- B. The term "worker" (or "employee") shall not include office, shop and sales employees, security guards, management trainees, professional employees, members of the immediate families with ownership interests in the Company, and supervisory employees who have the authority to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward or discipline other workers or the responsibility to direct them or adjust their grievances or effectively recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.
- C. The Company further recognizes the rights and obligations of the Union to negotiate wages, hours, and conditions of employment and to administer this Agreement on behalf of covered workers.
- D. The Company will make known to all workers, supervisors and officers its policies and commitments as set forth above with respect to recognition of the Union.

ARTICLE 2 - UNION SECURITY

- A. Union membership shall be a condition of employment. Each worker shall be required to become a member of the Union immediately following Five (5) days after the beginning of employment, or after Five (5) days from the date of the signing of this Agreement, whichever is later; and to remain a member of the Union in good standing. The Union shall be the sole judge of the good standing of its members. Any worker who fails to become a member of the Union within the time limit set forth herein, or who fails to pay the required initiation fee, periodic dues, or regularly authorized assessments as prescribed by the Union, or who has been determined to be in bad standing by the Union, pursuant to the provisions of the Union's constitution, shall be immediately discharged upon written notice from the Union to the Company, and shall not be reemployed until written notice from the Union to the Company of the worker's good-standing status.

- B. The Company agrees to furnish to the Union in writing, within one (1) week after the execution of this Agreement, a list of its workers, giving the name, addresses, social security number and type of job classification.
- C. The Company agrees to deduct from each worker's pay dues initiation fees, all periodic fees, and assessments as required by the Union, upon presentation by the Union of individual authorizations signed by workers, directing the Company to make such deductions. The Company shall make such deductions from worker's pay for the payroll period in which it is submitted, provided that it is submitted in advance of the close of the pay period, and periodically thereafter as specified on authorizations so long as such authorization is in effect, and shall remit monies monthly. The company shall provide a monthly summary report as soon as possible, but not later than the fifteen (15) day of the month following the ending date of the previous months pay period containing the names of the workers, social security numbers, payroll periods covered, gross wages, total hours worked per worker, total number of workers and amount of Union dues deducted during such pay periods from each worker. The Union will furnish the forms to be used for authoirization and will notify the Company in writing thirty (30) days before the effective date of any change.
- D. The Company will advise new workers that it is a condition of their employment that they must become and thereafter remain members in good standing in the Union immediately following (5) Five days after the beginning of their employment. The Company shall furnish workers membership applications and dues check-off authorization forms, as provided by the Union.
- E. The Union shall indemnify and hold the Company harmless from and against any and all claims, demands, suits, or other forms of liability that may arise out of or by reason of action taken by the Company for the purpose of compliance with any of the provisions of this Article.

ARTICLE 3 - HIRING

- A. The purpose of this hiring procedure shall be to facilitate the hiring by the Company of the most qualified persons for work available in new or additonal job positions.
- B. The Company shall follow a centralized hiring procedure, designate a person or persons with the exclusive authority to hire new or additional employees, and hire out of its main office. New or additional workers shall mean any worker not on the current seniority list. The Company will notify the Union of the address, telephone number, and name(s) of the person(s) in charge of taking applications and hiring new or additional workers.

It is hereby understood that any hiring under this Article of new or additional workers shall be solely for the Company's own operations.

- C. Employees with seniority at the Company shall be recalled in accordance with the provisions of Article 4, Seniority, and are exempt from this procedure.
- D. When an applicant completes and submits an application, the Company shall enter in writing on the application the date and time it was submitted. The Company shall inform the applicant that he may have a copy of his application and, where the applicant requests a copy the Company shall give one to the applicant. However, nothing in this Section shall require the Company to hire employees on the basis of the order in which they submit applications or to restrict in any other way the Company's ability to hire the most qualified persons for the work available.
- E. Before accepting applications for work the Company shall notify the Union and the Ranch Committee of the time when such application will be accepted.

Applicants may obtain employment applications from the Company's office.

