production function models with selectivity bias: an application to Swedish crop products, 11 (1994) 171

Swine

Technical, allocative and economic efficiencies in swine production in Hawaii: a comparison of parametric and nonparametric approaches, 20 (1999) 23

Switching Regression

Credit constraints and smallholder dairy production in the East African highlands: application of a switching regression model, 19 (1998) 33

Switching Rotations

On-site economic evaluation of soil conservation practices in Honduras, 11 (1994) 257

Switzerland

Fungicide use under risk in Swiss wheat production, 14 (1996) 1

Syria

Incorporating risk in the economic analysis of agronomic trials: fertilizer use on barley in Syria, 7 (1992) 167

T**Taiwan**

Inefficiency due to tenancy protection: a new tenure problem in Taiwan, 5 (1991) 121

China and Taiwan access to the World Trade Organization: implications for U.S. agriculture and trade, 17 (1997) 239

Tamil Nadu

Technical efficiency in paddy farms of Tamil Nadu: an analysis based on farm size and ecological zone, 16 (1997) 185

Tamil

An Evaluation of Indian Government Rice Policy in Tamil Nadu, 1 (1988) 355

Tanzania

Returns to smallholder dairying in the Kilimanjaro region, Tanzania, 17 (1997) 75

A stall-feeding management for improved cattle in semiarid central Tanzania: factors influencing adoption, 17 (1997) 133

Tarai

Quantifying the socio-economic determinants of sustainable crop production: an application to wheat cultivation in the Tarai of Nepal, 14 (1996) 45

Tariff Quota

An economic assessment of the common Market Organization for bananas in the European Union, 20 (1999) 105

Tariff Rate Quota

Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Tariff Reduction

Welfare implications of a preferential tariff reduction for agricultural exports from less developed countries vs. a generalized tariff reduction, 3 (1989) 23

Tariff Reform

Assessing the effects of tariff reform on U.S. food manufacturing industries: the role of imperfect competition and intermediate inputs, 14 (1996) 201

Tariffication

Economic issues in tariffication: an overview, 5 (1991) 101
Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Tariff-Reduction Formula

A proposal for the reduction of domestic price variability during the phase-in period of trade liberalization, 7 (1992) 55

Tariffs

Pass-through of exchange rates and tariffs in Greek-US tobacco trade, 21 (1999) 269

Tax

Role of agriculture in economic development revisited, 8 (1993) 421

Taxation Policies

Issues relating to Agricultural Pricing Policies and their Analysis in Developing Countries, 2 (1988) 19

Taxing Incidence

Redistribution of social benefits from advances in extension and research in the Tanzanian maize industry, 21 (1999) 231

Technical

Technical, allocative and economic efficiencies in swine production in Hawaii: a comparison of parametric and nonparametric approaches, 20 (1999) 23

Technical and Behavioral Forces

The West Bank olive Market, 5 (1991) 153

Technical Change

Market Analysis, Technical Change and Income Distribution in Semi-Subsistence Agriculture: the Case of Bangladesh, 1 (1986) 1

Biased Technological Change and Factor Demand in Postwar Japanese Agriculture, 1958–84, 2 (1988) 101

Dynamic factor demand equations in U.S. and Canadian agriculture, 6 (1992) 251

Cost structure and technical change in rural banking, 8 (1993) 243

Evidence of the empirical relevance of the infant industry argument for the protection of Brazilian ethanol production, 10 (1994) 245

Technical change and irreversible investment under risk, 16 (1997) 55

Dynamic input demand functions and resource adjustment for US agriculture: state evidence, 17 (1997) 223

Pasture taxes and agricultural intensification in southern Mali, 19 (1998) 27

The impact of agricultural research in Africa: aggregate and case study evidence, 19 (1998) 81

Modelling technical change in Italian agriculture: a latent variable approach, 22 (2000) 261

Technical Efficiencies

Frontier production functions and technical efficiency: a survey of empirical applications in agricultural economics, 7 (1992) 185

Analysis of the technical efficiency of state rubber farms in Vietnam, 9 (1993) 183

Estimation of stochastic frontier production functions with time-varying parameters and technical efficiencies using panel data from Indian villages, 9 (1993) 313

Efficiency estimation in a profit maximising model using flexible production function, 10 (1994) 143

A study of economic efficiency of Iranian farmers in Ramjerd district: an application of stochastic programming, 14 (1996) 73

Nonparametric analysis of technical, pure technical, and scale efficiencies for food crop production in East Java, Indonesia, 15 (1996) 113

