# INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

INDIAN SOCIETY OF  
AGRICULTURAL ECONOMICS,  
BOMBAY

## ANNOUNCEMENTS

---

### **D.K. Desai Prize Awards for the Best Articles Published in the Indian Journal of Agricultural Economics in 1991**

Under the D.K. Desai Prize Award Scheme initiated by the Indian Society of Agricultural Economics, eleven articles published in the three regular issues of the Indian Journal of Agricultural Economics during the year 1991 were considered for prize by the Prize Awards Committee. On the recommendations of the Prize Awards Committee, the Society awarded two prizes of Rs. 1,000 each to the following full length Articles under the Agricultural Stream and General Stream:

#### *Agricultural Stream*

"Land Subdivision in India's Semi-Arid Tropics" by Vishwa Ballabh and Thomas S. Walker (published in the January-March 1991 issue).

#### *General Stream*

"Drought Proofing in the Indian Foodgrain Economy" by Deepak Ahluwalia (published in the April-June 1991 issue).

### **Subjects Selected for Discussion at the Next (53rd) Annual Conference of the Society**

The 53rd Annual Conference of the Indian Society of Agricultural Economics will be held under the auspices of Punjab Agricultural University at Ludhiana-141 004 sometime in December 1993. The following three subjects have been selected for discussion at the Conference:

1. Oilseeds and Pulses.
2. Agricultural Wages and Employment.
3. Management of Renewable Natural Resources/Sustainability of Agriculture.

The Indicative Outlines of these subjects are being circulated to the members and member-institutions. Research Papers not exceeding 10 pages each (typed in double space on one side only) including tables, annexures, references, etc., are invited for discussion at the Conference. Three copies of the Paper, along with Summaries (not exceeding 500 words) should reach the Society's Office not later than *July 15, 1993*.

**europaean review  
of agricultural economics**

**Editor:** Arie Oskam  
Agricultural University  
Wageningen, The Netherlands

The **European Review of Agricultural Economics** serves as a forum for the discussion of theoretical and applied agricultural economics research in Europe, and for the stimulation of ideas regarding the economic problems of agriculture in Europe and other parts of the world.

The **ERAE** also promotes discussion on national resource use, protection of the environment, marketing of agricultural products and development of rural areas. Throughout, the **ERAE** strives for balanced coverage of all issues in agricultural economics: production economics, operations research and farm management problems, agricultural policy, including farm incomes and farm structure, regional planning and rural development, supply analysis, factor markets, demand analysis and marketing, international trade and development, statistical and econometric methods, etc. Original articles as well as full or abstracted articles which have already appeared in national publications and/or in other languages are included. Shorter features supplement the main contents and ensure that the most recent information available is covered. These features include research notes, book reviews, comments on previously published articles and news items about European activities in the field of agricultural economics, such as meetings and conferences.

The **European Review of Agricultural Economics** is published as one volume of four issues per year (approximately 510 pages).

**Subscription rates for Volume 20 (1993):**

Institutions/libraries	DM 284.00 (plus postage)
Individuals (prepaid only*)	DM 134.80 (includes postage)
Single issues	DM 74.00

**Prices in US\$ for subscriptions in North America only:**

Institutions/libraries	US\$ 185.00 (plus postage)
Individuals (prepaid only*)	US\$ 70.50 (includes postage)

\* Subscriptions for individuals are for personal use only and must be prepaid and ordered directly from the publisher. Prepayment may be made by check or by credit card: MasterCard [Access], EuroCard, Visa, and American Express [AMEX may not be used in North America]. **JOURNAL OF INDIAN SCHOOL OF  
POLITICAL ECONOMY**

Editor - V. M. Dandekar

JOURNAL OF INDIAN SCHOOL OF POLITICAL ECONOMY is devoted to a study of the Indian Economy, Polity and Society. Emphasis is on reviewing developments since Independence with roots in the British administration where relevant. When a review is based on statistical data, as far as possible, full statistical base data are presented. The Journal is intended to be a quarterly. However, in the first year, we brought out only two issues, January-June and July-December 1989. In 1990, we brought out three issues January-April, May-August, and September-December 1990. Beginning 1991, we are bringing out four quarterly issues. This is the first issue of 1993.

*Available from:*

*The Controller of Publications, Civil Lines, Delhi-110 054.*

## INDIAN JOURNAL OF AGRICULTURAL ECONOMICS--REPRINTS

Many back issues/volumes of the Indian Journal of Agricultural Economics are currently out of print. Enquiries have been received by the Society for the supply of the back volumes of the Journal. With a view to enabling the interested readers, agricultural universities, colleges and other research institutions to complete their holdings of the back issues/volumes of the Journal, the Society has entered into an agreement with the Researchco Reprints, Delhi whereby the Researchco Reprints has been given full rights of reprinting of all the issues of Volumes 1 to 29 of the Journal which are out of print now. The Researchco Reprints has brought out the reprints of the abovesaid volumes. Kindly direct your orders and enquiries for back issues/volumes of the Journal (including reprints) to the Researchco Reprints, 1865 Trinagar, Delhi-110 035 (India).

I, G.R. Shetty, hereby declare that the particulars given above are true to the best of my knowledge and belief.

## GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

**1. Subjects :** The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

**2. Size of Paper :** In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½ -by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

**3. Copies :** Two copies of each paper should be submitted along with a processing fee of Rs. 25/- either by M.O. or crossed I.P.O. (US \$ 10.00 or £ 5.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

**4. Author's Identification :** To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

**5. Mathematical notations :** Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

**6. Figures-Charts and Tables :** Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

**7. Footnotes :** Footnotes should be numbered consecutively in plain arabic superscripts.

**8. References and citations :** Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

**9. General :** While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

**10. Reprints :** Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.
