INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

INDIAN SOCIETY OF
AGRICULTURAL ECONOMICS,
BOMBAY

AGRICULTURAL SITUATION IN INDIA

A Monthly Journal of the Directorate of Economics and Statistics, Ministry of Agriculture.

Main features:

- * Articles from experts to enable critical appreciation of current trends and prospects.
- * Extensive commentary on the agricultural development in India and abroad.
- * Reviews on important agricultural commodities.
- * Comprehensive statistical tables—crop production, wages, prices, import and export, rainfall and crop estimates.

Commanding a wide and influential readership in India and abroad, **Agricultural Situation in India** is an invaluable guide to business executives, administrators and students of agricultural economics.

Subscription { Single copy : Rs. 4.00 or £ 0.47 or \$ 1.44
 Annual : Rs. 48.00 or £ 5 60 or \$ 17.28

Available from:

The Controller of Publications, Civil Lines, Delhi-110006.

Books for review should be sent in duplicate to the Executive Editor. Manuscripts in duplicate and editorial correspondence should be addressed to the Executive Editor, **The Bangladesh Development Studies**, Adamjee Court, Motijheel Commercial Area, Dacca-2, Bangladesh. Rejected manuscripts are not returned.

The leaves in our books are turning green.

State Bank's advances to agriculture cross the Rs. 1000-crore mark.

Our advances to agriculture (both direct and indirect) have grown. From Rs. 120 crores in 1970 to over Rs. 1000 crores in 1980.

That's just the book value of our involvement, at the moment, in the nation's vital economic sector.

Over the years, State Bank has always been close to the farmer. Taking banking services even to the most remote corners of the country. Helping farmers and others involved in agriculture and allied activities with liberal schemes of financial assistance through a large network of branches including over 300 Agricultural Development branches specially geared to act as catalysts in the process of intensive rural development.

As the country's largest bank, State Bank is involved in all aspects of the economy—from agriculture and industry to power generation and mining. And in the aspirations of individuals, big or small.

Wherever you are, we are close to you.

With over 5,500 offices criss-crossing the country.

Fertilizer being an expensive input forms a sizeable percentage of a farmer's total cultivation cost. Therefore, it is of critical importance to use every unit of fertilizer effectively.

Towards this, in all our field programs as well as mass media programs, we have been communicating to farmers the following practices designed to enhance fertilizer use efficiency.

- ☐ Soil testing to determine fertilizer needs for each field and crop.
- ☐ Placement of fertilizers.
- ☐ Split application of nitrogen.
- ☐ Conservation and efficient utilization of organic wastes.
- ☐ Use of neem cake treated urea for top dressing of paddy.
- ☐ Use of high yielding varieties, proper water management and timely control of weeds and other pests.

MFL-at the service of farmers

WE SOW SELF RELIANCE THROUGH CO-OPERATIVE ENDEAVOUR

As you sow, so you reap. We made multisided efforts to sow self reliance in Rural and Urban Maharashtra through Primary Agricultural Co-operative Credit Societies, Marketing Societies, Artisans and Jungle Kamgar Societies, Co-operative Hospitals, Industrial Societies, Urban Banks and Salary Earners Societies.

AND WE SEE

The face of Rural and Urban Maharashtra is changed.

INTERNATIONAL LABOUR REVIEW

The oldest international journal publishing articles, comparative studies and original research reports on employment and unemployment, inflation and living standards, wages and other conditions of work, industrial relations, workers' participation and collective bargaining, occupational safety and health, etc., by scholars and practitioners of outstanding merit from all countries as well as by the international staff of the ILO.

Recent articles include :

- | | |
|---|----------------------|
| * The applicability of international labour Conventions off-shore: an approach | <i>I. Chambers</i> |
| * Training for self-reliance in rural areas | <i>G. D. Green</i> |
| * Employment generation through handicraft co-operatives: the Indian experience | <i>K. K. Taimini</i> |
| * Control of development by the people: regional planning and basic needs in Madagascar | <i>C. Rabevazaha</i> |
| * Direct job creation in industrialised countries | <i>B. Balkenhol</i> |

*Indexed and abstracted in the Journal of Economic Literature
and the PAIS Bulletin*

Annual subscription (1982)

Sw. frs. 45; US\$ 25-50.

INTERNATIONAL LABOUR OFFICE
7, Sardar Patel Marg, Chanakypuri, New Delhi-21.

We lifted them by their bootstraps.

Mending shoes was the sole support of more than 200 Bhopal cobblers. They plied their trade in the open air, exposed to wind, heat and rain.

Then Bank of India lifted their lives to a new level. With loans of Rs. 900 each for building kiosks, and as working capital.

Today, the cobblers of Bhopal practise their craft in kiosks of their own. Just another instance of Bank of India's action to uplift the underprivileged.

Secure your future with India's largest nationalised bank.

Bank of India

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½-by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodh, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
