Journal of the Bangladesh Agricultural University

Guidelines for contributors

'Journal of the Bangladesh Agricultural University Research' is a bi-annual journal published in June and December by Bangladesh Agricultural University Research System (BAURES). Research papers, review articles and short communications in all fields of Agricultural Sciences are published in this journal.

Editorial Board: Editorial Board is comprised of nine members. The Director and the Associate Director of BAURES are the ex-officio Chief Editor and Executive Editor, respectively. Two members of the editorial board are from the faculty of Agriculture and one member from each of the other five faculties. The term of the Editorial Board is for two years.

Editorial policy: All manuscripts are critically reviewed by the competent reviewers. Papers needing revision are returned to the author and the authors are required to return the manuscripts after necessary correction within prescribed time.

Instruction for contributors: The manuscript should be an original one, not previously published or under consideration for publication in any form in any journal.

Language: The manuscript must be written in English.

Length of article: Research papers should not be of more than 4000 words, while review articles may cover up to 6000 words. Incase of short communications, the limit is 1500 words.

A research paper should contain the following elements:

Title: Title should be clear and concise reflecting the objective and content of paper. Title should be followed by name(s) and address(es) of the author(s) and a short running title.

Keywords: Should not exceed 5 words/ phrases.

Abstract: Should be a concise summary of the article not exceeding 200 words.

Text: Text of the article should be in following order: Title, Abstract, Keywords, Introduction, Material and Methods, Results and Discussion, Acknowledgement (if any) and References. Manuscript should be computer typed having double space with a font size of 12 on one side of A4 size white paper. Three copies of printed materials along with one copy in a diskette should be submitted. Main heading should be in bold face with left margin. The position of Tables and Figures in the text should be indicated clearly.

Tables and Figures: Tables and Figures should be placed on separate sheets. On the backside of Figures name of the first author and Figure number should be mentioned. Photographs should be black and white and of good quality.

References: References in the text should follow the author-date system, e.g., (author, date) for one author; (author and author, date) for two authors; (first author *et al.*, date) for more than two authors. The reference list should be given alphabetically in the following style:

Bhattacharya, K.R. 1985. Parboiling of rice. In B.O. Juliano, ed. *Rice chemistry and technology*, 2nd ed, p. 289-348. St Paul, MN, USA, Am. Assoc. Cereal Chem.

De Datta, S.K. 1981. *Principles and practices of rice production*. New York, J. Wiley and Sons. 618pp.

Deinum, B. 1966. Influence of some climatological factors on the chemical composition and feeding value of herbage. *Proceedings of the 10th International Grassland Congress*, Helsinki, 415-418.

Feng, H. and Tang, J. 1998. Microwave finish drying of diced apples in a spouted bed. *J. Food Sci.*, 63(4): 679-683.

Handling charge: For publication of each accepted full length paper and short communication the author(s) shall have to pay : **Full Paper** a) For Principal Investigators/ Investigators of BAURES Research Projects Tk. 500/- per research article, b) For others Tk. 1000/- per research article. **Short communication** a) For Principal Investigators/Investigators of BAURES Research Projects Tk. 300/- per research article, b) For others Tk. 500/- per research article. In addition Contributors shall have to pay an amount of Tk. 300/- during submission of the paper for the purpose of reviewing the same. Editorial board, if necessary, may charge extra cost for including photographs.

Proof and Reprint: Proofs will not be sent to the author(s). Author(s) are requested to take proper care during correcting the manuscripts on the basis of the comments of reviewer. The contributors will be given 10 copies of reprints free of cost.