Technical efficiency in paddy farms of Tamil Nadu: an analysis based on farm size and ecological zone, 16 (1997) 185

Technical efficiency in the Spanish agrofood industry, 17 (1997) 179

Technical efficiency and productivity of maize producers in eastern Ethiopia: a study of farmers within and outside the Sasakawa-Global 2000 project, 19 (1998) 341

The extent of resource use inefficiencies in cotton production in Pakistan's Punjab: an application of Data Envelopment Analysis, 22 (2000) 321

Technological Adoption

Gini's coefficient of mean difference as a measure of adoption speed: theoretical issues and empirical evidence from India, 7 (1992) 351

Technological Change

Technological Change in Illinois Agriculture, 1982-1984, 2 (1988) 303

Welfare impacts of technological change on women in southern Mali, 19 (1998) 73

Technological Innovations

Soil, water and crop management alternatives in rainfed agriculture in the Sahel: an economic analysis, 7 (1992) 267

Improvement strategies for farming systems in the Eastern Highlands of Ethiopia, 8 (1992) 57

Technologies

Agricultural Technology and Farm–Nonfarm Growth Linkages, 3 (1989) 345

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Modern rice technology and regional wage differentials in the Philippines, 4 (1990) 297

Peasant farmer behavior and cereal technologies: Stochastic programming analysis in Niger, 5 (1991) 21

Capital accumulation and the growth of aggregate agricultural production, 6 (1991) 129

Efficiency of small-scale farmers in Ethiopia: a case study in the Baso and Warana sub-district, 8 (1993) 199

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

Technology characteristics, farmers' perceptions and adoption decisions: A Tobit model application in Sierra Leone, 9 (1993) 297

Testing two trade models in Latin American agriculture, 10 (1994) 49

Technology, production environment, and household income: Assessing the regional impacts of technological change, 10 (1994) 219

The cost of agricultural production risk, 12 (1995) 141

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Planting strategies of maize farmers in Kenya: a simultaneous equations analysis in the presence of discrete dependent variables, 15 (1996) 137

Research and extension expenditures and productivity in Japanese agriculture, 1960-1990, 16 (1997) 111

Technology Adoption

Ex-ante agricultural research evaluation with site specific technology generation: the case of sorghum in Kenya, 16 (1997) 125

A stall-feeding management for improved cattle in semiarid central Tanzania: factors influencing adoption, 17 (1997) 133

Consumption risk, farm characteristics, and soil conservation adoption among low-income farmers in the Philippines, 17 (1997) 165

Market access by smallholder farmers in Malawi: implications for technology adoption, agricultural productivity and crop income, 19 (1998) 219

Technology Characteristics

The influence of technology characteristics on the rate and speed of adoption, 21 (1999) 121

Technology Impact Evaluation System (TIES)

Economic impacts of East Coast Fever immunization on smallholder farms, Kenya: a simulation analysis, 13 (1996) 163

Technology Transfer

Structures and processes required for research, higher education and technology transfer in the agricultural sciences: a policy appraisal, 19 (1998) 269

Intellectual property rights and developing country agriculture, 21 (1999) 221

Tegulet-Bulga District

Adoption of New Technologies in Ethiopian Agriculture: The Case of Tegulet-Bulga District, Shoa Province, 4 (1990) 27

Tenancy

Landlords and farmers: implications, 12 (1995) 151

Tenancy Protection

Inefficiency due to tenancy protection: a new tenure problem in Taiwan, 5 (1991) 121

Texas

Crop Selection and Implications for Profits and Wind Erosion in a Semi-Arid Environment, 2 (1988) 319

Thailand

Determinants of agriculture's relative decline: Thailand, 11 (1994) 219

Dynamic relationships between US and Thai rice prices, 14 (1996) 123

The Former USSR

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

The Netherlands

Expected Economic Effects of BST in The Netherlands, 3 (1989) 231

Time Allocation

Farmers' time allocation between farm and work and off-farm work and the importance of unobserved group effects: evidence from Israeli cooperatives, 14 (1996) 135

Allocation of time for meal preparation in a transition economy, 22 (2000) 173

Time-series

A gravity model analysis of meat trade policies, 10 (1994) 81

Time-series Model

Transmission of price shifts in the context of structural adjustment: An empirical analysis for staple food after the devaluation of the franc CFA in Ivory Coast, 22 (2000) 67

