Journal of Food Distribution Research

Volume XLIV Number 1

March 2018

ISSN 0047-245X

The *Journal of Food Distribution Research* has an applied, problem-oriented focus on the flow of food products and services through wholesale and retail distribution systems. Related areas of interest include patterns of consumption, impacts of technology on processing and manufacturing, packaging and transport, data and information systems in the food and agricultural industry, market development, and international trade in food products and agricultural commodities. Business, agricultural, and applied economic applications are encouraged. Acceptable methodologies include survey, review, and critique; analysis and synthesis of previous research; econometric or other statistical analysis; and case studies. Teaching cases will be considered. Issues on special topics may be published based on requests or on the editors' initiative. Potential usefulness to a broad range of agricultural and business economists is an important criterion for publication.

The *Journal of Food Distribution Research* (JFDR) is a publication of the Food Distribution Research Society, Inc. (FDRS). The journal is published three times a year (March, July, and November). JFDR is refereed in its July and November issues. A third, non-refereed issue contains Research Reports and Research Updates presented at FDRS's annual conference. Members and subscribers also receive the Food Distribution Research Society Newsletter, normally published twice a year.

JFDR is refereed by a review board of qualified professionals (see Editorial Review Board, at left). Manuscripts should be submitted to the FDRS editors (see back cover for Manuscript Submission Guidelines).

The FDRS accepts advertising of materials considered pertinent to the purposes of the Society for both the journal and the newsletter. Contact the V.P. for Membership for more information.

Lifetime membership is \$400; one-year professional membership is \$45; three-year professional membership is \$120; student membership is \$15 a year; junior membership (graduated in last five years) is \$15 and company/business membership is \$140.
