## PREAMBLE

The Employer and the Union, after negotiating in good faith, have come to the following understanding covering wages, hours, conditions of employment, and other benefits for the agricultural employees of the Employer. The parties agree that it is their intent and the spirit of this Agreement to benefit all phases of agricultural employment, the employees, as well as the industry. Both the Employer and the Union hereby pledge that they will cooperate with each other in good faith for the best interest of all concerned. The Union agrees to use all proper means to recommend the products of the Employer.

## ARTICLE I - PARTIES

This Master Agreement is between Bruce Church, Inc., hereafter referred to as the "Employer" or "Company", and the Western Conference of Teamsters, International Brotherhood of Teamsters, Chauffeurs and Warehousemen and Helpers of America, and affiliated signatory Local Unions added, and who may be added as parties to this Agreement, hereinafter referred to as the "Union".

ARTICLE - SCOPE OF AGREEMENT

This Agreement shall cover all agricultural employees of the Company in California as defined by the ALRA, Section 1140.4(b). Also included are agricultural employees employed by a company that would, under Federal precedent, be considered the alter ego or the joint employers of the Company.

Excluded from coverage are supervisors, as defined by the ALRA of 1975, Section 1140.4(j), except crew leaders who do not have authority to exercise independent judgment in the course of their supervisory duties shall be covered; office-clerical employees, security guards; members of immediate families of owners of the Company; and employees covered by another union contract, either affiliated or not affiliated with the International Brotherhood of Teamsters, etc.

The Company shall notify the Union, upon request, of the exact locations of the Company's agricultural operations for use by Union agents, pursuant to Article \_\_, Visitations.

In the event that the Agricultural Labor Relations Board shall, within the term of this contract, certify any other employees not here included as within the bargaining unit, such employees shall be included under the terms of this Agreement.

The Union shall have the right to add additional local unions affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America as parties to this Agreement. The Union shall also have the right upon prior written consent of the Employer, to assign this Agreement to any other local union or unions affiliated with the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America and such local union or unions shall be recognized as the representative of the employees covered by this Agreement and parties thereto.

ARTICLE

NON-ORGANIZED UNITS

The provisions of this article shall apply only to workers who are excluded from the coverage of the California Agricultural Labor Relations Act of 1975 who are employed in California.

This Agreement shall not be applicable to those operations of the Company whose employees are covered by a collective bargaining agreement with another Union, either affiliated or not affiliated with the International Brotherhood of Teamsters, etc. In the event that the Union should organize any unit of employees of the Company's non-agricultural operation, the Company shall upon reasonable notice from the Union meet with the Union to negotiate an appropriate supplemental agreement to cover such unit of employees. However, as a condition precedent, the Union will submit proof of majority representation by means of a cross check showing authorization from a majority of the seasonal employees for the operation for employees under the NLRA.

Upon demand by the Company, the validity of the Union's majority representation as shown by the authorization signatures shall be verified by the following procedure;

The Company must notify the Union within ten (10) calendar days after the Union makes written demand for recognition, that it desires verification of the Union's majority status. If the Company does not comply with the foregoing provision the Union will be deemed to have been recognized by the Company.

ARTICLE                      (CONTINUED)

If the Company makes such demand in a timely manner, the parties agree that the Union shall submit proof of its majority status to a mutually agreeable third party who shall verify same by examination of the Company's payroll or other records. The Company shall prepare an eligibility list to be agreed upon by the Union and the Company. The impartial third party shall resolve disputes over the eligibility list. If the Company fails to promptly (no later than five working days after demand of the impartial third party) allow such verification, the Union shall be deemed to have been recognized by the Company. The parties agree that such impartial third party shall not disclose to either the Company or Union the contents of the materials he uses to verify the Union's majority status, but shall only indicate in writing whether the Union has authorization signatures from a majority of the Company's employees.

ARTICLE - UNION SECURITY

(a) It shall be a condition of employment that all employees of the Company covered by this Agreement who are members of the Union in good standing on the effective date of this Agreement shall remain members in good standing. Those who are not members on the effective date of this Agreement shall, on the fifth (5th) calendar day following the effective date of this Agreement, become and thereafter remain members in good standing in the Union. It shall also be a condition of employment that all employees covered by this Agreement and hired on or after its effective date shall, on the fifth (5th) calendar day following the beginning of such employment, become and thereafter remain members in good standing in the Union.

