DOCUMENTED INDEX OF ARTICLES RELATING TO AGRICULTURAL ECONOMICS

A documented index of 11,039 articles relating to Agricultural Economics published in Indian and foreign periodicals, covering the period 1951-70, classified according to the Dewey Decimal System and computer-printed is available for sale to Universities and research institutions at cost (Rs. 350 per set).

A similar index of articles has been computer-printed covering each of the years from 1971 to 1977. The index for 1977 covers 968 titles. The index is supplied at a subsidised cost of Rs. 25 per set for each of the years 1971-77 (excluding forwarding charges) to enable a larger number of research institutions and Universities to avail of this facility. This service is rendered on non-profit basis. Orders for the supply of these indexes may be placed with the Hon. Secretary of the Society.
