National Food Review Index

This index covers the last 5 years—from NFR-26 (1984) to NFR Vol. 12, No. 1 (January-March 1989). The articles in issues NFR-26 to NFR-38 (Fall 1987) are referenced using the issue number and page. For example, 26/11 means NFR-26, page 11. Beginning in 1988, the *National Food Review* is issued in volumes. Those articles will be cited by quarter (January-March, April-June, July-September, and October-December) and page. For example, J-M88/5 means the January-March issue of 1988, page 5, and J-S88/18, the July-September issue, page 18.

Copies of articles are available by writing to the *National Food Review*, 1301 New York Ave. NW, Room 1134, Washington, DC, 20005-4788. Starting with 1989, single issues can be purchased (\$5.50 per copy), while supplies last, by calling 1-800-999-6779.
