PREAMBLE

The Employer and the Union after negotiating in good faith have come to the following understanding covering wages, hours, conditions of employment, and other benefits for the agricultural employees of the Employer. The parties agree that it is their intent and the spirit of this agreement to benefit all phases of agricultural employment, the employees as well as the industry. Both the Employer and the Union hereby pledge that they will cooperate with each other in good faith for the best interest of all concerned. The Union agrees to use all proper means to recommend the product of the Employer.

ARTICLE 1 - PARTIES

This Agreement is between PHELAN AND TAYLOR PRODUCE CO., hereinafter referred to as the "Employer", and the UNITED FARM WORKERS OF AMERICA AFL-CIO, hereinafter referred to as the "Union".

ARTICLE 2 - RECOGNITION

A. The Employer does hereby recognize the Union as the sole exclusive bargaining agent representing all of the Employer's agricultural employees (hereinafter called "workers" or employees") in the unit set forth in Agricultural Labor Relations Board's certification in Case Number 80-RC-12-OX(SM). The terms of this agreement shall not include security guards, sales, office,

clerical and professional employees, family members of the principals, and supervisory employees who have the authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward or discipline other workers, or the responsibility to direct them or adjust their grievance, or effectively recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature, but requires the use of independent judgement.

B. The Employer further recognizes the rights and obligations of the Union to negotiate wages, hours, and conditions of employment and to administer this Agreement on behalf of covered workers.

C. Neither the Employer nor its representatives will interfere with the right of any worker to join and assist the Union.

D. The Employer will make known to all workers, supervisors and officers, its policies and commitments as set forth above with respect to the recognition of the Union.

E. The terms of the agreement do not apply to packing shed employees and short haul drivers who are in separate bargaining units and covered by separate agreement.

ARTICLE 3 - ASSIGNMENT

This Agreement shall not be assigned to any other Union without written consent of the Employer and the officers of the United Farm Workers of America, AFL-CIO.

X

ARTICLE 4 - UNION SECURITY

A. Union membership shall be a condition of employment. Each employee shall be required to become a member of the Union immediately following five (5) working days after the beginning of employment, or five (5) days from the date of the signing of this Agreement, whichever is later and to remain a member of Union in good standing. However, the sole criteria for good standing in the Union for the purposes of employment and entitlement of all benefits under this contract shall be the payment of periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership. Any employee who fails to become a member of the Union within the time limit set forth herein or who fails to pay the uniformly required initiation fees and/or periodic dues as prescribed by the Union, shall be discharged within 5 days following service of a written notice from the Union to the Employer identifying said employee by name. Said employee shall not be re-employed until written notice from the Union to the Employer of the worker's good standing status.

B. The Employer agrees to deduct from each employees pay initiation fees and all periodic dues as required by the Union upon presentation by the Union of individual authorization signed by the employee, directing the Employer to make such deduction. The Employer shall remit monies monthly. The Employer shall provide a monthly summary report as soon as possible, but not later than the 20th day of the month following the ending date of the previous month's pay period containing the names of the employees, social security numbers, payroll periods covered, gross wages, total hours worked

The Employer shall furnish workers membership applications and dues checkoff authorization forms as provided by the Union.

D. The Union shall indemnify and hold the Employer harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by the Employer for the purpose of compliance with any of the provisions of this Article.

ARTICLE 5 - SENIORITY

A. In the event an employee works for the Employer at least 30 ~~working~~ days within the preceding 90 calendar days, he or she shall acquire seniority on the 30th day with the Employer retroactive to the original date of hire. Employees who have worked less than 10 working days are considered probationary employees and as such shall have no recourse to the grievance and arbitration procedure in the event of a nondiscriminatory discharge during this period.

X

1) Where the worker has performed work in a particular job classification, he or she shall be laid off or recalled on the basis of his or her seniority, provided he or she is able to perform the work.

2) In the filling of job vacancies, re-assignment within a classification, or a promotion within a classification, seniority shall prevail, provided the worker is able to perform the work. In this regard the Employer shall have the right to determine the employee's ability to perform the job satisfactorily, provided that such determination shall not be exercised arbitrarily. Furthermore, the supervisor shall fully explain the job duties to the worker, and he or she shall be given a reasonable time to demonstrate his or her ability to perform the work satisfactorily. In this context, reasonable time is defined as one week, unless adverse circumstances would affect the Employer.