The Union shall have the right, upon request to review the Company's records of applications received and persons hired at reasonable times.

- F. The Company shall attempt to notify the Union seven (7) days, or as soon as possible, prior to any layoff. Failure to give this notice shall not create any financial liability on the part of the Company to employees. The company's only liability to employees who report for work shall be under Article 21, Reporting and Standby Time.
- G. The Company agrees that there shall be no discrimination against any applicant because of race, age, color, religion, sex, national origin, marital status, physical handicap or medical condition.
- H. At the time of hiring, the Company will comply with the provisions of Article 2, Union Security, and will supply the Union with copies of signed membership applications and dues check-off authorization cards within ten (10) days after expiration of the fifth day of continuous employment.
- I. The first five (5) workdays shall be a work evaluation period during which a new employee may be terminated for unsatisfactory work performance without recourse to the grievance procedure unless he claims that his termination was for a reason other than unsatisfactory work performance. The.

The Company shall describe the work to be performed and give a physical demonstration of work to new employees. An employee shall be given an opportunity to demonstrate his job performance. The supervisor shall point out the employee's mistakes in order to help him learn the job.

- J. Labor contractors retained by the Company shall retain the right to hire and fire their own employees in accordance with past practice in so far as such practice does not conflict with any provision of this Agreement.
- K. The Company and the Union recognize that the Agricultural Labor Relations Act precludes a labor contractor from being considered an agricultural employer. Both parties further agree that the ALRA mandates that the "person" who hires the labor contractor shall be deemed the employer of the labor contractor employees for purposes of collective bargaining. The Company further acknowledges and agrees that for purposes of the ALRA and this agreement that it is the "employer" of all the labor contractor employees while they perform work for the Company.

ARTICLE 4 - SENIORITY

- A. All new employees must work a total of 14 days in order to obtain seniority with the Company. Whenever a commodity or crop season is less than 28 calendar days, a worker shall acquire seniority provided he works at least one-half the number of work days in the season.
- B. Temporary employees engaged by the Company to accomplish and perform work of an emergency nature or of limited duration are not subject to this Article, unless such employees are employed for 14 days in which case they shall acquire seniority retroactively to their date of hire.
- C. All employees shall hold two types of seniority: Company seniority, which reflects total time worked for the Company without break in Company seniority; and classification seniority, which reflects total time worked for the Company in a particular classification during which no break in seniority has occurred.
- D. A break in service terminates seniority. Layoffs, or leaves of absence are not considered a break in service. Company seniority shall be acquired after the employee has worked a total of 14 days in which case the employee's seniority shall date from his original date of hire. Classification seniority shall be acquired after the employee has worked a total of 14 days within a particular job classification.

- E. In the reduction of forces due to lack of work, layoffs and recalls shall be made on the basis of seniority within a particular job classification by their classification seniority, provided the ability and skill of the employee to perform the work is equal. Such judgment of ability and skill shall not be exercised arbitrarily or capriciously.
- F. It is recognized that in the application of paragraphs D and E that the Company has, in the past, used flexibility in temporarily transferring employees to jobs when there is not work in their normal job function or for other reasons for efficiency. It is agreed that such temporary transfers can still occur and at the Company's discretion. During such transfers the employees' wages will not be reduced, if it is a lower paying job.
- G. Seniority shall mean the length of an employee's continuous service with the Company and shall be broken if an employee:
1. Voluntarily quits;
 2. Is discharged for just cause;
 3. Is absent from work for three (3) consecutive working days without properly notifying the Company.
 4. Fails to report to work at the termination of a leave of absence or vacation without approved extension in writing by the Company;
 5. Is laid off and fails to report to work within three (3) working days after having been recalled;
 6. Accepts other employment while on leave of absence;
 7. Retires.
- H. Any employee rehired after a loss of seniority as provided in Section I shall establish a new seniority date pursuant to Section A. If an employee is promoted to a job outside the bargaining unit and later is returned to the bargaining unit, he shall not lose his seniority, provided he is returned to the bargaining unit within three (3) month; if he is returned to the bargaining unit after three (3) months, he shall establish a new seniority date.
- I. The Company shall maintain a seniority list for all covered employees. Each three (3) months beginning with the date of the execution of this Agreement, the Company shall provide the Union with a current seniority list showing the name of each employee, his date of hire, his social security number and job classification. The Company shall post this seniority list on its bulletin boards for examination by employees and the Union Ranch Committee.

