This issue of the Journal contains the Papers selected for discussion at the 32nd Session of the Annual Conference of the Society scheduled to be held under the auspices of the U.P. Institute of Agricultural Sciences, Kanpur-2 (U.P.) from 23rd to 25th December, 1972. The subjects selected for discussion at this Session of the Conference are:

1. Income, Savings and Investment in Agriculture.
2. Production Patterns.
3. Rural Unemployment.

This issue also includes the Rapporteurs' Reports on each of these three subjects. The President of the Conference on the recommendations of the Rapporteurs has accepted 72 Papers for discussion at this Conference. Out of these, 24 Papers have been published in full in this issue along with the Summaries of the remaining 48 Papers. We regret that it has not been possible to print all the Papers in full because of the heavy cost of printing. We apologise to the authors whose Papers could not be printed in full. We are thankful to the Rapporteurs for sending their Reports covering the main points contained in the Papers and also for outlining the issues for discussion.
