"Mahyco... ... is my passport to prosperity"

"No more poor harvests for me. Now, year after year, season after season, I reap the rich profits of having switched over to Mahyco Jowar, Bajra, Maize, and cotton hybrid seeds.

Thanks to Mahyco's continuous research, their latest hybrids result in increasing yields and profits. And, I can farm all the year round. Because Mahyco offers me a variety of quality cereal, cotton, vegetable and oilseed hybrid seeds as well.

In addition, Mahyco's stringent quality control and excellent service through their wide dealer network further strengthen my reliance on Mahyco for continued high profits. Switch over to Mahyco today, it will put you on the road to prosperity".

European review of agricultural economics

Editor: Alison Burrell
Agricultural University
Wageningen, The Netherlands

The **European Review of Agricultural Economics** serves as a forum for the discussion of theoretical and applied agricultural economics research in Europe, and for the stimulation of ideas regarding the economic problems of agriculture in Europe and other parts of the world.

The **ERAE** also promotes discussion on national resource use, protection of the environment, marketing of agricultural products and development of rural areas. Throughout, the **ERAE** strives for balanced coverage of all issues in agricultural economics: production economics, operations research and farm management problems, agricultural policy, including farm incomes and farm structure, regional planning and rural development, supply analysis, factor markets, demand analysis and marketing, international trade and development, statistical and econometric methods, etc. Original articles as well as full or abstracted articles which have already appeared in national publications and/or in other languages are included. Shorter features supplement the main contents and ensure that the most recent information available is covered. These features include research notes, book reviews, comments on previously published articles and news items about European activities in the field of agricultural economics, such as meetings and conferences.

The **European Review of Agricultural Economics** is published as one volume of four issues per year (approximately 560 pages).

INDIAN JOURNAL OF AGRICULTURAL ECONOMICS--REPRINTS

Many back issues/volumes of the Indian Journal of Agricultural Economics are currently out of print. Enquiries have been received by the Society for the supply of the back volumes of the Journal. With a view to enabling the interested readers, agricultural universities, colleges and other research institutions to complete their holdings of the back issues/volumes of the Journal, the Society has entered into an agreement with the Researchco Reprints, Delhi whereby the Researchco Reprints has been given full rights of reprinting of all the issues of Volumes 1 to 29 of the Journal which are out of print now. The Researchco Reprints has brought out the reprints of the abovesaid volumes. Kindly direct your orders and enquiries for back issues/volumes of the Journal (including reprints) to the Researchco Reprints, 1865 Trinagar, Delhi-110 035 (India).

For a wider understanding of questions of labour and social policy and administration throughout the world, subscribe to the

International Labour Review

Intended to stimulate informed national and international debate on questions of social and economic policy, the *Review* presents articles containing the results of original research and comparative analyses of labour, social and economic issues by experts in a range of disciplines and from different cultures. "Perspectives" highlight emerging issues, selected judicial decisions, and possible subjects for future research. Book reviews and notes on recent volumes received or published by the ILO complete issue. The *Review* is available in English, French and Spanish and is published bi-monthly.

Recent articles include:

- The struggle against unemployment: Medium-term policy options for transitional economies
M. Godfrey
- Measuring informal sector employment in Pakistan: Testing a new methodology
H. Bekkers and W. Stoffers
- Major changes under way in China's industrial relations *Y. Zhu*
- Reflections on the role of African employers' organizations in tripartism and social dialogue
A. Etukudo
- The challenges of unemployment in the Arab region *R.A. Shaban, R. Assaad and S.S. Al-Qudsi*

| Page | Para/Line | Should read as |
|------|---------------------|--|
| 426 | Last para/last line | "helps to know how the position of Indian coffee exports has been changing in different markets over the years." |

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects : The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the papers for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8¹/₂ -by-11 inches) including tables and appendices (with margins on all sides of at least 1¹/₂ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 25/- either by M.O. or crossed I.P.O. (US \$ 10.00 or £ 5.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's Identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, the authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is the editorial policy not to consider for publication more than one paper from the same author during a year.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer : Shri G.R. Shetty; Type-setting on Postscript laser printer at Indian School of Political Economy, Arthabodh, Pune - 411 053; *Place of printing :* Mudra, 383 Narayan Peth, Pune - 411 030; *Publisher :* Shri G.R. Shetty; *Place of Publication and Owners :* The Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Bombay-400 001.
