Journal of the Bangladesh Agricultural University

Guidelines for contributors

'Journal of the Bangladesh Agricultural University Research' is a bi-annual journal published in June and December by Bangladesh Agricultural University Research System (BAURES). Research papers, review articles and short communications in all fields of Agricultural Sciences are published in this journal.

Editorial Board: Editorial Board is comprised of nine members. The Director and the Associate Director of BAURES are the ex-officio Chief Editor and Executive Editor, respectively. Two members of the editorial board are from the faculty of Agriculture and one member from each of the other five faculties. The term of the Editorial Board is for two years.

Editorial policy: All manuscripts are critically reviewed by the competent reviewers. Papers needing revision are returned to the author and the authors are required to return the manuscripts after necessary correction within prescribed time.

Instruction for contributors: The manuscript should be an original one, not previously published or under consideration for publication in any form in any journal.

Language: The manuscript must be written in English.

Length of article: Research papers should not be of more than 4000 words, while review articles may cover up to 6000 words. In case of short communications, the limit is 1500 words.

A research paper should contain the following elements:

Title: Title should be clear and concise reflecting the objective and content of paper. Title should be followed by name(s) and address(es) of the author(s) and a short running title.

Keywords: Should not exceed 5 words/ phrases.

Abstract: Should be a concise summary of the article not exceeding 200 words.

Text: Text of the article should be in following order: Title, Abstract, Keywords, Introduction, Material and Methods, Results and Discussion, Acknowledgement (if any) and References. Manuscript should be computer typed having double space with a font size of 12 on one side of A4 size white paper. Three copies of printed materials along with one copy in a diskette should be submitted. Main heading should be in bold face with left margin. The position of Tables and Figures in the text should be indicated clearly.

Tables and Figures: Tables and Figures should be placed on separate sheets. On the backside of Figures name of the first author and Figure number should be mentioned. Photographs should be black and white and of good quality.

References: References in the text should follow the author-date system, e.g., (author, date) for one author; (author and author, date) for two authors; (first author *et al.*, date) for more than two authors. The reference list should be given alphabetically in the following style:

Bhattacharya, K.R. 1985. Parboiling of rice. In B.O. Juliano, ed. *Rice chemistry and technology*, 2nd ed, p. 289-348. St Paul, MN, USA, Am. Assoc. Cereal Chem.

De Datta, S.K. 1981. *Principles and practices of rice production*. New York, J. Wiley and Sons. 618pp.

Deinum, B. 1966. Influence of some climatological factors on the chemical composition and feeding value of herbage. *Proceedings of the 10th International Grassland Congress*, Helsinki, 415-418.

Feng, H. and Tang, J. 1998. Microwave finish drying of diced apples in a spouted bed. *J. Food Sci.*, 63(4): 679-683.

Handling charge: For publication of each accepted full length paper and short communication the author(s) shall have to pay : **Full Paper** a) For Principal Investigators/ Investigators of BAURES Research Projects Tk. 500/- per research article, b) For others Tk. 1000/- per research article. **Short communication** a) For Principal Investigators/Investigators of BAURES Research Projects Tk. 300/- per research article, b) For others Tk. 500/- per research article. In addition Contributors shall have to pay an amount of Tk. 300/- during submission of the paper for the purpose of reviewing the same. Editorial board, if necessary, may charge extra cost for including photographs.

Proof and Reprint: Proofs will not be sent to the author(s). Author(s) are requested to take proper care during correcting the manuscripts on the basis of the comments of reviewer. The contributors will be given 10 copies of reprints free of cost.