The Union shall review the accuracy of the seniority list and present to the Company any errors it may find on such list. Thereafter, the Company shall be entitled to rely upon the accuracy of the list.

- J. The Company will provide to the Union on a monthly basis a list of employees, including their social security number, date of hire and job classification, who under Section I, lost seniority during the prior month.
- K. For purposes of layoff and recall classification seniority shall govern provided the remaining employees have the qualifications necessary to perform the work under normal supervisions with reasonable efficiency. Classification seniority is defined as the length of service in a job classification, dating from the date of entry into that classification. An employee may hold classification seniority in only one classification at a time. In the event of a permanent promotion or transfer the employee, shall establish a new classification seniority date.
- L. Layoffs shall be in order of seniority within the affected classification, with the worker with the lowest classification seniority laid off first. Workers shall be recalled to their job classification in order of classification seniority. There shall be no bumping between classifications, provided, however, if a worker is to be laid off because of a permanent job elimination, he shall be entitled to displace (bump) the least senior employee in any job classification, provided further he is capable of performing the job within the 5 day probationary period.
- M. When crews are reformed at the start of a seasonal operation, it shall be done, as far as practicable, in seniority order as to who worked in those crews the prior season.
- N. The Company, when anticipating the recall of seniority workers, shall notify the worker in writing not less than two (2) weeks prior to the estimated starting date of the work, and such notice shall include worker's name, social security number, seniority date, job or classification and the approximate duration of the work. The Company shall then notify the workers by any or all of the following means in Section P, below.

The Company shall obtain from each employee a mailing address, where the Company can send the notices. It shall be the responsibility of each employee to notify the Company of any address change prior to any layoff(s).

All notices of recall shall be in writing as per the attached form in Appendix C of this Agreement and may be mutually agreed upon post-card form. All notices shall be mailed first class. The Company will mail to the Union a list of the employees to whom such notices have been transmitted, together with the reporting date for each employee and the address to which the notice was sent. When recall notices sent to workers are returned to the Company with postal service notification of non-delivery, the Union shall be notified of the worker's name and address from which the notice was returned, and the Company shall make available to the Union, on request, of such return notice.

- O. The Company shall notify employees of the starting date by any or all of the following means: posting on the Company bulletin boards, posting at the Union office, radio announcements, or by providing the information to those workers who call the Company office. Such notice shall be given at least forty-eight (48) hours in advance of the starting date of work.
- P. It is understood that the Company and the Union may agree in writing to make deviations from those seniority provisions regarding applications of seniority.

ARTICLE 5 - GRIEVANCE AND ARBITRATION PROCEDURE

- A. The parties to this Agreement agree that all disputes which arise between the Company and the Union out of the interpretation or application of this Agreement shall be subject to the Grievance and Arbitration Procedure. The parties further agree the Grievance Procedure of this Agreement shall be the exclusive remedy with respect to any disputes arising under this Agreement, and no other remedies shall be utilized by any person with respect to any dispute involving this Agreement until the Grievance Procedure has been exhausted.

Occurrences prior to the execution date of this Agreement, shall not be subject to Arbitration, unless by consent of the Company.

- B. Grievances shall be processed in the following manner:

Step 1. Any grievance shall be immediately taken up between the supervisor involved and the Union Steward. They shall use their best efforts to resolve the grievance in one workday.

Step 2. If the grievance is not resolved in Step 1, the grieving party shall file the grievance in writing with the other party. The written statement of the grievance shall include a brief explanation of the nature of the grievance as it can be ascertained at the time, and the remedy requested. The Company and the Union shall meet within five (5) days after

presentation of the written grievance. If no settlement is reached, the Company shall give its written answer including its reasons for denial within two (2) calendar days following the meeting. A Union representative may fully participate in the Step 2 meeting.

