LACOR AGREEMENT

D. The Company will advise new workers that it is a condition of their employment that they must become and thereafter remain members in good standing in the Union immediately following five (5) continual days after the beginning of their employment. The Company shall furnish workers membership applications and dues checkoff authorization forms as provided by the Union.

E. The Union shall indemnify and hold the Company harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Company for the purpose of compliance with any of the provisions of this Article.

ARTICLE 3.

HIRING

A. The Company and the Union agree that the Company may continue to use its present central facility located at the main office.

B. The Company shall follow a centralized hiring procedure, designate a person or persons with the exclusive authority to hire new employees at such location. Neither supervisors nor foremen shall have the authority to hire new employees or effectively recommend so.

C. Before the Company hires new employees, the Company agrees to first recall all workers with seniority, in accordance with the provisions of Article 4, Seniority.

D. The Company will review job applications and shall maintain such applications on file for at least three (3) months. The Company will notify the Ranch Committee in writing of the times applications are being accepted.

E. Such hiring procedure shall be as follows:

1. Hours of business for accepting job applications when jobs are available and hiring at the hiring facility shall be regular, uniform and convenient to all persons. Such regular hiring hours shall be from 8:30 a.m. to 4:30 p.m. during Company business hours.
2. Before being hired, a person desiring work shall fill out the job application provided by the Company at the hiring facility.
3. Hiring will be based on skill and experience when possible, for available job positions.

LABOR AGREEMENT

4. The name of each employee hired and his date of hire, department and classification shall be furnished to the Ranch Committee within five (5) days of his employment.
5. Upon request by the Union, the Company will provide in writing the reasons for rejection of any particular applicant.

F. At the time of hiring, the Company shall comply with its responsibilities contained in Article 2, Union Security. The Company will be responsible and assist new employees to complete and sign the Union Membership Application and Dues Checkoff authorization cards upon the day of hire, but in any event no later than immediately following five (5) continual days from the beginning of employment. The Company will immediately give a copy of the dues checkoff authorization card to the worker, retain the original for its use pursuant to Article 2, Union Security, and immediately remit the third copy along with the completed membership application to the Union. The Company shall notify the Union within five (5) days of the date of hire, the names, addresses, social security numbers, job classifications, and departments of all new workers. A copy of such notification shall be supplied to the Ranch Committee.

G. The Company agrees that there shall be no discrimination against any prospective employee when hiring, pursuant to Article 10, "No Discrimination" for Union Membership or Union Activity.

ARTICLE 4.

SENIORITY

A. Seniority shall be defined as the total length of continuous service with the Company. Seniority shall not apply to a worker until he has been employed by the Company for twenty (20) days. During said twenty (20) day period, supervisors will fully explain the job duties and requirements. A worker shall be given a fair opportunity to demonstrate his performance. The supervisor shall point out the worker's mistakes in order to help him learn the job. Workers may be discharged by the Company during said twenty (20) day period without recourse to the grievance procedure. Egg Gatherers may be terminated for poor work performance for an additional ten (10) day period of employment and will not have recourse to the grievance and arbitration procedures of this Agreement. Records of Egg Gatherers who are terminated during the additional ten (10) day probationary period, may be viewed by the Union to support poor work performance. However, the Company shall not discharge a worker because of his Union Membership or Union

LABOR AGREEMENT

activities or other discrimination as provided in Article 10, No Discrimination. Seniority shall commence upon the completion of the probationary period, whereupon the individual shall be considered a seniority worker with seniority dating back to his original date of hire or re-hire.

B. In the reduction of the work force due to slackness of work or any other reasons, the least senior worker in the Department and classification shall be the first worker laid off. The worker laid off can use his Company seniority to bump the worker with the least Company seniority providing the employee can perform the work. In recalling, the last worker laid off in the Department and classifications shall be the first worker recalled. The Company will notify the worker, being recalled to the Department, by certified letter sent to the worker's last known address. The Company will notify the Ranch Committee, in writing, the names of the workers being recalled and the worker must present himself for work within five (5) days from the postmark date of the certified letter from the Company. Failure of such worker to present himself within said five (5) days shall cancel his seniority. When recall letters sent to workers are returned to the Company with Postal Service notification of non-delivery, the Union shall be notified of worker's name and the address from which letter was returned. The Company shall make available to the Union any returned letter and envelope upon request.