**Contents****Crop Science**

- 1 Efficacy of bion and amistar in controlling alternaria blight and yield of mustard variety agrani 1
A.M. Ansari, M.S. Monjil and J. Hossain
- 2 Genetic Variability, Heritability and Genetic Advance of Yield and Related Traits of Soybean (*Glycine max* L.) 9
M.A. Hossain, S. Naz and L. Rahman
- 3 Effects of rice straw and sulphur on the growth and yield of rice 15
S.A. Haque and L. Chowdhury
- 4 Placement of Nimin coated urea on increasing nitrogen use efficiency for wetland rice 19
S.A. Haque and R.B. Diamond
- 5 Chromosome identification in papaya (*Carica papaya*) 25
M.A. Haque
- 6 Effect of level of nitrogen and date of transplanting on the yield and yield attributes of transplant aman rice 31
under SRI method
M.A. Salam, Forhad Ali, M.P. Anwar and M.S.U. Bhuiya
- 7 Influence of planting pattern on the yield and yield attributes of boro rice varieties 37
M.Y. Ali, M. Ahmed, S.M.A. Hossain and M. Jahiruddin
- 8 Integrated management of green manures and nitrogen fertilizer on the growth of transplant aman rice 41
M.A.R. Sarkar, M.Y.A. Pramanik, M.A. Samad and M.S. Islam
- 9 Chemical changes in mango as influenced by different post-harvest treatments 47
G. Barua and M.F. Mondal
- 10 Factors influencing farmers' awareness on environmental hazards caused by rice monoculture 55
A.H. Chowdhury

Livestock

- 11 A Study on profitability of goat production in some selected areas of Bangladesh 63
M.A. Sayeed, S.M. Ataur Rahman, M.J.F.A. Taimur, S. Faruque and F. Yasmin
- 12 Performance of Broiler reared on Different Litter materials in Late Autumn Season under Bangladesh condition 73
K.N. Monira, M.A.R. Howlider, G. Miah and M. Hasanuzzaman
- 13 Comparative efficacy of experimentally prepared formalin and heat killed fowl cholera vaccines 81
M.S.R. Suman, M.B. Rahman, S.M.L. Kabir, K.A. Choudhury and M.N.A. Siddiky
- 14 Correction of floor laying in duck by the provision of floor litter, nest type and nesting material 87
N. Nahar, M.A.R. Howlider and S.D. Chowdhury
- 15 Comparative efficacy of experimentally prepared washed cell and formalin killed fowl cholera vaccines 93
M.S.I. Akand, K.A. Choudhury, M.M. Rahman, S.M.L. Kabir and S.K. Sarkar
- 16 Reproductive performances of different genetic groups of dairy cows under ideal management condition 99
M.M. Uddin¹, M.N. Islam, M.N. Hassan, S. Ahmed

Fisheries

- 17 Comparison between existing low input and high input integrated pond-dike aquaculture systems in some 103
villages of Muktagacha, Mymensingh
M.S. Kabir, M.A. Wahab, M. Karim, M.C. J. Verdegem and D.C. Little
- 18 Checklist of monogenetic trematodes infesting Bangladesh and Indian freshwater fishes 113
K.J. Chandra
- 19 Evaluation of growth enhancing effect of saponin in Nile Tilapia, *Oreochromis niloticus* 125
M.A. Hossain, A.R. Tarafder, M.A. Kader and K. Becker
- 20 Effect of high and low cost brood feeds on the hatching and survival rate of freshwater prawn, *Macrobrachium 135*
rogersbergii larvae
M. Lokman Ali¹, M.M. Rashid, S.U. Ahmed¹, K.R. Hasan¹ and M.M. Alam
- 21 Production performance of *Macrobrachium rosenbergii* (De Man) in monoculture versus polyculture system 141
K.A. Huq, S. Monirul Islam Manir, M.M. Rahman and K.S. Ferdous

Agricultural Engineering

- 22 Suitability of groundwater for irrigation and arsenic for drinking purposes at Phulpur of Mymensingh in 151
Bangladesh
A.K.M. Adham, M.M.R. Khan, A.F.M. Enayet Karim and M. Mahafuza Akter
- 23 Developing a software tool for designing flexible power transmitting element - flat belt 159
M. Rostom Ali and M. Enamul Haque
- 24 Selection of economic machines for modern rice cultivation in Bangladesh 165
C.K. Saha, M.M. Alam, M.I.N. Khan¹ and M.S.I. Sheikh

Economics and Rural Sociology

- 25 Leasing System of Water Bodies (Haor) and Marketing of Open Water Fishes in Some Selected Areas of 175
Bangladesh
S. Bodiul Alam, S.A. Sabur, M. Sayeedul Haque
- 26 Market structure of poultry hatchery industry in Bangladesh 187
M. Delwar Hossain¹, M. Sayeedul Haque