Contents

Crop Science

| | | |
|----|---|----|
| 1 | Studies on physico-chemical characteristics of jackfruit- M.A. Haque | 1 |
| 2 | Studies on floral biology of jackfruit- M.A. Haque and S. Majumder | 9 |
| 3 | Variability, correlation and path coefficient analysis of cowpea- Z. Naher, M.G. Rabbani, M.O. Rahman and E.J. Garvey | 17 |
| 4 | Effects of sowing-date on seed yield and yield attributes of soybean- M.M. Rahman and M.A. Islam | 23 |
| 5 | Effect of sulphur and molybdenum on nodulation, protein and nutrient content of soybean cv. <i>Shohag</i> - B.R. Biswas, A. Begum, Shaila Sharmin and A.K. Chowdhury | 33 |
| 6 | Seed germination and seedling growth of brinjal, tomato and chilli treated with GA ₃ and GABA- M. Obaidul Islam, M. Serazul Islam and A.K.M. Azad-Ud-Doula Prodhan | 43 |
| 7 | Effects of rice straw, Sesbania and sulphur on the growth and yield of rice and soil health- S.A. Haque and M.J.U. Khan | 51 |
| 8 | Reduction of urea fertilizer using poultry manure and raintree leaf litter in rice production- M.H. Rahman, M.A. Hashem and M.A. Haque | 57 |
| 9 | Characterization of some mango germplasm using peroxidase isoenzyme- M.S. Biswas, M.G. Rabbani, E.H.M.S. Rahaman and E.J. Garvey | 61 |
| 10 | Effects of different organic wastes on growth and nutrient content of maize- S. Tamanna and M.A.H. Chowdhury | 69 |
| 11 | Decomposition of some tree leaf litters in Chittagong evergreen forest soils under laboratory conditions- A.H.M. Iltuthmish and M.A.H. Chowdhury | 77 |

Livestock

| | | |
|----|---|-----|
| 12 | Supplementing Metafos and Biomix-DB as growth promoters on the performance of bull calves- M. Khan, M.M. Hossain and M.A.A. Khan | 83 |
| 13 | Performance of crossbred pullet at different feed supplementation under rural condition- M.A. Rashid, M.J. Hossen, M.S. Islam and M.A.R. Howlader | 91 |
| 14 | Effect of concentrate supplementation on reproductive performance of rabbit does and litter performance during pre-weaning period under rural conditions- M.P. Mostari, M.S. Hasanat, A. Reza and M.J. Khan | 97 |
| 15 | Isolation of <i>Pasteurella haemolytica</i> from goat pneumatic lungs and its pathological study- K.J. Alam, A.K.M.M. Anower, and M.M. Hossain | 103 |
| 16 | Study on the quality of dahi prepared from Buffalo milk with the addition of different levels of soya milk- M.N. Sultana, A. Wadud, M.N. Islam and M.J. Uddin | 111 |
| 17 | Production performance of BLRI developed crossbred layer genotypes under on-farm condition- N. Nahar, M.N. Islam, N.R. Sarker and M.S. Uddin | 117 |

Agricultural Engineering

| | | |
|----|---|-----|
| 18 | Change the air temperature changes at three agro-ecological zones of Bangladesh- A.K.M.R. Islam, M.H. Ali and M.G.M. Amin | 121 |
| 19 | Grouping of ants in solving large traveling salesman problems- M.R. Hassan, M.K. Hasan and M.M.A. Hashem | 131 |
| 20 | An investigation on strength and economy of cement-plastered bamboo-mat as fence of rural houses- M.Z. Abedin, M.Z. Rahman and M.S. Jalal | 139 |
| 21 | Processing of value added food products from selected low-cost indigenous fruits of Bangladesh- M.B. Uddin and M.R.M. Chowdhury | 151 |

Economics and Rural Sociology

| | | |
|----|--|-----|
| 22 | Upliftment of rural women through small entrepreneurship development in some selected areas of Mymensingh district- M.S. Kabir, R.N. Ali, M.W. Rahman, M.S. Palash | 157 |
| 23 | Effectiveness of RAKUB crop credit in selected areas of Rangpur district- M.R.U. Mian and M.A. Kasem | 165 |
| 24 | Marketing system of pond fish in selected areas of Mymensingh- M.R. Islam, M.A. Fearless, M.R. Hasan | 173 |
| 25 | Marine fish marketing system and women participation in selected fish catching areas of Bangladesh- H. Biswas, R.H. Sarwer and M. Rahman | 183 |
