Obituary

Dr. V.M.Rao (1931-2015)

The Indian Society of Agricultural Economics deeply mourns the sad demise of Dr. Vidyanand Madiman Rao, known as V.M. Rao on May 01, 2015 at the age of 84. Dr. Rao was an agricultural economist and made outstanding contribution in the field of agriculture particularly poverty related issues and rural development.

Dr. Rao obtained his Ph.D. degree from the University of Bombay in 1963 and pursued one year post doctoral work in the University of Chicago, U.S.A. from 1964-65. During his academic career he held several distinguished positions in various organizations. Apart from being a Visiting Fellow and Member in many Institutes and Universities all over India, he was also a Member, Commission for Agricultural Costs and Prices, Government of India from 1991 to 1995. Prof. V M Rao is internationally known for his seminal contribution 'Two Decompositions of Concentration Ratio' in the *Journal of the Royal Statistical Society* (1969) in which he addressed the question of decomposition of Gini ratio; he distinguished Gini decomposition as between (i) sub-populations; and (ii) components of the variable under review.

His association with the Institute for Social and Economic Change (ISEC), Bangalore extended over four decades where he continued to serve as Honorary Visiting Professor even after retirement.

Dr. Rao was a life member of the Society. He was associated with the Society for a long time in one capacity or other. He served with distinction the Society as Hon. Secretary & Treasurer from 1972-75, as Hon. Jt. Secretary from 1969-71 and Chairman of the Editorial Board of Indian Journal of Agricultural Economics from 2000-2004. He presided over the 51st Annual Conference of the Society held at Andhra Pradesh Agricultural University, Rajendranagar, Hyderabad in 1991. The theme of his Presidential Address was "Change Processes in Dryland Communities".

Field studies in Karnataka were the forte of Dr. Rao. He has published a number of books and research papers in reputed academic journals. Some of his important publications include "Food" (Second India Studies sponsored by the Ford Foundation in 1975), Rainfed Agriculture (Vol.10 in the Series-State of Farmer: A Millennium study in 2004, Poverty Reduction in an Elite-driven Democracy in 2005.

The grief of Dr. Rao's loss is shared by his professional colleagues, Office bearers of the Society and his large circle of friends.

Obituary

Dr. C.H.Shah (1920-2015)

The Indian Society of Agricultural Economics deeply mourns the sad demise of Dr. C.H. Shah on May 02, 2015 at the age of 95. Dr. Shah was a Gandhian by thought, Quit India Movement freedom fighter and an agricultural economist who made outstanding contribution in the field of agricultural research and development

He taught agricultural economics at **Mumbai University** and served as **Visiting Scholar at Harvard University** and as **World Bank Consultant after retirement**. Dr. Shah served with distinction the Society as the Editor of the Indian Journal of Agricultural Economics during the year 1987 and served the Society in one capacity of other. He was the Honorary Secretary and Treasurer of the Society from 1968-71 and as Hon. Jt Secretary from 1961-66. He presided over the 39th Annual Conference of the Society held at Institute for Social and Economic Change, Bangalore in 1979. The theme of his Presidential Address was Food Preferences and Nutrition: A Perspective on Poverty in Less Developed Countries”

Dr. Shah was a Life Member of the Society. He took active interest in the affairs of the Indian Society of Agricultural Economics. He has published a number of books and research papers in both national and international journals. In his death the academic community has lost a renowned economist of national and international repute.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the Journal is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in any analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the Journal. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper: In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½ -by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the papers. The authors may send their papers in electronic form at the following email address: isae@bom7.vsnl.net.in

3. Copies: Two copies of each paper should be submitted along with a processing fee of Rs. 500/- either by M.O. or Demand Draft (US \$ 25.00 or £ 15.00) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification: To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliations(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations: Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables: Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes: Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations: Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

9. General: While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is editorial policy not to consider for publication more than one paper from the same author during a year.

Papers which are not found suitable for publication will not be returned unless accompanied by a self-addressed and stamped envelope. No correspondence will be entertained on the papers rejected by the Editorial Board.

10. Reprints: No free reprints of the paper would be given to the author. However an author can obtain a soft copy of the paper in PDF format at Rs.500/- per article.
