PARTIES

THIS AGREEMENT and SUPPLEMENTAL AGREEMENTS attached hereto are between MARIO SAIKHON, INC. hereafter called the "Company," and THE UNITED FARM WORKERS OF AMERICA, AFL-CIO, hereafter called "the Union." The parties agree as follows:

ARTICLE 1: RECOGNITION

A. The Company does hereby recognize the Union as the sole labor organization representing all of the Company's agricultural employees (hereinafter called "workers") in the unit set forth in Agricultural Labor Relations Board's certification in Case number 75-RC-26-E(R). In the event the Agricultural Labor Relations Board certifies other employees not here included within the certified unit, such additional employees shall be included under the terms of this Agreement. The term "worker" shall not include office and sales employees, security guards and supervisory employees who have the authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward or discipline other workers or the responsibility to direct them or adjust their grievances or effectively recommend such action, if, in connection with foregoing, the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.

B. The Company agrees that no business device including joint ventures, partnerships, or any other forms of agricultural business operations shall be used by the Company for the purpose of circumventing the obligations of this Collective Bargaining Agreement subject, however, to the provisions of ARTICLE 37, Subcontracting, and ARTICLE 38, Grower-Shipper Contracts.

C. The Company further recognizes the rights and obligations of the Union to negotiate wages, hours and conditions of employment and to administer this Agreement on behalf of covered workers.

D. Neither the Company nor its representatives will take any action to disparage, denigrate or subvert the Union. Neither the Union nor its representatives will take any action to disparage, denigrate or subvert the Company.

E. Neither the Company nor its representatives will interfere with the right of any worker to join and assist the Union. The Company will make known to all workers that they will secure no advantage, nor more favorable consideration nor any form of special privilege because of

non-participation in Union activities.

F. The Company will make known to all workers, supervisors and officers, its policies and commitments as set forth above with respect to recognition of the Union and will encourage workers in the bargaining unit to give utmost consideration to supporting and participation in collective bargaining and contract administration functions.

ARTICLE 2: UNION SECURITY

A. Union membership shall be a condition of employment. Each worker shall be required to become a member of Union immediately following five (5) continual days after the beginning of employment, or after five (5) days from the date of the signing of this Agreement, whichever is later; and to remain a member of Union in good standing. Union shall be the sole judge of the good standing of its members.

Any worker who fails to become a member of Union within the time limit set forth herein, or who fails to pay the required initiation fee, periodic dues or regularly authorized assessments as prescribed by Union, or who has been determined to be in bad standing by Union pursuant to the provisions of the Union's constitution, shall be immediately discharged upon written notice from Union to Company, and shall not be re-employed until written notice from Union to Company of the worker's good standing status.

B. The Company agrees to furnish to the Union in writing, within one (1) week after execution of this Agreement, a list of its workers giving the names, addresses, Social Security numbers and type of job classifications.

C. The Company agrees to deduct from each worker's pay initiation fees, all periodic dues, and assessments as required by the Union, upon presentation by the Union of individual authorizations signed by workers, directing the Company to make such deductions. The Company shall make such deductions from worker's pay for the payroll period in which it is submitted, provided that it is submitted in advance of the close of the pay period, and periodically thereafter as specified on authorizations, so long as such authorization is in effect, and shall remit monies weekly. The Company shall provide a monthly summary report as soon as possible, but no later than the twentieth (20th) day of the month following the ending date of the previous month's pay period in containing the names of the workers, Social Security numbers, payroll periods covered, gross wages, total hours worked per worker, total number of workers and amount of Union dues deducted during such pay periods from

each worker. Union will furnish the forms to be used for authorization and will notify the Company in writing of dues, assessments and initiation fees within five (5) days of the execution of this Agreement and five (5) days before the effective date of any change.

D. The Company will advise new workers that it is a condition of their employment that they must become and thereafter remain members in good standing in the Union immediately following five (5) continual days after the beginning of their employment. The Company shall furnish workers membership applications and dues checkoff authorization forms as provided by the Union.

E. The Union shall indemnify and hold the Company harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by Company for the purpose of compliance with any of the provisions of the Article.

