AGREEMENT

PARTIES

This Agreement and Supplemental Agreements attached hereto are between SKF FARMS, INC., hereafter called "the Company" and the United Farm Workers of America, AFL-CIO, hereafter called "the Union". The parties agree as follows:

ARTICLE 1. RECOGNITION

A. The Company does hereby recognize the Union as the sole labor organization representing all of the Company's agricultural employees (hereinafter called "workers") in the unit set forth in Agricultural Labor Relations Board's certification in case number 76-RC-4-R. In the event the Agricultural Labor Relations Board certifies other employees not here included within the certified unit, such additional employees shall be included under the terms of this Agreement. The term "worker" shall not include office and sales employees, security guards, (designated family employees,) and supervisory employees who have the authority to hire, transfer, suspend, lay off, recall, promote, discharge, assign, reward or discipline other workers or the responsibility to direct them or adjust their grievances, or effectively recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.

B. The Company agrees that no business device including joint ventures, partnerships or any other forms of agricultural business operations shall be used by the Company for the purpose of circumventing the obligations of this Agreement.

C. The Company further recognizes the rights and obligations of the Union to negotiate wages, hours and conditions of employment and to administer this Agreement on behalf of covered workers.

D. Neither the Company nor its representatives will take any action to disparage, denigrate or subvert the Union. Neither the Union nor its representatives will take any action to disparage, denigrate or subvert the Company.

E. Neither the Company nor its representative will interfere with the right of any worker to join and assist the Union. The Company will make known to all workers that they will secure no advantage, nor more favorable consideration nor any form of special privilege because of non-participation in Union activities.

F. The Company will make known to all workers, supervisors and officers, its policies and commitments as set forth above with respect to recognition of the Union, and (will not discourage) workers in the bargaining unit from giving utmost consideration to supporting and participating in collective bargaining and contract administration functions.

ARTICLE 2. UNION SECURITY

A. Union membership shall be a condition of employment. Each worker shall be required to become a member of Union immediately following five continual days after the beginning of employment, or five days from the date of the signing of this Agreement, whichever is later; and to remain a member of Union in good standing. Union shall be the sole judge of the good standing of its members. Any worker who fails to become a member of Union within the time limit set forth herein, or who fails to pay the required initiation fee, periodic dues or regularly authorized assessments as prescribed by Union, or who has been determined to

be in bad standing by Union pursuant to the provisions of the Union's Constitution, shall be immediately discharged (or suspended) upon written notice from Union to Company, and shall not be reemployed until written notice from Union to Company of the worker's good standing status.

B. Company agrees to furnish to Union in writing, within one week after the execution of this Agreement, a list of its workers giving the names, addresses, social security numbers and type of job classification.

C. Company agrees to deduct from each worker's pay initiation fees, all periodic dues, and assessments as required by Union, upon presentation by the Union of individual authorization signed by workers, directing Company to make such deductions. Company shall make such deductions from workers' pay for the payroll period in which it is submitted, provided that it is submitted in advance of the close of the pay period, and periodically thereafter, specified on authorization so long as such authorization is in effect and shall remit monies weekly. The Company shall provide a monthly summary report as soon as possible, but not later than (twenty days (thirty days for the first three months after the date of execution of this Agreement) after the last pay period in the previous month,) containing the names of the workers, social security numbers, payroll periods covered, gross wages, total hours worked per worker, total number of workers and amount of Union dues deducted during such pay periods from each worker. Union will furnish the forms to be used for authorization and will notify the Company in writing of dues, assessments and initiation fees within five days of the execution of this Agreement and five days before the effective date of any change.

D. The Union will furnish the Company with membership and authorization forms. If the Company procures workers from "any other source" as provided in Article 3 the Company will explain the membership and deduction authorization arrangements between the Company and the Union at the time of hiring new workers. The Company will be responsible to cause (new) workers to sign the membership and authorization forms not later than immediately following five days of the beginning of employment. The Company will immediately give a copy of the authorization form to the worker, retain a copy for its use pursuant to Section C above, and promptly turn over per arrangement the other copy along with the membership application to the Union area office.

E. Union shall indemnify and hold the Company harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by Company for the purpose of compliance with any of the provisions of this Article.

ARTICLE 3. HIRING

A. The Union shall operate and maintain a facility whereby Company may secure new or additional workers. The Union will notify Company of the address and phone number of each facility nearest each operation of the Company and the name of the person in charge of the facility.

