University of Maiduguri, Maiduguri.

Business Manager,
Dr. I. A. Ayinde,
University of Agriculture, Abeokuta

Editorial Policy

The Journal serves mainly as a medium for the publication of scientific research outputs in all fields of Agricultural Economics and allied disciplines. It also publishes review articles and theoretical papers (research papers, review articles) concerned with agricultural development in the tropical world and Nigeria in particular.

Note:

Articles, notes and other materials published in the Nigerian Journal of Agricultural Economics are copyrighted and therefore, cannot be republished in full or part without express written permission of the Editor-in-Chief.
