"Mahyco... ... is my passport to prosperity"

"No more poor harvests for me. Now, year after year, season after season, I reap the rich profits of having switched over to Mahyco Jowar, Bajra, Maize, and cotton hybrid seeds.

Thanks to Mahyco's continuous research, their latest hybrids result in increasing yields and profits. And, I can farm all the year round. Because Mahyco offers me a variety of quality cereal, cotton, vegetable and oilseed hybrid seeds as well.

In addition, Mahyco's stringent quality control and excellent service through their wide dealer network further strengthen my reliance on Mahyco for continued high profits. Switch over to Mahyco today, it will put you on the road to prosperity".

Rejected manuscripts are not returned.

JOURNAL OF INDIAN SCHOOL OF POLITICAL ECONOMY

Editor - V. M. Dandekar

JOURNAL OF INDIAN SCHOOL OF POLITICAL ECONOMY is devoted to a study of the Indian Economy, Polity and Society. Emphasis is on reviewing developments since Independence with roots in the British administration where relevant. When a review is based on statistical data, the policy is to present full statistical data base. The Journal is intended to be a quarterly. However, in the first year, 1989, we brought out only two issues, January-June 1989 and July-December 1989. In 1990, we expect to bring out three issues and thereafter four issues beginning in 1991. The May-August 1990 issue is already out.

Vol.II	May-August 1990	No. 2
Development and Decay of the Indian Polity: Some Reflections	Madhu Limaye	
Development of Indian Railways: 1853-1974	F.K. Wadia	
Stabilizing the Sugar Economy	S.K. Ray	
Incentives for Oilseed Cultivators: Implications for Efficiency	Ashok Gulati	
Growth of School Enrolment in India	Maya Shah	
Household Purchases of Textiles: 1972-1987	V.V. Divatia	
Political Economy of Ganga Waters	Chandrika J. Gulati	
Review Article: Issues in Irrigation and Water Management	Nilakantha Rath	
Book Reviews		
Annotated Index of Books and Articles

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½-by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 15/- either by M.O. or crossed I.P.O. (\$ 4.00 or £ 2.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arhabodh, Pune - 411 016; Place of printing : Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R.Shetty; Place of Publication and Owners : The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