Step 3. If the grievance is not settled in Step 2, the party filing the grievance may appeal it to arbitration by giving written notice of its desire to arbitrate to the other party as soon as possible after receiving its Step 2 answer, but in no event later than thirty (30) days after receiving such answer. The arbitrator shall not have the authority or jurisdiction to modify, detract from or alter any provisions of this Agreement. Within these limitations, the arbitrator's authority shall include: (1) awarding back pay to employees for any loss of earning from the Company; (2) awarding damages to the Company in appropriate circumstances; and (3) ordering compliance by all parties with the provisions of this Agreement. The parties agree that the arbitrator's remedial authority is limited to the terms of this agreement. Where past practice is relevant in determining the meaning of a particular provision, the arbitrator shall consider only the past practice of the Company and shall not consider the practice of any other company. The decision of the arbitrator shall be final and binding on the Company, the Union, and the employee or employees involved. The expenses of the arbitrator, including his fee, shall be borne by the losing party. Each party shall pay the cost of presenting its own case. If the parties have selected a permanent arbitrator, he may hear consecutive cases. Further, the parties may agree to have an ad hoc arbitrator hear more than one case. In addition, on any grievance the parties may agree to waive the filing of briefs and/or to permit a bench decision. The arbitrator shall be entitled to make a field inspection.

- C. Grievances on discharges must be filed at Step 2 within seven (7) days following the discharge. All other grievances must be filed at Step 2 within thirty (30) days from the date of the occurrence of the alleged violation or the discovery of the facts giving rise to the grievance. Grievances not filed within these time periods shall be deemed waived. If the Company fails to answer the grievance within the time limits provided for in a particular step, the Union may appeal the grievance to the next step within the time limits provided for appeal from that step.
- D. Grievances initiated by the Company shall be filed in writing at Step 2 of the Grievance Procedure with the Union's Grievance Committee within thirty (30) days from the date of the occurrence of the alleged violation or discovery of the facts giving rise to the grievance. Grievances not filed within the time limit are deemed waived. The Union shall give its written answer within five (5) days after the Step 2 meeting and if denied, the Company may appeal to arbitration under the provisions of Step 3.

- E. In those instances where the grievance remains unresolved following the Step 2 answer, the parties may agree to seek the services of the California State Conciliation Service to mediate the dispute. The Conciliator and the parties shall use their best efforts to resolve the dispute as an alternative to arbitration. Where this method is used, the time period for appealing to arbitration under Step 3 shall be extended to forty-five (45) days from receipt of the Step 2 answer.
- F. The Company agrees to cooperate to make Union Stewards available to a worker or group of workers wishing to submit a grievance, and to make the Grievance Committee available whenever their presence is required to perform their functions under this Agreement.

Aggrieved workers shall have the right to be present at each step of the grievance.

Time lost by the grievants, the Stewards, and Grievance Committee from their jobs in the processing of grievances shall not be paid by the Company.

In the event the Company requests a grievance meeting during regular working hours, the time lost by the grievant(s), the Steward(s) and Grievance Committee shall be without any loss of pay. In such cases the Company will cooperate in making employees available.

- G. Where the presence of a particular supervisor, employee, or Union representative is necessary for the settlement of a grievance, the Company and the Union shall attempt to make such persons available at the appropriate step of the Grievance Procedure.
- H. In the selection of an arbitrator, the parties may utilize the services of either the Federal Mediation and Conciliation Services or the American Arbitration Association.

Not later than fifteen (15) days after the need for an arbitrator arises, the parties shall request a list of eleven arbitrators from the above agencies. After receipt of the list, the parties shall meet to select an arbitrator for each grievance. If the parties cannot agree upon the selection of an arbitrator, then they shall turn to the list of arbitrators received under procedures of this Section. The party to strike first shall be selected by a coin toss. That party shall strike the first name from the list. The name remaining after each party has struck five shall be the person designated as arbitrator for the particular grievance.