ARTICLE 3: HIRING

A. The Union shall operate and maintain a facility whereby Company may secure new or additional workers. The Union will notify Company of the address and telephone number of each facility nearest each operation of the Company and the name of the person in charge of the facility.

B. Company recalls of seniority workers shall be pursuant to Section C of Article 4. Workers returning to work on recall shall check in with the Union Steward or other Union representative on the job site to verify the worker's name is on the seniority list before commencing work.

C. Whenever at the beginning of any operating season in any area of operation of Company, the Company anticipates the need for new or additional workers to perform any work covered by this Agreement, the Company shall, at least two (2) weeks prior to the date of anticipated need for such workers, notify the facility of the Union designated in Section A in writing, stating the number of workers needed, the type of work to be performed, the estimated starting date of the work and the approximate duration thereof. The Company shall notify the Union promptly of any change in estimated starting date; however, the Company shall give the Union the exact starting date no later than forty-eight (48) hours prior to the actual date for commencement of the work.

D. In the event, during the operating season in any area of Company operations, new or additional workers are needed to

perform work covered by this Agreement, the Company shall notify the Union facility designated in Section A of the number of workers needed, the type of work to be performed, the date the workers are needed, and whether the work is temporary or permanent. The Union shall be given forty-eight (48) hours notice or as far in advance as possible.

E. When workers are requested of the Union, Union shall use its best efforts to furnish the requested number of workers.

If the Union does not furnish the requested number of workers on the date requested, the Company shall be free to procure needed workers not furnished by the Union from any other source. If the Company secures workers under the provisions of this paragraph, the Company will make available to the Union, in writing within five (5) days thereafter, the names, Social Security numbers, date hired and job classifications of all workers so hired, provided, however, that the Union shall be entitled, acting on its own, to ascertain such information from such workers at any time after twenty-four (24) hours following the hiring of such workers, provided, further, that work is not interrupted. Grievances relating to this paragraph shall be subject to the Expedited Grievance and Arbitration Procedure.

F. When the Company requests workers from the Union facility for jobs which require skills or experience (such as tractor drivers, irrigators) the Union will refer workers who meet the job requirements. Before the Company makes a determination that a referred worker does not meet the job requirement, the supervisor will fully explain the job duties and requirements and give the worker a reasonable time to meet the job requirements. Discharges shall be subject to the procedure of Article 8 - Discipline and Discharge.

G. It is essential that the Union has advance notice of any layoff, so it may plan utmost utilization of available workers. Accordingly, the Company will notify Union seven (7) days in advance of any layoff, or as soon as possible prior to any layoff.

H. In the event that it is necessary to layoff workers before they acquire seniority, it is understood that if such workers are referred or dispatched by the Union to the employer from which they were laid off, that such workers will be given work opportunity by the Company on the same basis as any other non-seniority worker.

ARTICLE 4: SENIORITY

A. After a worker has worked for the Company at least fourteen (14) work days within the preceding ninety (90) calendar days, he shall acquire seniority on the fourteenth (14th) day of work, retroactive to his date of hire within the ninety (90) days. Whenever a commodity or crop season is less than twenty-eight (28) calendar days, a worker shall acquire seniority in that commodity or crop, provided he works one-half (1/2) the number of work days in the season. It is understood that the days prior to acquiring seniority do not establish nor shall be a probationary period. There shall be no layoffs for the purpose of circumventing acquisition of seniority.

B. Seniority shall be lost for the following reasons only:

1. Voluntary quitting.
2. Discharge for just cause.
3. When on layoff fails to report within three (3) working days after being called unless satisfactory reasons are given.
4. When the worker fails to report to work at the termination of a leave of absence or vacation without an approved extension as per ARTICLE 11, Leave of Absence, of this Agreement.
5. When any worker leaves the bargaining unit to accept a supervisory or other position with the Company outside the bargaining unit.
6. Any worker rehired after loss of seniority as provided above shall establish a new seniority date as provided in Section A.

C. In the layoff of workers due to lack of work or at end of the Company's operating season, the worker with the least seniority shall be laid off first, and in recall of workers from layoff, workers with the highest seniority shall be recalled in their order of seniority, and the filling of vacancies, new jobs, promotions within the bargaining unit, demotions, shall be on the basis of seniority, provided, however, that the worker is able to do the work. In such cases, the supervisor will fully explain the job duties and requirements and give the worker a reasonable time to meet the job requirements.

