	Summaries .. .. .	394
	Rapporteur's Report on Slow Growth Crops—Pulses, Oilseeds and Coarse Grains—Technological, Economic and Environmental Constraints .. .. .	417
	<i>C. G. Ranade</i>	

## P R E F A C E

This issue of the Journal contains the Papers selected for discussion at the 42nd Annual Conference of the Society scheduled to be held under the auspices of the G. B. Pant University of Agriculture and Technology, Pantnagar (District Nainital, Uttar Pradesh) from 5th to 7th November, 1982. The subjects selected for discussion at this Session of the Conference are:

1. Subsidy as an Instrument for Increasing Agricultural Production and Income.
2. Exports of Agricultural Commodities.
3. Slow Growth Crops—Pulses, Oilseeds and Coarse Grains—  
Technological, Economic and Environmental Constraints.

This issue also includes the Rapporteurs' Reports on the three subjects. We are pleased to note that a very large number of Papers has been received on the third subject. The President-Elect of the Conference on the recommendation of the Rapporteurs has accepted 66 Papers for discussion. Out of these, 17 Papers have been published in full in this issue along with the Summaries of the remaining 49 Papers. We regret that it has not been possible to print all the papers in full because of high cost of printing. We do hope the contributors whose papers could not be published in full will appreciate our difficulty and kindly excuse us. We are grateful to the Rapporteurs for sending their Reports covering the important points contained in the Papers and also for framing the issues for discussion.

October 10, 1982

## AGRICULTURAL SITUATION IN INDIA

**A Monthly Journal of the Directorate of Economics and Statistics, Ministry of Agriculture.**

**Main features:**

- \* Articles from experts to enable critical appreciation of current trends and prospects.
- \* Extensive commentary on the agricultural development in India and abroad.
- \* Summaries of various reports of Agro-Economic Research Centres.
- \* Reviews on important agricultural commodities.
- \* Comprehensive statistical tables—crop production, wages, prices, import and export, rainfall and crop estimates.

Commanding a wide and influential readership in India and abroad, **Agricultural Situation in India** is an invaluable guide to business executives, administrators and students of agricultural economics.

**Subscription** { Single copy : Rs. 4.00 or £ 0.47 or \$ 1.44  
 Annual : Rs. 48.00 or £ 5.60 or \$ 17.28

**Available from:**

**The Controller of Publications, Civil Lines, Delhi-110 054.**

## INDIAN JOURNAL OF AGRICULTURAL ECONOMICS—REPRINTS

Many back issues/volumes of the Indian Journal of Agricultural Economics are currently out of print. Enquiries have been received by the Society for the supply of the back volumes of the Journal. With a view to enabling the interested readers, agricultural universities, colleges and other research institutions to complete their holdings of the back issues/volumes of the Journal, the Society has entered into an agreement with the Researchco Reprints, Delhi whereby the Researchco Reprints has been given full rights of reprinting of all the issues of Volumes 1 to 29 of the Journal which are out of print now. The Researchco Reprints is presently preparing the reprints of the abovesaid volumes. Kindly direct your orders and enquiries for back issues/volumes of the Journal (including reprints) to the Researchco Reprints, 1865 Trinagar, Delhi-110 035 (India).