If so requested in writing by the Union each ~~six~~ months (January 5-15, July 5-15) the Employer shall provide the Union with an up to date seniority list, showing the name of each worker, his seniority date, social security number, and job classification. The Union may review the accuracy of the seniority list and present to the Employer any errors it may find on such list.

D. Whenever a vacancy occurs in a job classification with a higher rate than general hourly rate, such vacancy shall be posted on the Employer's bulletin board at least two weeks before the vacancy is to be filled, or as soon as practicable. Up to two seniority workers desiring consideration for the higher rated job may so indicate by signing the posting. Workers shall be selected as above in Section A(2) of this Article.

Employer recognizes that use of certain chemicals may be injurious to farm workers. The use of such chemicals injurious to farm workers must be so as not to cause injury to employees.

B. The Employer will comply with all applicable laws relating to the health and safety of farm workers and will not use banned chemicals such as, but not limited to, DDT, DDD, DDE, Aldrin, and Dieldrin.

Any claim by the Union that on the job conduct by a non-bargaining unit employee is disrupting harmonious working relations may be treated as a Grievance provided that such Grievance is specified in detail.

B. Grievance dropped by either party prior to an arbitration hearing shall be considered as withdrawn without prejudice to either party's position on a similar matter in the future.

K

C. FIRST STEP: Any grievance arising under this Agreement shall be immediately taken up between the Employer supervisor involved and the Union steward. They shall use their best efforts to resolve the grievance. In the event the grievance is not immediately satisfactorily resolved, the grieving party shall reduce the grievance to writing and set forth the nature of the grievance. A grievance regarding a discharge of an employee must be filed in writing within five (5) days of the discharge. All other grievances must be filed in writing within thirty (30) days of the occurrence of the grievance or thirty (30) days of the discovery thereof. A Union representative may fully participate in the grievance meeting.

redundant

The arbitrator shall consider and decide the grievance referred to him. D. The Company may discipline or discharge any workers who engage in any of the activities referred to above. Such discipline may include loss of seniority.

E. If the Company believes that the Union and/or the workers are violating this Article, the Company will request an immediate meeting with the Union representative. If the Company and the Union representative are unable to resolve the problem at this meeting, or if the Union is not readily available to meet with the Company, the Company may seek immediate legal action to enjoin such violation, including legal fees incurred, notwithstanding the provisions of Article,

Grievance and Arbitration. However, the Company shall not seek money damages in court for breach of this article without first exhausting the provisions of Article 9, Grievance and Arbitration procedure.

2. ALL OTHER CREWS

The Employer shall provide a health and welfare plan for all other employees and their families providing the same benefits as Western Growers Assurance Trust Plan 24B. The cost of this plan shall be borne by the Employer. Payment of premiums shall be made by the tenth (10th) day of each current month during the period of this agreement.

An eligible employee is an employee who has worked sixty (60) hours for the Employer in the preceding month. The Employer shall provide the Union a list of eligible employees each month.

After termination of employment for the season, the employee may pay his own insurance premiums at the group rate for a period not to exceed the (10) consecutive months. The first payment of premium by the employee must be paid by the tenth (10th) day of the first month following termination of employment for the season unless the premium for that month is paid by the Employer, in which case the first payment of premium by the employee must be made by the tenth (10th) of the next consecutive month. Thereafter, each payment must be made consecutively by the tenth (10th) of the month, provided that the Employer is not obligated to pay insurance for that month.

At the time each month that the Administrator of the appropriate insurance plan submits the list of eligible employees and premium payments on behalf of the Employer, it shall send to the Union a copy of said list.

ARTICLE 30

- INJURY ON THE JOB

If an employee is injured at work, to the extent that medical care is required and the employee is unable to return to work, the Employer will pay the employee's wages for the day of injury based upon the number of hours he would have worked that day. Such payment shall be made at the hourly rate if the employee was being paid on an hourly basis, and at the crew average piece rate earnings for the day of the injury, if the employee was being paid on a piece rate basis. If the Employer requests, the employee will provide a written statement from his treating doctor stating that the employee was unable to return to work because of industrial injury.