D. Whenever a permanent vacancy occurs in an hourly rated job classification with a rate above the general field and harvesting rate, such vacancy shall be posted on the Company's Bulletin Board in the area of the vacancy. The posting shall be made at least five (5) days before the vacancy is permanently filled. A copy of the posting will

be made available to the Union Ranch Committee. Seniority workers desiring to apply for such position shall sign the posting. Selection and training for those workers applying for the position shall be as set forth in Paragraph C above.

E. The Company, when anticipating the recall of seniority workers, shall notify the worker and the Union, not less than two (2) weeks prior to the estimated starting date of the work and the approximate duration thereof. The Company shall then notify the worker when to report for work, allowing reasonable time to report. All such notice of recall shall be a joint recall bearing the title of the Company and the Union. There shall be no recall by labor contractors. It is understood that the provisions of Article 3, Hiring, Section B, apply to the recalled worker.

F. The Company shall notify the Union within five (5) work days of seniority workers laid off or recalled on a seasonal basis in accordance with this ARTICLE by giving the worker's name, Social Security number, seniority date, job or commodity classification and date of recall or layoff. Grievances relating to this paragraph shall be subject to the Expedited Grievance and Arbitration procedure.

G. Beginning with the signing of this Agreement, and each three (3) months thereafter, the Company shall provide the Union with an up-to-date seniority list showing the name of each worker, his seniority date, Social Security number and job or commodity classification. The Company shall also post seniority lists in a conspicuous place for examination by the workers and the Union Ranch Committee. The Union may review the accuracy of the seniority list and present to the Company any errors it may find on such list. Grievances relating to this paragraph shall be subject to the Expedited Grievance and Arbitration procedure.

H. Seniority shall not be applied so as to displace (bump) any worker of the Company within an established crew, commodity or area.

I. It is understood that the Company and the Union may agree in writing to make deviations from these seniority provisions regarding applications of seniority.

In the event the Union and the Company agree to a local seniority provision different from ARTICLE 4 of the Contract signed herein, the Union and the Company agree to review and revise, if agreed upon, said local provision only, one (1) year after the signing of this Agreement, if either party so requests.

ARTICLE 5: GRIEVANCE AND ARBITRATION PROCEDURE

A. The parties to this Agreement agree that all disputes which arise between the Company and the Union out of the interpretation or application of this Agreement shall be subject to the Grievance and Arbitration Procedure. The parties further agree that the Grievance Procedure of this Agreement shall be the exclusive remedy with respect to any disputes arising under this Agreement, and no other remedies shall be utilized by any person with respect to any dispute involving this Agreement until the Grievance Procedure has been exhausted. Any claim by Union that an on the job conduct by any non-bargaining unit employee is disrupting working relations may be treated as a grievance, provided that such Grievance is specified in detail.

B. The Company shall co-operate to make Union Stewards available to workers wishing to submit a grievance and to make the Grievance Committee of the Union available to perform their functions under this Agreement.

C. Grievances dropped by either party prior to an arbitration hearing shall be considered as withdrawn without prejudice to either party's position on a similar matter in the future.

D. FIRST STEP: Any grievance arising under this Agreement shall be immediately taken up between the Company supervisor involved and the Union Steward. They shall use their best efforts to resolve the grievance. In the event the grievance is not immediately satisfactorily resolved the grieving party shall reduce the grievance to writing and set forth the nature of the grievance. A grievance regarding a discharge of an employee must be filed in writing within five (5) days of the discharge. All other grievances must be filed in writing within thirty (30) days of the occurrence of the grievance or thirty (30) days of the discovery thereof.

STEP TWO: Any grievances not resolved in the First Step shall be discussed in a meeting between the Grievance Committee and the Company representative delegated to resolve such matters not later than ten (10) calendar days of the filing of the grievance. If the grievance is not satisfactorily resolved in such meeting, the party receiving the grievance shall immediately give a written response to the other regarding its position including reasons for denial. The failure of the grieving party to appeal to the Second Step within thirty (30) calendar days shall waive the

grievance. A Union representative may fully participate in the grievance meeting.