B. Company recalls of seniority workers shall be pursuant to Section C of Article 4. Workers returning to work on recall shall check in with the Union steward or other Union representative on the job site to verify the worker's name is on the seniority list before commencing work.

C. Whenever at the beginning of any operating season in any area of operation of the Company, the Company anticipates the need for new or additional workers to perform any work covered by this Agreement, the Company shall, at least two weeks prior to the date of anticipated need for such workers, notify the facility of the Union designated in Section A in writing, stating the number of workers needed, the type of work to be performed, the estimated starting date of the work and the approximate duration thereof. The Company shall notify the Union promptly of any change in estimated starting date, however, the Company shall give to the Union the exact starting date no later than twenty-four hours prior to the actual date for commencement of the work.

D. In the event, during the operating season in any area of Company operations, new or additional workers are needed to perform work covered by this Agreement, the Company shall notify the Union facility designated in Section A of the number of workers needed, the type of work to be performed, the date the workers are needed, and whether the work is temporary or permanent. The Union shall be given forty-eight hours notice or as far in advance as (reasonably) possible.

E. When workers are requested of the Union, Union shall use its best efforts to furnish the requested number of workers, (and the Union shall promptly notify the Company if it is unable to comply with any Company request for workers.) If the Union does not furnish the requested number of workers on the date (and by the time) requested, the Company shall be free to procure needed workers not furnished by the Union from any other source. If the Company secures workers under the provisions of this paragraph, the Company will make available to Union, in writing within five days thereafter, the names, social security numbers,

date hired and classifications of all workers so hired, provided however, that the Union shall be entitled, acting on its own, to ascertain such information from such workers at any time after twenty-four hours following the hiring of such workers, provided further, that work is not interrupted. Grievances relating to this paragraph shall be subject to the expedited grievance and arbitration procedure.

F. When Company requests workers from the Union facility for jobs which require skills or experience (such as tractor drivers, irrigators) the Union will refer workers who meet the job requirements. Before the Company makes a determination that a referred worker does not meet the job requirement, the supervisor will fully explain the job duties and requirements and give the worker a reasonable time (which need not exceed one day) to meet the job requirements. Discharges shall be subject to the procedures of Article 8 - Discipline and Discharge.

G. It is essential that the Union has advance notice of any layoff, so it may plan utmost utilization of available workers. Accordingly, the Company will notify Union seven days in advance of any layoff, or as soon as possible, prior to any layoff.

H. In the event that it is necessary to lay off workers before they acquire seniority, it is understood that if such workers are referred or dispatched by the Union to the (Company) such workers will be given work opportunity by the Company on the same basis as any other non-seniority worker.

ARTICLE 4. SENIORITY

A. After a worker has worked for the Company at least fourteen work days within the preceding ninety calendar days, he shall acquire seniority on the fourteenth day of work retroactive

to his date of re. Whenever a commodity or crop season is less than twenty-eight calendar days, a worker shall acquire seniority provided he works one-half the number of workdays in the season. It is understood that the days prior to acquiring seniority do not establish nor shall be a probationary period. There shall be no layoffs for the purpose of circumventing acquisition of seniority.

B. Seniority shall be defined as a total length of continuous service with the Company. A break in service terminates worker's seniority. Layoffs are not considered a break in service. Seniority shall be lost for the following reasons only:

(1) Voluntary quitting.

(2) Discharge for just cause.

(3) When on layoff, the worker fails to report within three working days after being called, unless satisfactory reasons (in writing) are given within six days after being called.

(4) When the worker fails to report to work at the termination of a leave of absence or vacation.

(5) When any worker leaves the bargaining unit to accept a supervisory or other position with the Company outside the bargaining unit.

(6) Any worker rehired after loss of seniority as provided above shall establish a new seniority date as provided in Section A above.

54114
S.C.
C. The classifications of workers shall be as designated on Appendix A attached hereto and by this reference made a part hereof. The filling of vacancies, new jobs, promotions or increased work opportunities within the bargaining unit, demotions and reductions in classification shall be on the basis of seniority (except for past practice as to certain workers who may be hired

or transferred to the Company without observing the provisions of this Article 4); provided, however, the worker is able to do the work. In such cases, the supervisor will fully explain the job duties and requirements, and give the worker a reasonable time to meet the job requirements.

5471452 D. Whenever there is a layoff in the work force in any job classification, layoffs shall be by seniority order, with the workers with the lowest seniority laid off first.

