The United States Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, and marital or familial status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (braille, large print, audiotape, etc.) should contact the USDA Office of Communications at (202) 720-2791.

To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington, DC 20250, or call (202) 720-7327 (voice) or (202) 720-1127 (TDD). USDA is an equal employment opportunity employer.

Linking knowledge to prevent foodborne disease ...

In a recent Economic Research Service report, scientists, policy makers, and economists evaluate available data for controlling foodborne illnesses from meat and poultry along the farm-to-table chain:

Tracking Foodborne Pathogens from Farm to Table: Data Needs To Evaluate Control Options

Proceedings of an interdisciplinary conference

- *economic evaluation of a HACCP approach*
- *analyzing consumer risk*
- *taking account of changing consumption and production patterns*
- *the role of data and analysis in policy design*
- *data bases used in tracking foodborne pathogens*

... and more