ARTICLE 31

- LEAVE OF ABSENCE

Leaves of absence without pay and without employer contributions to any benefit programs may be granted by applying to and receiving approval from the Employer. Leaves of absence may also be extended by applying to and receiving approval from the Employer, prior to the expiration of the original leave period, upon a satisfactory showing of necessity.

Leaves of absence not in excess of three (3) days may be either in writing or oral at the option of the Employer. All leaves of absence in excess of three (3) days must be in writing on forms furnished by the Employer and signed by the Employer representative.

Leave of absence shall not be granted for employees to work elsewhere or to venture into business.

Leaves of absence shall be granted or extended upon illness of an employee substantiated by a doctor's certificate or other adequate proof of illness. Prior to returning to his job following a leave of absence for illness or injury, the Employer may require a doctor's certification of his medical fitness to perform the work involved.

Seniority shall accumulate during leaves of absence and, upon his return at the end of the period of the leave of absence, the employee shall be reinstated without loss of seniority and existing scale of wages.

ARTICLE 32 - FUNERAL LEAVE

To make funeral arrangements and to attend the funeral of a member of the immediate family (father, mother, child, brother, sister, husband or wife) a seniority worker will be paid what he would have earned had he been working for the Company, not to exceed three (3) days. A leave of absence without pay shall be granted, upon request, for such additional time as the employee requires. Any hours paid under this provision shall not be considered as hours worked or gross earnings for any other provision of this agreement.

ARTICLE 33 - JURY DUTY

When an employee is first notified of a call for jury duty, he shall immediately inform the Employer in writing of such notification. If a seniority employee serves on a jury, he shall be paid by the Employer the difference between the fees he receives

as a juror and what he would have received had he been working for the Employer during the period not to exceed three days. Any hours paid under this provision shall not be considered as hours worked or gross earnings for any other provision of this agreement.

ARTICLE 34 - SAVINGS CLAUSE

In the event any portion of this Agreement shall become ineffective as the result of any applicable local, state or federal law, only that portion of this Agreement so affected shall be ineffective; in no event shall the fact that a portion of this agreement be not applicable or illegal in accordance with such laws render the remainder of this Agreement ineffective or work a termination.

ARTICLE 35 - MODIFICATION

A. No provision of this Agreement may be amended, modified, changed, altered or waived except by written document executed by the parties hereto. This Agreement shall be the entire Agreement for the duration thereof unless modified as above.

B. This Agreement constitutes the sole and entire existing agreement between the parties hereto and supercedes all prior agreements oral or written between the Employer and the Union and expresses all obligations of and restrictions imposed on the company during its term.

ARTICLE 36

- DURATION OF AGREEMENT

A. This Agreement shall be in full force and effect from the date of agreement and shall continue in full force and effect through August 31, 1986. This agreement shall automatically renew itself from year to year from the expiration date hereof unless either of the parties shall give notice in writing to the other party sixty (60) days prior to the expiration, requesting negotiations for a new agreement or modification of this agreement, together with thirty (30) days prior written notice to the State Conciliation Service.

B. The parties agree that on or about September 1, 1984 *op. 11k* the parties will commence good faith negotiations with respect to the level of employer contributions to the RFK Farmworkers Medical Plan in the manner set forth in Article 29 - Health and Welfare.

C. The parties agree that on or before September 1, 1985 the parties will commence good faith negotiations with respect to the modifications of the level of employer contributions to the RFK Farmworkers Medical Plan as set forth in paragraph 1 of Article 29 - Health and Welfare; and the wage addendum for all wages contained therein after September 1, 1985. Negotiations will be limited to these two articles and all other articles will remain unchanged throughout the remainder of the agreement. If no agreement is reached by September 1, 1985, the provisions of Article 10 - No Strike, No Lockout shall not apply and the Union will be free to take any lawful economic activity against

the Employer. The Employer will also be free to take any lawful economic action against the Union. Upon the date of subsequent agreement by the parties as to wages and the level of contributions to the RFK Farmworkers Medical Plan, the provisions of Article 10 - No Strike, No Lockout shall re-commence for the duration of this agreement.

This Agreement is executed by the respective parties and effective commencing on the first day of the first complete payroll period following the latter of the dates below.