5471452 E. Workers reduced in classification or laid off from any classification upon restoration of work force or recall shall return in seniority order, with the workers with the highest seniority being recalled first to the classification from which they were reduced or laid off.

F. Whenever a permanent vacancy occurs in any classification, with a rate above general field and harvesting, such vacancy shall be posted on the Company's bulletin boards. A copy of such posting shall be provided the Ranch Committee or the Union. The posting shall be made at least five (5) days before the vacancy is permanently filled. Workers with seniority desiring consideration for the higher rated job will so indicate by signing the posting. The senior worker, in accordance with Section C above, shall be selected for the vacancy and he shall be given a fair opportunity to qualify. If such worker cannot perform the job, he shall return to his former classification and rate and the Company will then select the next senior worker who had signed the posting and he shall be given a fair opportunity to qualify. Selection and training for those workers applying for the position shall be as set forth in Section C above.

The Company will fill temporary vacancies, such as during the posting period or those created by a worker's short-

term illness, injury or other temporary absence which are not subject to posting, so far as possible, with seniority workers.

G. The Company shall prepare up-to-date seniority lists, showing the name of each worker, his seniority date, social security number, and job classification, which shall be posted on the Company bulletin board as follows: the seniority lists (the first of which shall be approved and signed by Company and Union concurrently with the execution of this Agreement and as a condition to the efficacy of this Agreement) shall be posted within five days after the execution of this Agreement and thereafter every three months for a period of two weeks, and the Union shall also be given a copy of each of said seniority lists. All seniority lists, including without limitation the first, shall be prepared from and based on the Company's payroll records. If questions arise concerning the accuracy of the lists the Union and Company have up to two weeks after the posting is completed to resolve the dispute. If the dispute remains after two weeks, any unresolved matters relating to the seniority lists shall be submitted to expedited arbitration.

H. 1) The Company, when anticipating the recall of seniority workers, shall notify the worker and the Union, not less than two weeks prior to the estimated starting date of the work, (except in the event of an act of God,) and the approximate duration thereof.

2) All notices of recall shall be in writing as per attached form in Appendix B of this Agreement. 3) All notices shall be mailed First Class with copies provided to Union. 4) When recall letters sent to workers, are returned to Company with Postal Service notification of non-delivery, the Union shall be notified of worker's name and the address from which letter was returned. 5) The Company shall make available to Union any returned letter and envelope upon

request. The Company shall then notify the worker through the facility of the Union designated in Section A of Article 3, when to report for work, allowing reasonable time to report.

I. The Company shall notify the Union within five working days of seniority workers laid off or recalled on a seasonal basis, in accordance with this Article by giving the worker's name, social security number, seniority date, job classification and date of recall or layoff. In all recall situations, the Company shall furnish to the Ranch Committee a list containing the name and social security number of each worker recalled who actually reports for work. Grievances relating to this Section I shall be subject to the expedited grievance and arbitration procedure.

J. Seniority shall not be applied so as to displace (bump) any worker of the Company, except as provided in other Sections of this Article.

ARTICLE 5. GRIEVANCE AND ARBITRATION PROCEDURE

A. The parties to this Agreement agree that all disputes which arise between the Company and the Union out of the interpretation or application of this Agreement (or any controversy between the Company and workers or the Union which arise under this Agreement that deals with working conditions, health, safety or benefits,) shall be subject to the Grievance and Arbitration Procedure. The parties further agree that the Grievance Procedure of this Agreement shall be the exclusive remedy with respect to any disputes arising under this Agreement, and no other remedies shall be utilized by any person with respect to any dispute involving this Agreement until the Grievance Procedure has been exhausted.

B. All grievances shall be processed during regular working hours. The grievant(s), the Steward(s) and Grievance Committee's function shall be performed without any loss of pay.

C. (Aggrieved workers shall have the right, without any loss of pay to be present at each step of the procedure.) The Company (shall be responsible for making) Union Stewards available (on request of a worker or group of) workers wishing to submit a grievance. (The Company will also be responsible for making) the Grievance Committee available (whenever and wherever their presence is required) to perform their functions under this Agreement.

D. At the request of the Union, the Company shall have the supervisor involved present at each step of the grievance procedure.

E. Grievances dropped by either party prior to an arbitration hearing shall be considered as withdrawn without prejudice to either party's position on a similar matter in the future.

