## EDITOR'S NOTE

During April 6 - 12, 1975, the Tenth West Indies Agricultural Economics Conference was held in association with the Eighth Technical Group Meeting of the Caribbean Food and Nutrition Institute at the Pegasus Hotel, Georgetown, Guyana. The Conference was sponsored by The University of the West Indies, University of Guyana, Government of Guyana, Caribbean Agro-Economic Society, and Caribbean Food and Nutrition Institute.

Volume I containing the plenary papers and workshop reports has already been published.

This volume contains the papers presented at the four workshop group sessions and other papers of this Conference.

- Group I: Developing the Region's Cereal (Rice and Maize) Industry
- Group II: Developing the Region's Root Crops, Fruits and Vegetables
- Group III: Developing the Region's Fish and Livestock Industry
- Group IV: Developing the Region's Grain/Legume and Other Protein Sources

The Editor has had excellent support and co-operation from the following persons who facilitated the editing of the rest of the papers presented in this volume. They are:- Dr. C.E. McIntosh, Dr. L.B. Rankine, Professor L. Wilson, Mr. C. Bourne and Dr. R. Pierre.

I also wish to acknowledge the contribution made by Mr. R. Sookram, Mrs. H. Mohammed, Mr. H. Taylor and Mrs. J. Cato for the parts they played in the printing of this manuscript.