C. Seniority shall be considered broken by:

- (1) Discharge for just cause.
- (2) Resignation or voluntary quit.
- (3) Failure on the part of a worker to perform any work covered by this Agreement for a period of one (1) year or longer, unless on an authorized leave of absence.
- (4) Unexcused failure to report for work for any successive three (3) scheduled working days. This provision shall be limited to once per year and cannot be tacked onto a leave of absence or vacation.
- (5) Failure to return from an authorized leave of absence or vacation upon the required working day.
- (6) Promotion of a worker to a supervisory or other position within the Company outside the bargaining unit.

The Company will provide to the Union the name, Department and date seniority was broken for each worker pursuant to this section within three (3) days after the close of the payroll period.

LACOR AGREEMENT

D. All workers are to be given written notice either in person or through notice posted on a bulletin board of impending layoff as soon as possible, but in no event later than two (2) days before the layoff.

E. When a permanent job vacancy occurs, the position will be posted by the Company on all bulletin boards for three (3) days before being filled. A copy of such posting will be provided to the Ranch Committee. First preference to award the position will be given in the department. Vacancies created by the successful promotion of a worker or workers will be awarded from promotional bids. Employees will be limited to one (1) successful non-promotional bid per year.

F. The senior worker, provided the worker is able to do the work properly, will be selected by the Company to fill the job openings described in paragraph E above. In such cases the supervisor will fully explain the job duties and requirements and give the worker a minimum of one (1) day up to four (4) days to meet the job requirements. The Company will advise the employee in writing of the reason for denial of promotion. If such worker cannot meet the job requirements, he shall return to his former classification and rate and the Company will select the next most senior employee, provided the worker is able to do the work properly and the supervisor will fully explain the job duties and requirements and give the worker up to four (4) days to meet the job requirements. The selection procedure will be repeated until the posted list has been exhausted.

G. The Company shall maintain a current seniority list at all times, which shall be supplied to the Union representative and Ranch Committee every three (3) months. Workers' names shall be placed on the current seniority list in the order of date of employment or re-employment following a voluntary quit or discharge. The seniority list shall be posted on the bulletin boards.

ARTICLE 5.

GOOD FAITH CLAUSE

The parties agree to meet, discuss and do everything within their power to resolve in good faith, any dispute or controversy which arises between the Company and a worker, a group of workers, or the Union, and which is not specifically covered by the terms of this Collective Bargaining Agreement. All parties agree to do their utmost to create a harmonious relationship.

LABOR AGREEMENT

ARTICLE 6.

GRIEVANCE AND ARBITRATION PROCEDURE

A. Any controversy, dispute or disagreement of any nature involving the interpretation or application of this Agreement which arises between the Company and the Union, or any claim by a worker or group of workers which arises under the terms of this Agreement, shall be subject to this Grievance and Arbitration Procedure. This Procedure shall be the exclusive means for handling and resolving any disputes arising hereunder, and no other means shall be utilized until this Grievance and Arbitration Procedure has been exhausted.

B. The Company agrees to cooperate to make Union Stewards available to perform their functions under this Agreement.

C. Grievances dropped by either party prior to an arbitration hearing shall be considered as withdrawn without prejudice to either party's position on a similar matter in the future.

D. FIRST STEP. Any grievance arising under this Agreement shall be discussed between the Company's supervisor and the employee with or without the Union Steward within five (5) working days of the incident. They shall use their best faith efforts to resolve the grievance. The responding party shall respond to the grievance verbally within three (3) working days of the First Step meeting. If the grievance is not resolved, the grieving party shall reduce the grievance to writing setting forth the nature of the grievance and submit it to the Second Step within five (5) working days of the First Step response. A grievance regarding a discharge of an employee must be filed in writing within five (5) working days of the discharge.

E. SECOND STEP. Any grievance not resolved in the First Step and submitted in writing shall be discussed in a meeting between the Company's department head and the employee with the Union Steward within five (5) working days of the grievance being submitted in writing. The responding party shall respond to the grievance in writing within three (3) working days of the Second Step meeting. If the grievance is not resolved, it shall be referred to the Third Step within five (5) working days of receipt of the Second Step response.

F. THIRD STEP. Any grievance not resolved in the Second Step shall be discussed in a meeting between the designated Company representative(s) and the Union Grievance Committee within five (5) working days of receiving the grievance for Third Step. A Union Representative may fully participate in the Third Step grievance meeting. If the grievance is not

LACOR AGREEMENT

resolved in such meeting, the responding party shall respond to the grievance in writing within three (3) working days of the Third Step meeting. If the responding party fails to provide its written response within three (3) working days, the grievance shall be deemed resolved in the grieving party's favor.

