INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

INDIAN SOCIETY OF
AGRICULTURAL ECONOMICS,
BOMBAY

The leaves in our books are turning green.

State Bank's advances to agriculture cross the Rs. 1000-crore mark.

Our advances to agriculture (both direct and indirect) have grown. From Rs. 120 crores in 1970 to over Rs. 1000 crores in 1980.

That's just the book value of our involvement, at the moment, in the nation's vital economic sector.

Over the years, State Bank has always been close to the farmer. Taking banking services even to the most remote corners of the country. Helping farmers and others involved in agriculture and allied activities with liberal schemes of financial assistance through a large network of branches including over 300 Agricultural Development branches specially geared to act as catalysts in the process of intensive rural development.

As the country's largest bank, State Bank is involved in all aspects of the economy—from agriculture and industry to power generation and mining. And in the aspirations of individuals, big or small.

Wherever you are, we are close to you.

With over 5,500 offices criss-crossing the country.

State Bank
Let's come closer

DOCUMENTED INDEX OF ARTICLES RELATING TO AGRICULTURAL ECONOMICS

A documented index of over 19,400 articles relating to Agricultural Economics published in Indian and foreign periodicals, covering the period 1951-79, classified according to the Dewey Decimal System and computer-printed is available for sale to Universities and research institutions at cost (Rs. 575 per set).

A similar index of articles covering 1,000 titles relating to the year 1980 is being computer-printed. It is supplied at a subsidised cost of Rs. 25 per set (excluding forwarding charges) to enable a larger number of research institutions and Universities to avail of this facility. This service is rendered on non-profit basis. Orders for the supply of these indexes may be placed with the Hon. Secretary, The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Bombay-400 023.

The Bazigars made a precarious living.

The Bazigars of Khanna in Punjab were professional acrobats. Who risked life and limb to keep body and soul together.

Today they face nothing more dangerous than the kick of a cow being milked. Because Bank of India has financed the Bazigars for purchasing milch animals.

Today they live in pukka houses set in a colony resembling a co-operative dairy farm. The income from their dairying has brought to them a prosperity they never knew.

Just another instance of Bank of India's concern for the weaker sections of society.

Secure your future with India's largest nationalized bank.

WE SOW SELF RELIANCE THROUGH CO-OPERATIVE ENDEAVOUR

As you sow, so you reap. We made multisided efforts to sow self reliance in Rural and Urban Maharashtra through Primary Agricultural Co-operative Credit Societies, Marketing Societies, Artisans and Jungle Kamgar Societies, Co-operative Hospitals, Industrial Societies, Urban Banks and Salary Earners Societies.

AND WE SEE

The face of Rural and Urban Maharashtra is changed.

INDIAN JOURNAL OF AGRICULTURAL ECONOMICS—REPRINTS

Many back issues/volumes of the Indian Journal of Agricultural Economics are currently out of print. Enquiries have been received by the Society for the supply of the back volumes of the Journal. With a view to enabling the interested readers, agricultural universities, colleges and other research institutions to complete their holdings of the back issues/volumes of the Journal, the Society has entered into an agreement with the Researchco Reprints, Delhi whereby the Researchco Reprints has been given full rights of reprinting of all the issues of Volumes 1 to 29 of the Journal which are out of print now. The Researchco Reprints is presently preparing the reprints of the abovesaid volumes. Kindly direct your orders and enquiries for back issues/volumes of the Journal (including reprints) to the Researchco Reprints, 1865 Trinagar, Delhi-110 035 (India).

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½-by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodh, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
