INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

INDIAN SOCIETY OF
AGRICULTURAL ECONOMICS,
BOMBAY

ANNOUNCEMENT

GOLDEN JUBILEE—1960

ALLAHABAD AGRICULTURAL INSTITUTE
ALLAHABAD, U. P.

The Allahabad Agricultural Institute, a pioneer institution in the field of agricultural education, research and extension, is commemorating its 50 years of service to Indian agriculture by a week of celebrations, October 23-30, 1960. The theme of the celebrations will be centered round an historical presentation of the past and the planning of the future.

The Allahabad Agricultural Institute was founded in 1910 by a group of pioneers under the leadership of the late Sam Higginbottom. Initially, diploma courses in Agriculture and Dairying were given. From 1934 a degree course in Agriculture has been given under the control of the Allahabad University. In 1942 a degree course in Agricultural Engineering, the first of its kind in South-east Asia at that time, was started. The degree course in Home Economics Extension commenced from July this year. A research programme has been an integral part of the Institute activities since the early days. Research in cattle breeding, development of agricultural implements, work on agricultural crops and fruit trees have been in operation for decades. During these years several short-term research projects have been conducted here, financed by Central and State Governments and other research sponsoring agencies. For more than a decade our Extension Department has made pioneer efforts to disseminate knowledge gained here for use in the farming areas, and has made efforts to evaluate different modes of transmission of such knowledge.

More than one thousand students have graduated from this Institution and many are holding important positions in the field in the country.

Our programme for the week is:—

October 23	Dedication of Chapel
„ 24-29	Farmers' Fair
„ 24	International Day
„ 26	Seminar on Agricultural Education
„ 27	Alumni Day.

Every evening: Dramatic & Cultural programmes.

AGRICULTURAL SITUATION IN INDIA

A monthly journal presenting a factual and integrated picture of the agricultural and food situation in India against an appropriate background.

This journal, issued by the Directorate of Economics and Statistics, Union Ministry of Food and Agriculture, has as its regular features :

- * **A monthly news-letter surveying the latest developments in the field.**
- * **Authoritative special articles on topics of current interest.**
- * **Extensive information on events and trends in India and abroad.**
- * **Reviews of production and prices of various commodities.**
- * **A comprehensive statistical section.**

Commanding a wide and influential readership in India and abroad, **Agricultural Situation in India** is an invaluable guide to students of agricultural economics, business executives and administrators.

Annual subscription Rs. 12.

Available from :

1. **The Manager of Publications, Civil Lines, Delhi-8.**
2. **The Secretary to the High Commissioner for India "India House," Aldwych, LONDON, W.C.2.**

THE INDIAN ECONOMIC JOURNAL

The Quarterly Journal
of

The Indian Economic Association

Edited by
R. Balakrishna D. T. Lakdawala P. R. Brahmananda

The Indian Economic Journal is a quarterly devoted to a scientific discussion of theoretical and applied economics with special reference to India. It is thus a forum for professional economists and others working in the same field and is intended to help in the development of correct economic thinking with particular reference to the problems of this country. The authors alone are responsible for the views expressed by them. The Association, as a scientific body, is not wedded to any economic or political ideology. It does not subscribe to any views nor does it pass resolutions on any economic issue.

The Journal is being published in the months of January, April, July, and October.

Communications should be addressed to the Editor, Indian Economic Journal, Department of Economics, University of Bombay, Bombay 1.

Annual Subscription	...	Rs. 15/- or £ 1-5 or \$ 4.00 inclusive of postage
Student's Subscription*	[...	Rs. 10
Single Copy	...	Rs. 5/- or 7/6 d. or \$ 1.25.

* Bonafide University students can get copies of the Journal and the Conference Volume for a year for Rs. 10/-, provided they submit a certificate from the Head of their College or University Department that they are studying Economics during the year in question at that Institution.

Other issues : Single copy : Rs. 4.00

The Honorary Secretary

THE INDIAN SOCIETY OF AGRICULTURAL ECONOMICS,
46-48, Esplanade Mansions,
Mahatma Gandhi Road,
Bombay 1.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8 $\frac{1}{2}$ -by-11 inches) including tables and appendices (with margins on all sides of at least 1 $\frac{1}{2}$ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodh, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