STEP THREE: If the foregoing fails to produce settlement, the matter shall be referred to the arbitrator for the area within thirty (30) days. The arbitrator shall consider and decide the grievance referred to him. In cases where more than one (1) grievance is referred to arbitration in an area, the arbitrator may hold consecutive hearings to expedite hearings. The arbitrator shall not have the authority or jurisdiction to modify, add to, or detract from, or alter any provision of this Agreement. Within that limitation, among other things, he shall have authority to award back pay for any loss of earnings from the Company, including the right to revoke any form of discipline including discharge. He shall also have the authority to apply the Agreement and order compliance by all parties within the terms of the Agreement.

The arbitrator in his discretion, may render a bench decision, or may allow briefs, but, in any event, shall issue a decision in writing to the parties within fifteen (15) days after the date of the close of the hearing sessions.

The decision of the arbitrator shall be binding on the Company, the Union and the workers.

All expenses and salaries of the arbitrator shall be borne equally by the parties. Each party shall pay the cost of presenting its own case.

SELECTION OF THE ARBITRATOR: The parties will make a good faith effort to agree on a list of arbitrators for each of the areas listed below. In the event they are unable to agree, and not later than one (1) week (unless there is mutual agreement to extend this time period) after the execution of this Agreement and each (6) months thereafter, if requested by either the Company or the Union, a panel of eleven (11) arbitrators shall be requested from either the American Arbitration Association or the Federal Mediation and Conciliation Service. One (1) panel shall be requested for the Salinas area, one (1) panel for the Ventura and Santa Barbara area, and one (1) panel for the Imperial Valley. Upon request of either party additional lists of arbitrators shall be requested for the other geographical areas.

After receipt of the lists, the parties shall meet to select arbitrators for each area. If the parties cannot agree upon

the selection of arbitrators, then they shall turn to the list of arbitrators received under the procedure of the above paragraph. The person to strike first shall be selected by a coin toss. That party shall strike the first name from each list. The name remaining after each party has struck five (5) shall be the person designated as arbitrator for each area. However, every six (6) months, either party may request a new list of arbitrators for any area and require a new meeting as discussed in this paragraph to select a new arbitrator.

E. EXPEDITED GRIEVANCE AND ARBITRATION: The parties agree that the primary purpose of the grievance procedure is to resolve grievances as speedily as possible and to maintain good relations between the Union, the Company, and the workers.

It is recognized that there are times and there are certain issues that may arise, wherein it is to the best interest of all concerned to have a resolution of the matter more quickly than provided in the above procedure.

Accordingly, it is agreed that grievances specified elsewhere in this Agreement as subject to the expedited Grievance and Arbitration Procedure may, at the request of the grieving party, and with written notice to the other party, be expedited to arbitration.

After such a grievance has been reduced to writing, the grieving party may request and there shall be a Second Step meeting within two (2) workdays and the responding party will immediately provide its answer in writing, if denied, setting forth the reasons for denial. The grieving party may then request, with notice to the responding party, that the grievance be referred to the arbitrator within three (3) workdays from the written responsive answer. If such a grievance is presented to the arbitrator, it is agreed that it will take precedent, as to investigation, hearing date, and issuance of decision over any other case.

F. The arbitrator may make a field examination in any case he deems it advisable.

G. In the event that any dispute causes a work interruption of any kind, the parties agree to make an immediate joint effort to end such interruption which may include contacting the arbitrator. The arbitrator shall order an end to such interruption, personally, if possible, or by telephone, and shall immediately attempt to resolve the dispute. This in no way alters the obligation or liability of either party

under the Collective Bargaining Agreement.

ARTICLE 6: NO STRIKE CLAUSE

A. There shall be no strikes, slowdowns, boycotts, interruptions of work by the Union nor shall there be any lockouts by the Company.

B. If any of said events occur, the officers and representatives of Union and/or Company, as the case may be, shall do everything within their power to end or avert such activity.

C. Workers covered by this Agreement shall not engage in any strike, slowdown or other interruption of work, because such action is not approved by the Union.

