Ретракција рада: „Analysis of global integration processes: South Africa, Asia-Pacific region and Russia“ (2015, Vol. 61, бр. 1, стр. 55-71).

*Поштовани читаоци,*

Обавештавамо Вас да је рад “ Analysis of global integration processes: South Africa, Asia-Pacific region and Russia” Наталије Кузнетсове и Наталије Александровне Воробјеве, објављен у часопису Економика (број 1, волумен 61, 2015, стр. 55-71) повучен. Стога, овај рад више није у бази часописа Економика. Рад представља ауто плагијат. Наиме, 20 процената рада је претходно објављен 2014. године у часопису Life Science Journal, под називом “Changes and points of attraction for migration flows in the XXI century” (11 (8C), стр. 380-384). Раније објављени рад није уопште наведен у библиографији рада који је 2015. године објављен у часопису Економика. То је искључиви пропуст ауторки. Овај пропуст је у супротности са издавачким стандардима, па се Редакција часописа Економика одлучила за опозив рада.

Retraction of paper: „Analysis of global integration processes: South Africa, Asia-Pacific region and Russia“ (2015, вол. 61, бр. 1, стр. 55-71).

*Dear Readers,*

We are informing you that the paper titled “Analysis of global integration processes: in South Africa, the Asia-Pacific region and Russia” by Natalia Kuznetsova and Natalia Alexandrovna Vorobjova, published in the journal *Ekonomika - Journal of Economic Theory and Practice and Social Issues* (number 1, volume 61, 2015, pp. 55-71) is withdrawn. Therefore, this paper is no longer in the database of the journal *Ekonomika*. This paper presents an auto plagiarism. In fact, 20 percent of the work was previously published in 2014 in the journal *Life Science Journal*, under the title “Changes and points of attraction for migration flows in the XXI century” (11 (8S), pp. 380-384). Previously published paper was not even listed in the bibliography of the paper published in 2015 in the journal *Ekonomika*. It is the exclusive omission of the authors. This omission is inconsistent with publishing standards, and the Editorial Board of the journal *Ekonomika* decided to recall the work.