F. FIRST STEP: Any grievance arising under this Agreement shall immediately be taken up between the Company's supervisor involved and the Union steward. They shall use their best efforts to resolve the grievance. In the event grievances are not immediately satisfactorily resolved, the grieving party shall reduce the grievance to writing and set forth the nature of the grievance. The Company Supervisor shall, within forty-eight hours, present to the Union Steward his or her written response to the grievance, regarding Company's position including reasons for denial. The grieving party may proceed to the SECOND STEP, provided however, that the grieving party may notify the other party that the grievance must be expedited and presented to the Permanent Arbitrator in accordance with Section (P) of this Article.) A grievance regarding a discharge of an employee must be filed in writing within five working days of the discharge. All other grievances

must be filed in writing within thirty (work:) days of the occurrence of the grievance of thirty (working) days of the discovery thereof.

G. SECOND STEP: Any grievance not (satisfactorily) resolved in the First Step (within one day,) shall (within 15 work days thereafter,) be discussed in a meeting between the Grievance Committee and the Company's representative (designated) to resolve such matters. (A representative of the Union shall also participate in such meeting unless the Union representative authorizes the Committee to proceed and so advises the Company.) If the grievance is not satisfactorily resolved in such meeting the party receiving the grievance shall immediately give a written response to the other regarding its position including reason for denial. Failure of the grieving party to appeal to the Second Step within thirty calendar days shall waive the grievance.

H. THIRD STEP: (If the parties cannot resolve the dispute in Step 1 or 2 above,) the grievance shall be referred to the (Permanent) Arbitrator within thirty (working) days. If the Arbitrator shall at any time be unable or refuses or fails to act, or he or she vacates his or her position, the Company and the Union shall immediately select his or her successor or substitute.

I. The Arbitrator shall consider and decide the grievance(s) referred to him or her and in cases where more than one grievance is referred to arbitration, they will be heard at the same hearing. The Arbitrator shall not have the authority or jurisdiction to modify, detract from or alter any provision of this Agreement. The Arbitrator shall have the authority to revoke or modify any form of discipline and in all cases award back pay if he or she so determines for any loss of earnings from the Company. The Arbitrator must render a decision in writing to the parties

within fifteen days from the date of the closing of the hearing.

The Arbitrator shall have access to Company's property if necessary.

J. Should either party fail or refuse to participate in any steps of the grievance machinery, the grieving party shall have the right to refer the matter to the Arbitrator immediately for his or her consideration in a formal hearing. Such hearing may be ex parte, i.e., with only one side present, provided that the Permanent Arbitrator may temporarily delay an ex parte hearing to permit immediate bona fide efforts to settle an issue without a hearing.

K. The decision of the Arbitrator shall be binding on the Company, the Union, and the workers.

L. Decisions of the Arbitrator shall be in writing, signed and delivered to the respective parties. All expenses and salaries of the Arbitrator shall be paid by the losing party. (If a question arises as to the losing party, this shall be decided by the Arbitrator hearing the grievance then in dispute.) Each party shall pay the cost of presenting its own case.

M. Nothing in this Article shall be deemed to preclude the Trustee/Directors of the Robert F. Kennedy Farmworkers Medical Plan, the Juan De La Cruz Farmworkers Pension Fund, or the Martin Luther King Farmworkers Fund, from enforcing contributions due these funds under this Agreement by means of litigation.

N. The parties agree that Reverend John F. Blethen shall be the initial Permanent Arbitrator. Rev. Blethen or any other Permanent Arbitrator hereafter selected may be replaced upon the request of either party at any time after such selected Permanent Arbitrator has served for at least six months, and in the event the parties are unable to mutually agree on a new Permanent Arbitrator, the procedures outlined in the next two paragraphs of

this Section N shall be applicable, until such time as the parties are again able to agree on a Permanent Arbitrator.

The parties will make a good faith effort to agree on a list of arbitrators. In the event they are unable to agree, not later than fifteen days after the need for such a list arises, if requested by either the Company or the Union, a panel of eleven arbitrators shall be requested from either the American Arbitration Association or the Federal Mediation and Conciliation Service.

After receipt of the lists the parties shall meet to select an arbitrator ^(for each grievance) ~~(for each grievance)~~. If the parties cannot agree upon the selection ^(of an arbitrator) ~~(of an arbitrator)~~ then they shall turn to the lists of arbitrators received under procedures of the above paragraph. The party to strike first shall be selected by a coin toss. That party shall strike the first name from each list. The name remaining after each party has struck five shall be the person designated as arbitrator ^(for the particular grievance) ~~(for the particular grievance)~~.