ARTICLE 7: RIGHT OF ACCESS TO COMPANY PROPERTY

A. Duly authorized and designated representatives of the Union shall have right of access to Company premises in connection with conduct of normal Union affairs in administration of this Agreement. In the exercise of the foregoing, there shall be no unnecessary interference with the productive activities of the workers.

B. Before a Union representative contacts any of the workers during working hours, he shall notify the Company that he is on the premises.

C. The Union shall advise the Company of the names of its duly authorized and designated representatives.

ARTICLE 8: DISCIPLINE AND DISCHARGE

A. The Company shall have the sole right to discipline and discharge workers for just cause, providing that in the exercise of this right it will not act in violation of the Agreement.

No worker shall be disciplined or discharged except for just cause.

B. Prior to any discharge or suspension, the Company shall notify the Steward or other Union official and such Union representative shall have the right to be present when formal charges are made, if they so desire; provided, however, if a situation occurs in a remote area, wherein the Company deems it necessary to take action and no Steward or Union representative is available, the Company may take

action and must give written notice within the time limit in Paragraph C below.

C. The Steward or other Union representative shall have the right to interview workers in private.

Within forty-eight (48) hours after any discharge for just cause, the Union representative will be notified in writing the reasons for such discharge.

D. Individual work pace in relation to piece rate, or incentive plan, shall not be conclusive evidence for the purpose of disciplining or discharging a worker. This provision shall not, however, constitute any limitation on any of the Company's rights to discharge or discipline for unsatisfactory work performance. Discharge and other disciplinary actions are subject to the grievance and arbitration provisions of this Agreement.

ARTICLE 9: DISCRIMINATION

A. In accordance with the policies of the Company and the Union, it is agreed that there shall be no discrimination against any worker because of race, age, creed, color, religion, sex, political belief, national origin, language spoken or Union activity.

ARTICLE 10: WORKER SECURITY

A. Company agrees that any worker may refuse to pass through any picket line of another Company and sanctioned by the Union.

B. No worker under this Agreement shall be required to perform work that normally would have been done by employees of another Company who are engaged in a strike sanctioned by the Union.

C. The provisions of this ARTICLE are not limitations in any way on the rights of the Company as set forth in ARTICLE 38, Grower-Shipper Contracts. The provisions of ARTICLE 14C, Health and Safety, also apply.

ARTICLE 11: LEAVES OF ABSENCE

LEAVES OF ABSENCE FOR UNION BUSINESS

A. Any worker elected or appointed to an office or position in the Union shall be granted a leave of absence for a period of continuous service with the Union upon written

request of the Union. Ten (10) days notice must be given the Company before the worker takes leave to accept such office or position or chooses to return to work. Such leaves of absence shall be without pay. Seniority shall not be broken or suspended by reason of such leave.

B. A temporary leave of absence without pay not to exceed three (3) days for Union business shall be granted under the following conditions:

1. Written notice shall be given by the Union to the Company at least two (2) days prior to commencement of any such leave;

2. Such leaves of absence shall only be granted to workers engaged in hoeing and thinning, harvesting and sorting and packing, not to exceed ten per cen (10%) of any such crew;

3. This section shall only apply to Companies whose harvesting operations exceed sixty (60) work days in a calendar year;

4. This Section shall not apply to operations during critical periods such as the first and last weeks of harvest, if it would harm operations.

Other Leaves

C. A leave of absence without pay shall also be granted to workers by the Company upon workers applying to and being confirmed by the Company for any of the following reasons without loss of seniority:

1. For Jury Duty or Witness Duty when subpoenaed.

2. A worker who serves in the U.S. Military and notifies the Company and Union in writing prior to leaving for such service, and reports for work within thirty (30) days after being discharged from such service, shall not lose any seniority, job rights, or other benefits. Upon return from such service, such worker shall be granted a job equal to that he or she would have had with the Company had he or she remained in Company's continued employ, provided, however, any renewal of enlistment beyond the original one will serve to break seniority unless such action violates the Selective Service Act.

3. Up to two (2) years of illness or injury requiring absence from job. The Company may require substantiation by medical certificate or other adequate proof of illness.