The Second and Third Step grievance meetings shall take place during working hours at no loss of pay to the Steward(s) and Grievance Committee members. However, the total amount of paid time allotted to the Stewards and Grievance Committee members shall not exceed twenty-eight (28) manhours in any one calendar month, unless the Company requests additional meeting time during working hours. A Steward who is a piece rate worker shall be compensated at the general labor hourly rate for time spent in such meetings provided that the Steward's total earnings for that day shall equal his average daily earnings for the prior five (5) working days or he shall be paid his actual piece rate for that day, whichever is greater.

Written responses in Second Step and Third Step shall detail the reason(s) for denial of the grievance as best that can be determined at the time.

For purposes of this Article, "working days" shall not include Saturday, Sunday or holidays.

G. FOURTH STEP. If the foregoing fails to produce settlement, the grieving party may appeal the grievance to arbitration by giving written notice to the other party of its desire to arbitrate within fifteen (15) working days of the written response provided in the Third Step above. Failure to comply with this time limit shall automatically waive the grievance. The parties shall designate five (5) persons who will serve as a panel of Permanent Arbitrators during the term of this Agreement. The appointment of any Permanent Arbitrator on the panel may be terminated by either party upon thirty (30) days written notice to the other party; and, in such case, said arbitrator shall have authority to render decisions only in those cases for which the hearings are held prior to the termination of his appointment. If either party terminates the appointment of a Permanent Arbitrator as specified herein, or a Permanent Arbitrator voluntarily withdraws his service during the term of this Agreement, the parties shall designate a replacement.

H. Within ten (10) days of the receiving party's receipt of notice of intent to arbitrate, the parties shall meet to select the Arbitrator from the panel of Permanent Arbitrators who shall head the grievance(s). A coin toss will determine which party strikes the first name from the panel of Permanent Arbitrators. The parties shall alternately strike names until one Arbitrator remains. If only one Permanent

LACOR AGREEMENT

Arbitrator remains on the panel when an Arbitrator is needed, he shall serve as Arbitrator and the name striking process shall not apply.

I. In the event that all five (5) members of the panel of Permanent Arbitrators are terminated by the parties or voluntarily withdraw their services, and the parties are unable to agree on replacements, the parties shall request a list of eleven (11) Arbitrators from the Federal Mediation and Conciliation Service or from the American Arbitration Association, and the parties shall meet to select the Arbitrator within seven (7) days of receipt of the list. A coin toss will determine which party strikes the first name from the list. The parties shall alternately strike names and the name remaining after each party has struck five (5) names shall be the person designated as Arbitrator.

J. If the Arbitrator is selected from the panel of Permanent Arbitrators, he shall be notified of his selection, and he shall set a hearing date within thirty (30) days of such notification. If he is unable to set a hearing date within this thirty (30) day period, he shall advise the parties of his earliest available hearing date. The parties may then agree to accept this hearing date, or either party may request that the selection process from the panel of Permanent Arbitrators be repeated.

K. If the panel of Permanent Arbitrators has been exhausted, and the Arbitrator is selected from a list provided by the Federal Mediation and Conciliation Service or the American Arbitration Association, he shall be notified of his selection, and he shall set a hearing date within thirty (30) days of such notification. If he is unable to set a hearing date within this thirty (30) day period, he shall advise the parties of his earliest available hearing date. The parties may then agree to accept this hearing date, or either party may request that a new list of Arbitrators be furnished by the Federal Mediation and Conciliation Service or the American Arbitration Association and the selection process repeated.

L. The Arbitrator shall consider and decide the grievance(s) referred to him. The parties may agree to refer more than one grievance to the same arbitrator to be heard at the same hearing. The power and authority of the arbitrator shall be limited to the question presented to him and he shall have no power to alter, modify, amend, add to, or detract from, any terms of this Agreement. Within said limitation, among other things, he shall have authority to award back pay for any loss of earnings from the Company including the right to revoke any form of discipline including discharge. The Arbitrator shall have access to the Company's property if necessary.

LACOR AGREEMENT

M. The Arbitrator shall render his decision in writing to the parties within fifteen (15) calendar days of the close of the hearing or, if written briefs are filed, within fifteen (15) calendar days of the filing date of said briefs.

N. The decision of the Arbitrator shall be final and binding on the Company, the Union and the Workers.

O. The costs and expenses of the Arbitrator, a translator, and the hearing facilities, shall be borne equally by the parties. Each party shall pay the cost of presenting its own case. The cost of a court reporter shall be borne by the requesting party, unless the parties agree to share the cost.