Every six months either party may request a new list of arbitrators and require a new meeting as discussed in this paragraph to select a new arbitrator.

O. In the event that any ^(grievance) ~~(grievance)~~ causes a work interruption of any kind, the parties agree to make an immediate joint effort to end such interruption which may include contacting ^(an) ~~(an)~~ arbitrator. The arbitrator shall order an end to such interruption, personally, if possible, or by telephone, and shall immediately attempt to resolve the ^(grievance) ~~(grievance)~~ ^(Such action) ~~(Such action)~~ in no way alters the obligation or liability of either party under this Agreement.

P. The grieving party may invoke an expedited procedure to have unresolved grievances immediately heard before the Arbitrator, but in any event not later than two calendar days (other than

Sundays) after the day on which the grievin, party notified in writing the other party that the grievance must be expedited. The parties agree to meet in the time between notification of the invocation of the expedited procedure and the hearing before the arbitrator in an attempt to resolve the grievance. The duties and the authority of the Arbitrator shall issue a bench decision and will issue a written decision within twenty-four hours of the close of the expedited hearing. The Arbitrator shall have access to Company's property if necessary.

ARTICLE 6. NO STRIKE CLAUSE

A. There shall be no strikes, slowdowns, (work stoppage,) boycotts, or interruptions of work by the Union nor shall there be any lockout by the Company.

B. (In the event of a breach of this Agreement,) the officers and representatives of Union and/or Company as the case may be, shall do everything within their power to end or avert such activity.

ARTICLE 7. RIGHT OF ACCESS TO COMPANY PROPERTY

C. The Union shall advise the Company of the names of its duly authorized and designated representatives.

ARTICLE 8. DISCIPLINE AND DISCHARGE

A. Company shall have the sole right to discipline and discharge workers for just cause, providing that in the exercise of this right it will not act in violation of this Agreement. No worker shall be disciplined or discharged except for just cause.

B. Prior to any discharge or suspension, the Company shall notify the steward or other Union official and such Union representative shall have the right to be present when formal charges are made, if they so desire. Provided, however, if a situation occurs in a remote area, wherein the Company deems it necessary to take action and no steward or Union representative is available, the Company may take action and must give written notice within the time limit in Paragraph D below.

C. The steward or other Union representative shall have the right to interview workers in private (so long as such interview does not unnecessarily interfere with work requirements.)

D. Within forty-eight hours after any discharge for just cause, the Union representative will be notified in writing of the reasons for such discharge.

E. Individual performance in relation to piece rate, or incentive plan, shall not be conclusive evidence for the purpose of disciplining or discharging a worker. This provision shall not, however, constitute any limitation on any of the Company's rights to discharge or discipline for unsatisfactory work performance.

ARTICLE 9. DISCRIMINATION

In accordance with the policies of Company and the Union, it is agreed that there shall be no discrimination against any worker because of race, age, creed, color, religion, sex, political belief, national origin, language spoken or Union activity.

2. A worker who serves in the U.S. Military and notifies the Company and Union in writing prior to leaving for such service, and reports for work within thirty days after being discharged from such service, shall not lose any seniority, job rights, or other benefits. Upon return from such service, such worker shall be granted a job equal to that he or she would have had with Company had he or she remained in Company's continued employ, provided, however, any renewal of enlistment beyond the original one will serve to break seni-

4. For valid personal reasons, not to exceed thirty days, (where prior written notice specifying the reason is given to the Company.)

D. All leaves in excess of three days shall be in writing on approved leave of absence forms provided by the Company. Such forms shall be signed by the Company representative, the worker requesting the leave, and by the Union steward or other Union representative to signify receipt of the Union's copy. Leave of absence shall be extended by the Company for a valid personal reason, if a request for such an extension is made by the worker in writing to the Company with a copy to the Union prior to the termination of the original leave, provided, however, that a request for an extension may be submitted simultaneously with the request for a leave of absence for valid personal reasons if the worker has special circumstances which require additional time.

Leaves of absence schedules, under this section, where more workers have applied for a leave of absence at the same time than can be spared by the Company, shall be allocated on the basis of seniority with the worker having the highest seniority having first preference for that leave of absence. However, where a worker requests an emergency leave, the Union and the Company may agree to his/her leave in preference to that worker over other workers with higher seniority.

E. Failure to report for work at the end of an approved leave of absence or accepting employment with another employer during an approved leave of absence shall terminate employment and seniority in accordance with Article 4 - Seniority.