4. For valid personal reasons, not to exceed thirty (30) days.

All leaves in excess of three (3) days shall be in writing

on approved leave of absence forms provided by the Company. Such forms shall be signed by the Company representative, the worker requesting the leave, signed by the Company representative, the worker requesting the leave, and the Union Steward or other Union representative to signify receipt of the Union's copy. Leave of absence shall be extended by the Company for a valid personal reason, if a request for such an extension is made by the worker in writing to the Company with a copy to the Union prior to termination of the original leave, provided however, that a request for an extension may be submitted simultaneously with the request for leave of absence for valid personal reasons, if the worker has special circumstances which require additional time.

Leaves of absence schedules, under this section, where more workers have applied for a leave of absence at the same time than can be spared by the Company, shall be allocated on the basis of seniority with the worker having the highest seniority having first preference for that leave or absence. However, where a worker requests an emergency leave, the Union and the Company may agree to his/her leave in preference to that worker over other workers with higher seniority.

Failure to report for work at the end of an approved leave of absence or accepting employment with another employer during an approved leave of absence shall terminate seniority in accordance with ARTICLE 4, Seniority.

ARTICLE 12: MAINTENANCE OF STANDARDS

Company agrees that all conditions of employment for workers relating to wages, hours of work and general working conditions shall be maintained at no less than the highest standards in effect as of this date of this Agreement. Conditions of employment shall be improved wherever specific provisions for improvement are made elsewhere in this Agreement.

The Union and the Company agree that during the negotiations which resulted in this Agreement they have fully negotiated and agreed to the terms of the Company's contributions to the R.F.K. Farmworkers Medical Plan. Said terms of contribution as set forth herein, sets forth the Company's total obligation in respect to a medical plan, and that, therefore, the obligations of ARTICLE 12 do not extend to any medical plan maintained by the Company prior to this Agreement.

ARTICLE 13: SUPERVISORS

Supervisors and other employees not included in the bargaining unit shall not perform any work covered by this Agreement, except for instruction, training and emergencies.

This paragraph shall not be used as a basis for the purpose of avoiding the recall of bargaining unit workers for work they would normally perform.

ARTICLE 14: HEALTH AND SAFETY

A. The Company and Union are interested in the health and safety of employees while working with the Company. It is understood and agreed that it is necessary in the sophisticated farming practices of today that certain agricultural chemicals must be used for the control of pests and growth of the product. Company recognizes that use of certain chemicals may be injurious to farm workers. The use of such chemicals injurious to farm workers must be such so as not to cause injury to employees. 3. Date and time material was applied and its formulation;

be provided.

F. I. Any violation of this ARTICLE shall be subject to the Expedited Grievance and Arbitration Procedure.

ARTICLE 15: MECHANIZATION

In the event the Company anticipates mechanization of any operation of the Company that will permanently displace workers, the Company, before commencing such mechanical operations, shall meet with the Union to discuss training of displaced workers to operate and maintain the new mechanical equipment, the placement of displaced workers in other jobs with the Company, the training of such workers for other jobs with the Company, or the placing of such workers on a preferential hiring list which the Company and Union will use in conjunction with ARTICLE 3, Hiring.

ARTICLE 16: MANAGEMENT RIGHTS

determine when overtime shall be worked and whether to require overtime.

The parties recognize the value and importance of the Union label. The parties wish to ensure that the public will not be defrauded by a misuse of the Union label. Therefore, the parties agree as follows:

A. Company will make available to the designated Union representatives, at the Union's request:

Labels

2. Printing source
3. Number of labels used.

B. The Union label and Union seal are and shall remain the sole property of the Union. During the term of this Agreement, Company shall be entitled to the use of said label and seal. It is agreed that during the term of this Agreement each shipping package or container, harvested and packed by Union members and shipped by Company shall bear the Union label or seal. In this regard, Company shall not sell, transfer, or assign its right to use said label or seal except upon written permission of Union. The color, size and placement of the label or seal on particular packages or containers shall be determined by the Company.

C. Security Clause. In the event of the Company's misuse of the Union label or seal on packages or units harvested and packed by non-union workers, it is recognized that such misuse will cause damage to the Union. C. A break in seniority in one commodity operation shall not constitute a break in seniority in any other commodity operation. Each worker shall maintain seniority on each list separately until seniority is broken on that list.