- I. Grievances dropped by either party prior to an arbitration hearing shall be considered as withdrawn without prejudice to either party's position on a similar matter in the future.

- J. Grievances specified elsewhere in this Agreement as subject to the expedited Grievance and Arbitration Procedure may, at the request of the party filing the grievance, and with written notice to the other party, be expedited to arbitration as follows:

After such a grievance has been reduced to writing, the grieving party may request and there shall be a Second Step meeting within two (2) workdays and the responding party will immediately provide its answer in writing, if denied, setting forth the reasons for denial. The grieving party may then request, with written notice to the responding party, that the grievance be referred to the arbitrator within three (3) workdays from the written responsive answer. If such a grievance is presented to the arbitrator, it is agreed that it will take precedence, as to investigation, hearing date, and issuance of decision over any other case.

- K. In the event of any violation of Article 6, No-Strike-No-Lockouts, the parties agree to make an immediate joint effort to end the violation. The party aggrieved by the violation may immediately refer the matter to the arbitrator and the arbitrator shall immediately issue an order orally, and in writing, directing the other party to cease and desist from the violation.

- L. Should either party fail or refuse to participate in any steps of the grievance machinery, the grieving party shall have the right to refer the matter immediately to step 3 and apply to the arbitrator for a formal hearing. An application for such a hearing may be ex parte, provided that the applying party has given reasonable notice to the opposing party of its intention to proceed to arbitration and of its application to the arbitrator. If the arbitrator finds that he or she has the authority under the terms of this Agreement to hear the matter, he or she will so notify both parties and proceed to schedule a formal hearing on the merits of any such petition or grievance. Such hearing may be ex parte, i.e., with only one side present, provided that the parties have both received at least two (2) weeks notice of the hearing. The arbitrator may temporarily delay and ex parte hearing to permit immediate bona fide efforts to settle an issue without a hearing.

The Company will provide bulletin boards placed at such central locations as shall be mutually agreed, upon which the Union may post notices of Union business.

ARTICLE 31 - SUBCONTRACTING

The parties understand and agree that the hazards of agriculture are such that subcontracting may be necessary and proper to conduct efficient farming operation on a timely basis. Subcontracting may be necessary in areas such as land leveling, custom land work, precision planting, applying agricultural chemicals or pesticides, soil fumigation, combined row cutting and fertilization, and where specialized equipment not owned by the Company is required in order to harvest certain crops capable of being harvested mechanically.

The parties agree that in the application of this Article the following guidelines may be used:

- A. Subcontracting is permissible under this Agreement where skilled workers in the bargaining unit do not have the skills to operate and maintain the equipment or perform the work of a specialized nature, or unless otherwise provided herein.
- B. Subcontracting is permissible under this Agreement where the Company does not have the equipment to do the work being subcontracted. When a Company does subcontract pursuant to the terms of this provision, any workers of the subcontractor who actually operate or maintain the equipment shall not be covered by the terms of this Agreement.
- C. Subcontracting is permissible where the operation has been subcontracted in the past.
- D. Subcontracting is permissible where the Company is unable to preform the work on a timely basis with available employees and equipment; provided, however, that the subcontracting does not cause the layoff of bargaining unit employees. All workers engaged by the subcontractor shall have dues deducted by the Company prusuant to Article 2: Union Security.

ARTICLE 32 - GROWER-SHIPPER AGREEMENTS

It is recognized by Company and Union that various types of legal entities are used by growers and shippers in the agricultural industry, including partnerships, joint ventures, and other legal contractual arrangements, in the growing, harvesting, selling and packing of agricultural crops. Neither the Company nor the Union shall prevent the Company from entering into these legal arrangements by any of the provisions of this agreement, nor will the Company subvert the Union by entering into these legal arrangements. In addition, and wherever possible for the Company to perform the work of planting, weeding, hoeing, thinning or havesting, the Company will do so, it being the intent to provide jobs for bargaining unit workers.