(b) The Company shall furnish employees at the time of hire membership applications and dues check-off authorization forms as provided by the Union. The Company shall also advise new employees that it is a condition of their employment that they must become and thereafter remain members in good standing in the Union within five (5) calendar days after the date on which they are hired. An employee who fails to become a member of the Union or whose membership in the Union is terminated shall be discharged and shall not be re-employed until the Union notifies the Company in writing of the employee's good-standing status.

ARTICLE                      (CONTINUED)

secure a judicial determination thereof. Should these laws be repealed or held invalid by the court of last resort, the provisions of (a) and (b) of Section III of this Agreement shall thereupon become effective as to operations in these states, except as same may be modified or superseded by any act of Congress.

(g)        Should the provisions contained in (a) or (d) above of this Section III become unlawful, then the parties agree to modify said provisions so as to provide the maximum union security and check-off allowed by law.

(h)        The Union shall indemnify, defend and hold the Company harmless from and against any and all claims, demands, suits or other forms of liability which may arise out of or by reason of action taken by the Company for the purpose of compliance with any of the provisions of this Article.

## ARTICLE XII -- SENIORITY

In the event an employee works for the Company at least thirty (30) days within the preceding ninety (90) calendar days he shall acquire seniority on the thirtieth (30th) day of work with the Company retroactive to the original date of hire. Seniority shall prevail in layoffs, recall, and filling of job vacancies; provided however, the employee is able to do the work. The Company shall have the right to determine any employees ability to do the work, regardless of seniority, but such determination shall not be exercised arbitrarily. In all cases the senior employee shall have a reasonable time to demonstrate his ability to do the work satisfactorily in the event such employee is unable to satisfactorily do the work, the employee shall return to his prior job classification. While there is no job classification seniority, the Company agrees not to change an employee's job classification arbitrarily.

Seniority shall be broken for the following reasons:

(1) Voluntarily quitting; provided however, that it shall not be a breach in service if a Company's operations in a particular area have terminated for a season and an employee declines to work at the Company's operations in another geographical area.

(2) Discharge for cause.

The applications of this Section shall be subject to the Grievance and Arbitration Procedure of this Agreement.

Each ninety (90) days beginning with the date of the execution of this Agreement, the Company shall provide the Union with a current seniority list showing the name of each employee, his original date of hire and his Social Security Number.

Where more than one employee has the same original date of hire, the employee with the lower last four digits in his Social Security Number shall have the higher seniority.

Seniority as described in this section is defined as Company seniority, which means length of service with the Company. However, where a dispute arises, the senior employee within a geographical area of operation shall have preference. It is understood and agreed that work performed in certain commodity groups and/or makeup of the work force, it is customary for families and/or certain employees to work together. In applying seniority the Company and the Union agree to interpret this Section as far as possible toward that end. It is not the intent of the Union to disrupt Company's present operation or to prevent the Company from securing labor to meet emergencies which may arise from time to time during the term of this agreement.

Seniority shall not be applied so as to displace (bump) any employee of the Company within an established crew, commodity or geographical area.

ARTICLE

LEAVES OF ABSENCE

Leaves of absence, not to exceed two (2) months without pay, may be granted by applying to and receiving approval from the Company. Leaves of absence may be extended by applying to and receiving approval from the Company, upon a satisfactory showing of necessity.

Leaves of absence not in excess of three (3) days may be either in writing or oral at the option of the Company. All leaves of absence in excess of three (3) days must be in writing on forms furnished by the Company and signed by the Company representative, and the employee requesting such leave, in triplicate-one copy for the employee, one for the Union, and one for the Company.

Leaves of absence shall not be granted for, or used by, employees to work elsewhere or to venture into business.

Leaves of absence shall be granted or extended upon illness of an employee substantiated by a doctor's certificate or other adequate proof of illness.

Such employees shall be given, upon written notice from the Union to the Company, a leave of absence not to exceed one year, which shall be extended yearly thereafter on request, provided the employees shall be continuously conducting Union business. Not more

In the event the employees commence work, they shall be paid a minimum of four (4) hours. Hourly employees shall be paid the hourly rate or piece-rate employees shall be paid four (4) times that day's average piece-rate earnings per hour. It is agreed that the provisions of this section shall not apply to inadvertent or bonafide errors made by the Company in applying the terms and conditions of this agreement if such error is corrected, within ninety (90) days of the error.

No other Company shall be bound by the voluntary acts of another Company when he may exceed the terms of this agreement.