D. Lay offs shall be in order of seniority with the worker having the least seniority being laid off first and the

workers with the highst seniority being recalled first.

E. When a worker is promoted, he or she shall have a seniority date-of-entry in the new classification but retain his or her original Company seniority date for other purposes. A promoted worker shall retain his or her seniority date in his or her former classification for a period of thirty (30) days. Workers who work within a classification but leave before work ends within the classification or operation to fill a job in another classification or operation within the Company, shall be placed in seniority order on a seniority list designated "Number Two" for that classification for future recall purposes. Only after all seniority workers on the Number One seniority list have been recalled to work in accordance with the provisions of this AGREEMENT and SUPPLEMENTAL AGREEMENTS, shall workers on the Number Two seniority list be recalled to fill job openings within that classification.

In any event, a worker on the Number One seniority list for any classification shall have first opportunity to full-time work within that classification before any worker on the Number Two seniority list in accordance with all provisions of this AGREEMENT and SUPPLEMENTAL AGREEMENTS.

H. A worker employed by the Company in any classification or commodity operation who wishes to fill an available job opportunity in another classification or commodity operation within the Company shall inform the Company office on forms provided by the Company. Forms shall include the worker's name, address, phone number or other means of communicating with said worker. The Company shall maintain a waiting list of workers by Company seniority date according to the job

The Company shall provide the Ranch Committee with an up-to-date copy of each waiting list once a month or upon request. When all seniority workers within a classification have been recalled to work in accordance with the provisions of this AGREEMENT and SUPPLEMENTAL AGREEMENTS, the Company shall fill available job openings within a classification by calling workers in seniority order from the worker waiting list for that classification, provided however, that the worker is able to do the work in accordance with the provisions of ARTICLE 4: SENIORITY, section C of this AGREEMENT. LETTUCE GROUND CREWS

I. At the start of each operating season, workers shall be recalled in seniority order within each classification to fill necessary number of crews. Workers who are recalled shall distribute themselves to the crews in which they have seniority. If more workers within a classification wish to be in a crew than can be accommodated, preference for crew shall be granted in seniority order by classification. During the operating season, workers shall be called in seniority order within their classification to fill job openings.

J. If a vacancy occurs for a closer or loader within a crew, after all seniority closers and loaders have been recalled, first preference to fill the vacancy shall be given, respectively, to the closer or loader with the most seniority from the other crews. If no closer or loader from

another crew wishes to fill the vacancy, preference shall next be given to the "extra" with the most seniority from any crew. If no "extra" wishes to fill the vacancy, preference shall next be given to the worker with the highest seniority in the lettuce commodity.

K. If there is not enough work for the crews during the operating season, available work shall be rotated among the crews as follows: 1. When a pump irrigation shift is required, an irrigator who is unwilling or unable to perform this assignment shall remain on top for next available shift assignment, and the pump assignment shall be given to the next qualified irrigator. If an irrigator does not report to work on a day when he would be assigned a shift according to his number in the rotation, he shall lose his opportunity for shift assignment until the rotation returns to his number.

SENIORITY LISTS

N. Appropriate seniority lists shall be posted upon the signing of this Agreement. The seniority list shall include the name of each worker, his or her Company seniority date, Social Security number and appropriate job or commodity classification and date. The seniority list for year-round workers shall be posted each three (3) months thereafter and the Company shall provide a copy to the local Union field office. The seniority list for each crop operation shall be posted for a period of two (2) weeks prior to the start of,

and at the end of, each operation. The local Union field office shall be given a copy of said seniority lists at the time of posting.

O. Appeals concerning the accuracy of the lists may be made up to two (2) weeks after each posting is completed, provided however, that a worker not on the Company's payroll during such two (2) week period shall have up to ten (10) work days to file a grievance on the accuracy of the seniority list after he or she returns to the Company's payroll; or, if a worker is not recalled, such worker shall have a right to file a grievance on the accuracy of the seniority list upon reasonable discovery thereof. If the dispute remains after two (2) weeks, any unresolved matters relating to the seniority lists may be submitted to the Expedited Arbitration Procedure.