Time-series Studies

Agricultural Supply Response: A Survey, 3 (1989) 1

Time-Varying

Estimation of stochastic frontier production functions with time-varying parameters and technical efficiencies using panel data from Indian villages, 9 (1993) 313

Tobacco

Differentiated products and supply controls in the analysis of agricultural policy reform: the case of tobacco, 7 (1992) 301

Impact of domestic content requirement on the US tobacco and cigarette industries, 15 (1997) 201

Tobacco Trade

Pass-through of exchange rates and tariffs in Greek-US tobacco trade, 21 (1999) 269

Tobit Analysis

Factors influencing adoption of land-enhancing technology in the Sahel: lessons from a case study in Niger, 20 (1999) 231

Tobit Model

Technology characteristics, farmers' perceptions and adoption decisions: A Tobit model application in Sierra Leone, 9 (1993) 297

Farmers' perceptions and adoption of new agricultural technology: evidence from analysis in Burkina Faso and Guinea, West Africa, 13 (1995) 1

Total factor productivity (TFP)

Modelling technical change in Italian agriculture: a latent variable approach, 22 (2000) 261

Township Enterprise

Development of township enterprise and alleviation of the employment problem in rural China, 6 (1992) 201

Toxicity

Environmental and economic consequences of technology adoption: IPM in viticulture, 18 (1998) 145

Tractors

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Tradable

Does Agricultural Growth in Poor countries Harm Agricultural-Exporting Rich Countries? 3 (1989) 309

Trade

The Evolution and Implications of the U.S. Food Security Act of 1985, 1 (1987) 175

Some Lessons from the Modelling of the Spanish Rice Market, 1 (1988) 341

Effects of international shocks and domestic macroeconomic policies upon Brazilian agriculture, 7 (1992) 317

Livestock pricing policy in sub-Saharan Africa: objectives, instruments and impact in five countries, 8 (1993) 139

Trade and Development, 8 (1993) 267

Trade and agricultural development in the 1980s and the challenges for the 1990s: Asia, 8 (1993) 345

Trade and agricultural development in the 1980s and the challenges for the 1990s: Latin America, 8 (1993) 377

Challenges of trade and agricultural development for East / Central Europe and states of the former USSR, 8 (1993) 401

Growth in horticultural trade: Japan's market for developing countries, 9 (1993) 37

An analysis of population growth, Green Revolution and terms of trade in the presence of cropsharing in agriculture, 11 (1994) 19

Dynamic adjustment in the US beef market with imports, 17 (1997) 21

The trade and environment nexus in Mexican agriculture. A general equilibrium analysis, 17 (1997) 115

China and Taiwan access to the World Trade Organization: implications for U.S. agriculture and trade, 17 (1997) 239

The interface between growth, trade, pollution and natural resource use in Chile: evidence from an economywide model, 19 (1998) 87

Trade Barriers

A proposal for the reduction of domestic price variability during the phase-in period of trade liberalization, 7 (1992) 55

Trade Development

Evaluation of external market effects and government intervention in Malaysia's agricultural sector: A computable general equilibrium framework, 11 (1994) 237

Trade Disputes

Four case studies of agri-food CVDs and a proposal for reforming national administered protection agencies, 17 (1997) 147

Trade Elasticities

International trade in a differentiated good: Trade elasticities in the world rice market, 10 (1994) 257

Trade Flows

Resource supplies and changing world agricultural comparative advantage, 10 (1994) 207

Trade Liberalization

Agricultural Trade Liberalization in a Multisector World Model, 3 (1989) 83

A proposal for the reduction of domestic price variability during the phase-in period of trade liberalization, 7 (1992) 55

Impacts of feed ingredient subsidy removal and concurrent trade liberalization in Tunisia, 7 (1992) 331

Mix and sequencing of economywide and agricultural reforms: Chile and New Zealand, 8 (1993) 295

Implications of agricultural trade liberalization for the developing countries, 8 (1993) 313

Impacts of trade liberalizations under the Uruguay round on the world sugar market, 15 (1996) 83

Agricultural trade liberalization: growth, welfare and large country effects, 17 (1997) 1

The trade and environment nexus in Mexican agriculture. A general equilibrium analysis, 17 (1997) 115

Trade Models

Testing two trade models in Latin American agriculture, 10 (1994) 49

Trade Negotiations

Challenges in quantitative economic analysis in support of multilateral trade negotiations, 14 (1996) 185

Trade Policies

Influence of Trade Policies on Price Integration in the World Beef Market, 4 (1990) 73

