Book Reviews, Books in Brief

Revised Subscription Rates (inclusive of ordinary postage):

Annual: Rs. 90, \$ 30, £ 15. Single issue: Rs. 30, \$ 10, £ 5.

Please address all correspondence relating to academic matters (*e.g.*, articles, book reviews, etc.) to Dr. **B. G. Bapat**, **Managing Editor**, *Artha Vijnana* and other correspondence (*e.g.*, subscription, etc.) to the **Editorial Assistant**, *Artha Vijnana*, Gokhale Institute of Politics and Economics, Pune 411 004. (India).

Some day, all Indian farmers will have it this good.

“We have our own
pasteurisation plant...
Our own baby food unit...
Our own butter factory...
Our own milk powder plant...
Our own cattlefeed factory...
Our own veterinary service...
Our own marketing arrangements...”

TRADEUS/GCMMF/SP/1/86-R

The 10 lakh farmers who constitute the Gujarat Co-operative Milk Marketing Federation have shown the way.

Their co-operative way of life has paid them rich dividends. They not only own the most modern plants but are also able to recruit the finest managerial and technical talent to ensure their efficient operation.

The dairy co-operative revolution that started in Gujarat is now spreading to the rest of the country.

Gujarat Co-operative Milk Marketing Federation Ltd. Anand 388 001.

INDIAN JOURNAL OF INDUSTRIAL RELATIONS

A Quarterly devoted to advancement of knowledge in the field of industrial relations and human resources including relevant aspects of labour relations, personnel management and rural labour. The Journal also welcomes communications from managers and union leaders reflecting their experiences and insights. All manuscripts intended for publication and books for review should be sent in duplicate to the editor.

Name of Publisher

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½-by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodh, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
