This issue of the Journal contains the Papers selected for discussion at the 35th Session of the Annual Conference of the Society scheduled to be held under the auspices of the Haryana Agricultural University, Hissar (Haryana) from 6th to 8th November, 1975. The subjects selected for discussion at this Conference are :

1. Mobilization of Rural Surpluses for Development.
2. Dairy Development and Bovine Economy.
3. Problems of Small-Scale Farming [including Production, Credit, Marketing (trading)].

This issue also includes the **Rapporteurs'** Reports on each of these three subjects. We are pleased to note that a very large number of Papers has been received on the third subject. The President-Elect of the Conference on the recommendation of the Rapporteurs has accepted 150 Papers for discussion at this Conference. Out of these, 24 Papers have been published in full in this issue along with the Summaries of the remaining 125 Papers. We regret that it has not been possible to print all the Papers in full because of the exorbitant increase in the cost of printing. We do hope the contributors whose papers could not be published in full will appreciate our difficulty and kindly excuse us. We are grateful to the Rapporteurs for sending their Reports covering the main points contained in the Papers and also for outlining the issues for discussion.

M. L. DANTWALA
