JOURNAL OF FOOD DISTRIBUTION RESEARCH

1973

Contributed Papers

Papers are now being accepted for the 1973 contributed papers for the Journal of Food Distribution Research. Members and friends of the Society are urged to submit, for possible publication, papers or copies of recent speeches in any area of food distribution, education, research or technological application. Please keep the methodological discussions to a minimum and emphasize the practical application of the ideas being presented. Put graphs, charts, and tables on separate pages with absolute values included, but omit color visuals. We are not in a position to utilize them at this time. Photographs, if included, should be essential to the story, clear and of moderate contrast. Minimum dimensions should be 5" x 7". Please try to keep the articles to about 15 pages, double spaced. Send two copies of your paper to the Vice-President for publications or his assistant.
