FOREWORD

We are happy to place before you the first issue of the Journal for the year 1993. Delay in bringing it out is regretted.

The Association has brought out the proceedings of the "First National Conference on Agricultural Policy in the Context of New Economic Policy" held during 24-25 February, 1993. We are happy to say that it is well received. The next Conference will be held at NAARM, Hyderabad in the 1st Week of March, 1994. The topic for this Conference is "Agricultural Credit System—The Next Stage". The outline of the topic has already been widely circulated. The last date for receiving articles is fixed as 31st January, 1994. Hope there will be a good response from all of you.