In the event the Company enters into a partnership, joint-venture, or other legal contractual relationship with a grower and/or shipper for the growing, packing, harvesting or selling of a crop, Union agrees not to interfere with or prevent in any manner the growing, packing, harvesting or selling of any of the crops in which the Company may have an interest; provided such partnership, joint venture or other legal contractual relationship was entered into by Company prior to any economic action by Union against any other party to the partnership, joint venture, or other legal contractual relationship, and it is understood the filing of a petition under the Agricultural Labor Relations Act does not constitute interference under this paragraph. In the event the Company enters into one of these contractual relationships, as discussed in this Article, the Company shall notify the Union within ten (10) days of such an arrangement.

However, no business device, financial arrangement, method of business or business transaction of anykind shall be used to circumvent the obligations of this collective bargaining agreement or reduce the amount of work normally performed by workers in the bargaining unit.

The protections given by Union to Company under the provisions of this Article shall not be operative for a period in excess of the crop year or twelve (12) months, whichever is less, or in the event there are economic or other sanctions by the Union against any party to the partnership, joint venture, or other legal contractual relationship at the time of entry thereof.

ARTICLE 33 - PAID SICK LEAVE

It is the understanding of the parties that the Company shall continue to provide paid sick leave benefits up to one week (40 hours) per year to those Pleasant Valley employees who enjoyed such benefits prior to the signing of this agreement.

It is further understood that in order for an employee to qualify for such benefits, said employee must have worked at least 500 hours during the previous year.

ARTICLE 34 - LOCATION OF COMPANY OPERATIONS

The Company shall provide the Union upon request the exact locations of the Company's agricultural operations for use by Union representatives pursuant to this Agreement.

ARTICLE 35 - SEPARABILITY

The provisions of this agreement are subject to limitations of any applicable State or Federal Law or Local Law, and in the event any portion of such law affects the validity of any portion hereof, that portion of this agreement shall no longer be applicable or legal in accordance with such laws, but such laws will not terminate, invalidate or affect the remainder of the agreement.

ARTICLE 36 - SUCCESSOR

By entering into this agreement the Union does not waive any of its rights to seek whatever legal remedies it wishes, or any of its rights pursuant to this agreement and/or ALRB certification with any successor employer.

ARTICLE 37 - TOOLS AND EQUIPMENT

Tools and Equipment and protective garments necessary to perform the work and/or safeguard the health of, or prevent injuries to, a workers person shall be provided, maintained and paid for by the company.

Workers shall be responsible for returning all such equipment that was checked out to them, but shall not be responsible for breakage or normal wear and tear. Workers may be charged for actual cost of equipment not broken and not returned. Receipts for returned equipment shall be given to the worker by the Company.

The Company may deduct a small, reasonable deposit from the worker's paycheck to ensure the return of Company tools and equipment.

ARTICLE 38 - MODIFICATION

No provision or term of this Agreement may be amended, modified, changed, altered or waived except by written document executed by the parties hereto.

ARTICLE 39 - AMENDMENT AND DURATION

A. Automatic Renewals, Terminations and Renegotiations

This Agreement shall be in full force and effect from (date of signing) to and including June 30, 1989. This Agreement shall automatically renew itself upon expiration of this Agreement unless either of the parties shall have given notice in writing to the other party sixty (60) days prior to the expiration, requesting negotiations for a new Agreement, together with thirty (30) days prior written notice to the State Conciliation Service. During this sixty (60) day period all terms and conditions of this contract shall remain in full force and effect.

This Agreement and its provisions may only be amended, modified, changed, altered or waived by a written document executed by a corporate officer of the Company and an officer of the Union's National Executive Board.

The parties further agree that at the beginning of the third year of the contract the wages listed in 'Appendix A' are re-opened for purposes of negotiating a new rate. Additionally, the parties agree to re-open Article 29: Supplemental Benefit and Article 6: No Strike/No Lockout.