P. Nothing in this Article shall be deemed to preclude the Trustees/Directors of the Robert F. Kennedy Farm Workers Medical Plan, Martin Luther King, Jr. Farm Workers Fund, and Juan De La Cruz Farm Workers Pension Fund from enforcing contributions due to these funds under this Agreement by means of litigation.

ARTICLE 7.

NO STRIKE - NO LOCKOUTS

A. During the term of this Agreement, there shall be no strikes, slowdowns, picketing, boycotts or interruptions of work by the Union nor shall there be any lockout by the Company.

B. If any of said events occur, the officers and representatives of the Union and/or the Company, as the case may be, shall do everything within their power to end or avert such activity.

C. In accordance with the provisions of Article 6, Discipline and Discharge, a worker(s) who violate(s) the provisions of this Article is (are) subject to discipline or discharge by the Company.

ARTICLE 8.

RIGHT TO ACCESS

A. Authorized agents of the Union shall have access to the Company's premises during working hours for the purpose of adjusting disputes, investigating working conditions, and ascertaining that the Agreement is being adhered to, provided, however, that there is no interruption of the Company's working schedule, and provided further, that the Union representative shall notify the office at the time of entering the Company's premises.

LABOR AGREEMENT

B. For disease control purposes, a Union representative shall make prior arrangements with the Company's personnel office before taking access to the Company's facilities at Arroyo Grande, California; Nipomo, California; and the hatchery on Waters Road, Moorpark, California. The Company will not arbitrarily limit access to these facilities.

C. The Company's present agricultural operations are located at:

1. 8643 Shekell Road, Moorpark, California
2. 8765 Waters Road, Moorpark, California
3. Corner of Los Berros and El Campo Roads, Arroyo Grande, California
4. 595 Southland Street, Nipomo, California

The Company will notify the local Union office of any changes in, or additions to, these operations during the term of this Agreement.

ARTICLE 9.

DISCIPLINE AND DISCHARGE

A. The Company shall have the sole right to discipline and discharge workers for just cause. No worker shall be disciplined or discharged except for just cause.

B. Prior to any discharge or suspension, the Company shall notify the Steward or other Ranch Union Representative and such Steward or Ranch Union Representative shall have the right to be present when formal charges are made and the action is taken. The Steward or Ranch Union Representative shall be advised of the action to be taken and the reasons therefor.

C. Within seventy-two (72) hours, excluding Saturdays, Sundays and holidays, after any discharge for just cause, the Union's local office will be notified in writing of the reason(s) for such discharge and a copy of the letter will be sent to the Ranch Committee. The five (5) day time limit set forth in Paragraph D of Article 6, Grievance and Arbitration Procedure shall begin to run upon receipt of such written notice by the Union.

D. A written warning notice issued by the Company to any worker shall be null and void six (6) months from the date of issuance. A copy of all written warning notices issued to workers shall be provided to the local Union office. To be valid, a warning notice must bear the date of the alleged offense and must be issued to the worker involved within seventy-two (72) hours of the alleged offense.

MAJOR AGREEMENT

E. The Company shall have the right to make work rules and safety rules applicable to all workers, provided such rules are not in violation of this Agreement.

F. All written discipline shall be provided in both Spanish and English.

ARTICLE 10.                      NO DISCRIMINATION

A. The Company and the Union agree that there shall be no discrimination against any worker because of race, age, creed, color, religion, sex, political belief, national origin or language spoken.

B. The parties recognize that certain jobs may require the ability to communicate in a specific language. The Company, however, shall not arbitrarily establish language requirements or arbitrarily deny a job on the basis of language spoken.

C. Additionally, the Company and the Union, recognizing that workers are both male and female, agree that the use of masculine pronouns made in this Agreement shall also refer to their female counterparts.

ARTICLE 11.                      LEAVE OF ABSENCE

A. The Company agrees to grant to any worker a leave of absence as specified in this Article. All leaves of absence shall be without pay and without loss of seniority, except as otherwise provided herein.

B. Leaves of absence shall be granted to workers for the following reasons:

- (1) When a worker is elected or appointed to an office or position in the Union. Such leave shall be granted for a period of continuous service with the Union upon written request of Union. Fifteen (15) days' written notice must be given the Company before the worker takes leave to accept such office or position or chooses to return to work. Such leave of absence shall not exceed one (1) year unless otherwise agreed to in writing by the Company and Union. Not more than three (3) workers may be on such leave at any one time.
- (2) When a worker requests a temporary leave of absence for the purpose of conducting Union business. Such temporary leave of absence shall not exceed three (3)

LABOR AGREEMENT

days and shall not be granted to more than ten (10) workers for the same period, unless otherwise authorized by the Company. The Union shall give the Company at least three (3) days' written notice prior to the commencement of such leave. Such temporary leave of absence shall be granted by the Company not more than once every three (3) months. Only one (1) worker from a job category shall be granted a leave of absence for the purposes set forth in this paragraph at the same time.