A gravity model analysis of meat trade policies, 10 (1994) 81

Tariff rate quotas: structural and stability impacts in growing markets, 19 (1998) 257

Trade Reform

Implications of trade reform for agricultural markets in northeast Asia: a Korean example, 21 (1999) 309

Trade Remedy Laws

Four case studies of agri-food CVDs and a proposal for reforming national administered protection agencies, 17 (1997) 147

Trade-off

Wheat and Maize Price Policies in Hungary: Tradeoffs between Foreign Exchange and Government Revenue, 1 (1987) 273

Dynamic modelling of agroforestry and soil fertility interactions: implications for multi-disciplinary research policy, 13 (1995) 125

Traditional Agricultural Sectors

Structural Change and its Impact on Traditional Agricultural Sectors of Rapidly Developing Countries: The Case of Natural Rubber, 1 (1987) 159

Transactional

Transactional framework of sharecropping: empirical evidence, 18 (1998) 47

Transactions Effects and Investments

The effects of land sales restrictions: evidence from south India, 21 (1999) 279

Transfer Efficiency

The economics of coupled farm subsidies under costly and imperfect enforcement, 22 (2000) 75

Transition

Agricultural economics: an educational and research agenda for nations in transition, 12 (1995) 193

Agricultural reforms in Central and Eastern Europe and the former Soviet Union: Status and perspectives, 22 (2000) 37

Transition Economies

Economy-wide reform and agricultural recovery: Observations of economic Darwinism among transition economies, 14 (1996) 143

Allocation of time for meal preparation in a transition economy, 22 (2000) 173

Tropical Africa

Agricultural Policy in Tropical Africa: is a Turnaround Possible?, 1 (1986) 19

Changes needed in agricultural policy for female-headed farm families in tropical Africa, 4 (1990) 239

Tropical Areas

Soil conservation and government policies in tropical areas: Does aid worsen the incentives for arresting erosion?, 12 (1995) 129

Tropical Farming

Measuring the sustainability and economic viability of tropical farming systems: a model from sub-Saharan Africa, 9 (1993) 279

Tubewells

Role of Tractors, Tubewells and Plant Breeding in Increasing Cropping Intensity in Pakistan's Punjab, 4 (1990) 13

Tunisia

Impacts of feed ingredient subsidy removal and concurrent trade liberalization in Tunisia, 7 (1992) 331

U**U.S. Fruits**

Seasonality and unit roots: the demand for fruits, 18 (1998) 53

Uganda

Farmer-to-farmer transfer of new crop varieties: an empirical analysis on small farms in Uganda, 11 (1994) 43

Ukraine

Agricultural economics: an educational and research agenda for nations in transition, 12 (1995) 193

Restructuring of traditional farms and new land relations in Ukraine, 13 (1995) 27

Unbiased Forecast

Are piglet prices rational hog price forecasts?, 13 (1995) 119

Uncertain Prospects

Cardinal criteria for ranking uncertain prospects, 8 (1992) 21

Uncertain Soil Moisture

Soil, water and crop management alternatives in rainfed agriculture in the Sahel: an economic analysis, 7 (1992) 267

Uncertainty Variables

Pests and Pesticides, risk and risk aversion, 5 (1991) 361

Uncertainty

Labour on the Family Farm: a Theory under Uncertainty, 1 (1988) 365

Evaluating agricultural energy policies under uncertainty: the case of electricity in South India, 3 (1989) 187

Multiple Leasing under Cropshare Tenancy – A Note, 4 (1990) 91

Analysis of Uncertainty as Opposed to Risk: An Experimental Approach, 4 (1990) 145

Empirical testing of alternative price spread models in the South African maize markets, 6 (1991) 49

Modelling stochastic crop response to fertilisation when carry-over matters, 6 (1991) 97

Labour on the family farm: a theory under uncertainty – an extension, 8 (1992) 33

Compensated optimal response under uncertainty in agricultural household models, 11 (1994) 111

Underfunding

Persistent Underinvestment in Public Agricultural Research, 1 (1986) 53

Underinvestment

Persistent Underinvestment in Public Agricultural Research, 1 (1986) 53

A test of the underinvestment, myopia and commodity bias hypotheses for U.S. agricultural research, 4 (1990) 209

Underutilization

Development of agriculture in Ethiopia since the 1975 land reform, 6 (1991) 159

Unit Roots

Seasonality and unit roots: the demand for fruits, 18 (1998) 53

Unitary Model

The income earned by women: impacts on welfare outcomes, 20 (1999) 135

United States
