AGRICULTURAL SITUATION IN INDIA

A monthly journal presenting a factual and integrated picture of the agricultural and food situation in India, against an appropriate background.

This journal, issued by the Directorate of Economics and Statistics, Union Ministry of Food and Agriculture, has as its regular features :

- * A monthly newsletter surveying the latest developments in the field.
- * Authoritative special articles on topics of current interest.
- * Extensive information on events and trends in India and abroad.
- * Reviews of production and prices of various commodities.
- * A comprehensive statistical section.

Commanding a wide and influential readership in India and abroad, **Agricultural Situation in India** is an invaluable guide to students of agricultural economics, business executives and administrators.

Annual subscription Rs. 1?.

Available from :

1. The Manager of Publications, Civil Lines, Delhi-8.
2. The Secretary to the High Commissioner for India, "India House", Aldwych, LONDON, W. C. 2.

INTERNATIONAL LABOUR REVIEW

Monthly—Articles on Economic and Social Topics.

A Statistical supplement gives information on employment, unemployment, wages, consumer prices, etc. Among recent articles have been the following:

Interracial Wage Structure in Certain Parts of Africa.

Manpower Planning in India.

Production Techniques and Employment Creation in Underdeveloped Economies.

The Protection of Transport Workers against Civil Law Claims Arising out of Their Employment.

The Social and Economic Development of the Sudan.

A specimen copy of the **Review** and a catalogue of International Labour Office publication will be forwarded on application to the International Labour Office, Geneva, or to the Director of Indian Branch Office of the I.L.O., I-Mandi House, New Delhi.

Annual subscription : Rs. 24.00

Single copy : Rs. 2.37

(Published in English, French, and Spanish Editions)

A Great Sound of Machines...

When Balbir Singh came to Jamshedpur from Bahrein in 1957, the site for the new Rs. 100-million Blooming Mill—a key unit of Tata Steel's Two Million Ton expansion programme—had just been cleared after levelling a large hillock.

Today this new 46" Blooming Mill, the largest of its kind in India, with a rolling capacity of two million tons, is all set to produce the blooms and slabs from which rails, structurals, plates, sheets and many other products will be rolled.

Despite the Suez Crisis which delayed vital supplies and other difficulties, the

rapid completion of the Blooming Mill was made possible by the devoted service of men like Balbir Singh. He and hundreds of other Indians, assisted by American and German technicians, worked round-the-clock on this major expansion project to produce more steel to strengthen India's economy.

TATA STEEL
ON TO TWO MILLION TONS

The Tata Iron and Steel Company Limited

THE INDIAN SOCIETY OF AGRICULTURAL ECONOMICS, BOMBAY

AIMS AND OBJECTS

To promote the investigation, study and improvement of the economic and social conditions of agriculture and rural life through :—

(Continued on inside cover)

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. **Subjects:** The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. **Size of Paper :** In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8 $\frac{1}{2}$ -by-11 inches) including tables and appendices (with margins on all sides of at least 1 $\frac{1}{2}$ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. **Copies :** Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. **Author's identification :** To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. **Mathematical notations :** Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. **Figures-Charts and Tables :** Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. **Footnotes :** Footnotes should be numbered consecutively in plain arabic superscripts.

8. **References and citations :** Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. **General :** While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. **Reprints :** Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodhi, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