- (3) When a worker requests a temporary leave of absence for the purpose of attending the annual convention. Such temporary leave of absence shall not exceed four (4) days and shall be granted to not more than nine (9) workers for the same period. The Union shall give the Company at least fourteen (14) days written notice prior to the commencement of such leave and such leave shall be granted by the Company not more than once per year.
- (4) When a worker requests a temporary leave of absence for the purpose of attending Ranch Committee meetings. Such leave of absence shall be granted to the members of the Ranch Committee and shall not exceed four (4) days and shall not be granted to more than five (5) Ranch Committee members for the same period. The Union shall give the Company at least fourteen (14) days written notice prior to the commencement of such leave and such leave shall be granted by the Company not more than once per year.
- (5) Leaves of absence set forth in Paragraphs B(2), B(3) and B(4) may not take place simultaneously and they may not overlap.
- (6) When a worker is ill or injured on the job or off the job to the extent that he must be absent from the job, he shall be granted a leave of absence for a period not to exceed one (1) year. Adequate written proof of said illness or injury shall be provided to the Company. The Company shall have the right to examine said worker at any time and the Company shall have access to the medical records of the worker for said illness, injury or maternity leave. A written doctor's certificate shall be provided to the Company stating that the worker may return to work.
- (7) When a worker is called to serve for jury duty or when subpoenaed to testify as a witness, he shall give the Company reasonable notice thereof.

LABOR AGREEMENT

(8) When there is a death or critical illness in a workers immediate family or when a worker has business related to immigration of himself or a member of his immediate family. Immediate family shall be defined as the worker's spouse, child, mother, father, brother, sister or mother or father of the worker's current spouse. Such leave may be granted for a period not exceeding fifteen (15) days. In the event of said leaves, the worker shall notify the Company in writing. Such written notice shall be signed by the worker and delivered to the Company within twenty-four (24) hours. In the event the worker is not at work when the need for said leave of absence arises, written notice signed by the worker shall be delivered to the Company's security guard within twenty-four (24) hours. Adequate written proof of said death, critical illness or immigration matter shall be provided to the Company.

C. The Company agrees to grant to any worker who has maintained his seniority with the Company for at least ten (10) consecutive months, in the first year of employment, of a leave of absence for a valid personal reason which requires his absence from the job for a period not to exceed thirty-five (35) days. Such leaves may requested prior to the completion of ten (10) consecutive months. Leaves of absence scheduled for valid personal reasons, where more workers have applied for such a leave for the same period than can be spared by the Company, shall be arranged on the basis of the order in which the time period for such leave of absence was requested by the workers involved. Any leave of absence granted to a worker shall not interfere with the operations of the Company.

D. The total length of leave time granted to any worker under the provisions of Paragraphs B(2), B(3), B(4), B(8) and C shall not exceed forty-five (45) days in any one calendar year.

E. All leaves of absence shall be in writing on the forms provided by the Company. Said forms shall be signed by the Company representative, the worker requesting the leave, and the Union Steward or other Union representative to signify receipt of the Union's copy.

B. Both parties also understand that as a matter of historical practice, certain non bargaining unit workers have performed certain bargaining unit work. Such practices shall continue. Such non bargaining unit workers shall not displace any bargaining unit workers who perform bargaining unit work. Should the Company expand any operations where non bargaining unit workers perform bargaining unit work, such bargaining unit work shall then be performed by bargaining unit workers. The Company agrees to notify the Union if any changes occur in such job operations.

In the event the Company anticipates mechanization of any operation of the Company that will permanently displace workers, the Company, before commencing such mechanical operations, shall meet with the Union to discuss

LACOR AGREEMENT

A. The Company will make available to the designated Union representatives, at Union's request:

Labels

1. Trademark registration;
2. Printing source;
3. Number of labels used.

B. The Union label and Union seal are and shall remain the sole property of the Union. During the term of this Agreement, the Company shall be entitled to the use of said label and seal. It is agreed that during the term of this Agreement, goods produced and packed by Union members and shipped by Company may bear the Union label or seal. In this regard Company shall not sell, transfer, or assign its right to use said label or seal except upon written permission of Union.
