# INDIAN JOURNAL OF AGRICULTURAL ECONOMICS

INDIAN SOCIETY OF  
AGRICULTURAL ECONOMICS,  
BOMBAY

# "Mahyco... ... is my passport to prosperity"

"No more poor harvests for me. Now, year after year, season after season, I reap the rich profits of having switched over to Mahyco Jowar, Bajra, Maize, and cotton hybrid seeds.

Thanks to Mahyco's continuous research, their latest hybrids result in increasing yields and profits. And, I can farm all the year round. Because Mahyco offers me a variety of quality cereal, cotton, vegetable and oilseed hybrid seeds as well.

In addition, Mahyco's stringent quality control and excellent service through their wide dealer network further strengthen my reliance on Mahyco for continued high profits. Switch over to Mahyco today, it will put you on the road to prosperity".

## **Journal of Financial Management and Analysis**

### **INTERNATIONAL REVIEW OF FINANCE**

It has become a ritual and a convention in every country of the world -- be it a developing or a techno-capital surplus country -- to prepare and present the country's budget(s) year after year in the midst of non-availability of accurate, timely and scientifically analysed macro-economic and accounting data which problem, among others, has hindered judicious and sound financial management. With a view to tackle such problems, **Journal of Financial Management and Analysis (JFMA)** provides a new bridge between financial management theory and practice in line with demands of to-day's techno-economic corporate business and public sector business environments, etc., and JFMA has been serving as a useful kit for financial practitioners, policy makers and scholars from throughout the world.

**Recent issues of JFMA have focused on topics like:**

- \* Towards consolidation of the European Monetary System: implications for the Italian banking system
- \* Focus on problems and prospects of structural adjustment programs under transformation towards market-oriented economy of Poland
- \* Techno-economic strategy for social modernization of China: relevant guidelines
- \* Financial management implications of international capital flows to the MNC - controlled developing countries
- \* How foreign exchange misallocation leads to business recession: an application of 'Wald-Wolfowitz Runs Test'
- \* Some advances in supporting international financial management decisions
- \* Are financial statements meaningful under exchange rate fluctuations: a financial analysis
- \* Bank portfolio risk and interest rate spread of risky loans: a methodological analysis
- \* An econometric test of the effect of off-balance sheet banking activities (OBSAs) on market values of equity stock of large U.S. commercial banks
- \* A statistical test for determining inadequacy-cum-redundancy or adequacy of accounting information in annual financial reports
- \* A financial management analysis of a sick agricultural project
- \* A financial management appraisal of agricultural loan administration in developing countries: a call for review of bank financing to priority sectors
- \* Replenishment as a prime mover of IDA financing: a financial management call for restructuring of World Bank financing
- \* Focus on 'bottom-up' rural development vis-a-vis agricultural loan administration: case studies
- \* Measurement of monopoly power in the context of MNC-controlled corporate developing countries (which lack indigenous capital, management and technology)
- \* Other topics of topical importance

**Editorial Board** consists of eminent financial management experts from different countries of the world

**Subscription (Within India):** 1988 to 1990: Rs. 315 · 1991 to 1994: Rs. 615

### **THREE YEARS OF ECONOMIC REFORM IN INDIA A CRITICAL ASSESSMENT**

This collection of essays from the editorial pages of EPW, grouped thematically under five sections, presents a balance-sheet of stabilisation and structural adjustment programmes being implemented since July 1991. The section themes are: the macro impact; balance of payments and trade liberalization; failed fiscal adjustment; financial sector reform; and towards deindustrialization? A few tables containing essential data have been appended to the volume.

Pages 144 (Paper back)

Rs. 40 (plus Rs. 10 postage)

Foreign: US \$ 5.00 (post free)

All remittances should be in favour of *EPW* Research Foundation. Money orders/bank drafts preferred. Outstation cheques to include Rs. 14 for collection charges.

## INDIAN JOURNAL OF AGRICULTURAL ECONOMICS--REPRINTS

Many back issues/volumes of the Indian Journal of Agricultural Economics are currently out of print. Enquiries have been received by the Society for the supply of the back volumes of the Journal. With a view to enabling the interested readers, agricultural universities, colleges and other research institutions to complete their holdings of the back issues/volumes of the Journal, the Society has entered into an agreement with the Researchco Reprints, Delhi whereby the Researchco Reprints has been given full rights of reprinting of all the issues of Volumes 1 to 29 of the Journal which are out of print now. The Researchco Reprints has brought out the reprints of the abovesaid volumes. Kindly direct your orders and enquiries for back issues/volumes of the Journal (including reprints) to the Researchco Reprints, 1865 Trinagar, Delhi-110 035 (India).

## GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

**1. Subjects :** The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

**2. Size of Paper :** In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8 $\frac{1}{2}$  by 11 inches) including tables and appendices (with margins on all sides of at least 1 $\frac{1}{2}$  inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

**3. Copies :** Two copies of each paper should be submitted along with a processing fee of Rs. 25/- either by M.O. or crossed I.P.O. (US \$ 10.00 or £ 5.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

**4. Author's Identification :** To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

**5. Mathematical notations :** Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

**6. Figures-Charts and Tables :** Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

**7. Footnotes :** Footnotes should be numbered consecutively in plain arabic superscripts.

**8. References and citations :** Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

**9. General :** While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere.

**10. Reprints :** Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.
