### **ISAE FELLOWS**

The Indian Society of Agricultural Economics has instituted ISAE Fellows for their life time contribution in the field of agriculture and rural development in 2010. The honour of Fellow, to be given annually, to an Indian scholar who has made outstanding contribution in the field of agriculture and rural development.

The award will consist of a citation and the designation of Indian Society of Agricultural Economics Fellow. The fellow selection committee will select the Fellow. The maximum number of new fellows in any year would be not more than three members selected from the nominations received by the Fellow Selection Committee. The Fellows Recognition Ceremony will be held as part of the Society's Annual Conferences.

Any ISAE Past Conference President may nominate any living member who has been a member of the Society for minimum 10 years and who has been actively involved with the Society and the age limit is 50 years and above. The Indian Society of Agricultural Economics Fellow Selection Committee is inviting nominations for the 2014 ISAE Fellow Awards. The deadline for submission of nominations and the supporting documentation is July 31, 2014. Nominations received beyond this date will not be entertained. Besides any person who has been subject to official inquiry for any irregularities is not eligible for the Award.

Nominations of President(s) and Conference President(s) (ex- and current) should not be made as they are deemed to be Honorary Fellows.

Nominations should be sent by email before September 15, 2014 to: The Hon. Secretary and Treasurer by Email at: [isae@bom7.vsnl.net.in](mailto:isae@bom7.vsnl.net.in)

## GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

**1. Subjects:** The objective of the Journal is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in any analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the Journal. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

**2. Size of Paper:** In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½ -by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the papers. The authors may send their papers in electronic form at the following email address: [isae@bom7.vsnl.net.in](mailto:isae@bom7.vsnl.net.in)

**3. Copies:** Two copies of each paper should be submitted along with a processing fee of Rs. 500/- either by M.O. or Demand Draft (US \$ 25.00 or £ 15.00) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

**4. Author's identification:** To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliations(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

**5. Mathematical notations:** Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

**6. Figures-Charts and Tables:** Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

**7. Footnotes:** Footnotes should be numbered consecutively in plain arabic superscripts.

**8. References and citations:** Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

**9. General:** While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is editorial policy not to consider for publication more than one paper from the same author during a year.

**Papers which are not found suitable for publication will not be returned unless accompanied by a self-addressed and stamped envelope. No correspondence will be entertained on the papers rejected by the Editorial Board.**

**10. Reprints:** No free reprints of the paper would be given to the author. However an author can obtain a soft copy of the paper in PDF format at Rs.500/- per article.
