ANNOUNCEMENT

DOCUMENTED INDEX OF ARTICLES RELATING TO AGRICULTURAL ECONOMICS, 1971

The Indian Society of Agricultural Economics with the support of the Indian Council of Social Science Research, New Delhi, has prepared a documented index of 11,000 articles relating to agricultural economics on the basis of the Dewey Decimal System covering the period 1950-1970. The index of documented articles was put on punch cards and computerised, which give details regarding titles of articles, names of the authors and the periodicals, the date of issue, etc. Copies of this index will be supplied to research scholars and research institutions and universities at cost (Rs. 350 plus forwarding charges Rs. 20).

For the year 1971 a similar index of articles has been prepared. The index includes about 700 articles documented on the basis of the Dewey Decimal System. The cost of this index is Rs. 40.00. Research scholars and institutions who would like to purchase this index may please place their order with the Hon. Secretary of the Society.

Steels have changed. With the times.

From a sword to a "Vijayanta" tank, man has come a long way. So've steels.

From the ancient art of smelting and fashioning iron to the modern highly skilled science of making special steels for special purposes.

Chrome molybdenum steel for aircraft, bullet-proof high speed steel for armour, high tensile steel for bridges.

The fire that burned in our first furnace 64 years ago has changed its hues to match the new spectrum of progress.

INTERNATIONAL LABOUR REVIEW

Published monthly in English, French and Spanish by the International Labour Office, Geneva. Articles and information on topics relating to labour, human resources utilisation, incomes policy, industrial relations and other current issues affecting conditions of life and work in all countries.

Annual subscription [January to December]: US \$ 8. 50

YEAR BOOK OF LABOUR STATISTICS, 1971

The thirty-first edition of this unique reference work brings together in statistical form world-wide data on labour and conditions of work in some 180 countries and territories.

It provides the background information essential to a proper understanding of trends and developments in labour and related matters influencing all aspects of modern society. Its 45 tables of up-to-date statistics make it an indispensable source of reference and a research aid for business and industry, universities, employers' and workers' organizations, and government.

Whenever possible, data are provided for the past ten years (1961-70) and, in some tables, for part of 1971.

xxiv + 800 pp.

Price: Paper US \$ 12.50

Cloth US \$ 15.—

Publications may be obtained through major booksellers, from ILO Publications, International Labour Office, CH-1211, Geneva 22, Switzerland or from ILO Area Office, 7 Sardar Patel Marg, New Delhi-11.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. **Subjects:** The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. **Size of Paper :** In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8 $\frac{1}{2}$ -by-11 inches) including tables and appendices (with margins on all sides of at least 1 $\frac{1}{2}$ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. **Copies :** Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. **Author's identification :** To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. **Mathematical notations :** Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. **Figures-Charts and Tables :** Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. **Footnotes :** Footnotes should be numbered consecutively in plain arabic superscripts.

8. **References and citations :** Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. **General :** While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. **Reprints :** Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodhi, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
