**FIRST BIENNIAL CONFERENCE OF
THE INDIAN SOCIETY FOR ECOLOGICAL ECONOMICS
(Indian Chapter of International Society for Ecological Economics)
on "Ecological Economics for Sustainable Development"**

December 1999

The first biennial conference of the Indian Society for Ecological Economics will be held in December 1999. The conference theme is, "Ecological Economics for Sustainable Development". It is planned as a two and a half day event with plenary sessions, concurrent sessions and panel discussions on selected topics.

Papers are invited on the following sub-themes:

- Accounting for sustainability: concepts and experiences.
- Strategy for green growth in developing economies.
- Water resources, technology and sustainable development.
- Economic recycling and waste management: ecological and economic implication for the sustainable use.
- Infrastructure and Energy.
- Bio-diversity, Water and Air.
- Institutions and environmental governance.
- Resource Valuation, Management and Policy.
- Methodology as central in problems of the environment: cost-benefit, multi-criteria, other paradigms.
- Inter species study for human development: legal aspects, ethics and equality.
- Trade and environment.

Papers focusing on inter-disciplinary aspects and highlighting the inter-linkages between economic and ecological/environmental dimensions of the sub-themes shall be given preference. They may deal with theoretical aspects and/or present results of case-studies using statistical or scientific tools of analysis. Papers highlighting developing country problems shall be given preference.

Abstracts of papers of about 500-800 words may be sent so as to reach the following latest by May 31, 1999.

Ms. Preeti Sethi,
Indian Society for Ecological Economics,
R.No. 206, Institute of Economic Growth,
University Enclave, Delhi-110 007.

Authors of papers selected by the Programmes Committee for presentation shall be informed by July 15, 1999 and full papers are to be submitted by September 30, 1999. Venue of the conference shall be announced at a later date. Limited support for travel shall be available.

Australian Journal of Agricultural and Resource Economics

Edited by Geoffrey Edwards

Australian Journal of Agricultural and Resource Economics provides a forum for innovative and scholarly work in agricultural and resource economics. First published in 1997, *AJARE* succeeds the *Australian Journal of Agricultural Economics* and the *Review of Marketing and Agricultural Economics*. Combining refereed articles with policy reviews and surveys of key analytical issues in agricultural and resource economics, *AJARE* appeals to a broad spectrum of academic and professional economists and policy makers.

Recent and forthcoming highlights:

Economic Performance, Cost Economies and Pricing Behaviour in the US and Australian Meat Products Industries, *Catherine J. Morrison*

The Nature of the Research-Induced Supply Shift, *Michael K. Wohlgenant*

Agricultural Policy Reform in the United States: An Unfinished Agenda, *Kimberly Stuart and C. Ford Runge*

World Food Markets into the 21st Century: Commodity Risk Management Policies, *Ron Duncan*

Crop Genetic Resource Policy: The Role of Ex-situ Genebanks, *Brian D. Wright*

Risk Premia in Australian Interest Rates, *Justin Douglas and Scott Bartley*

Australian Journal of Agricultural and Resource Economics ISSN 1364-985X

Published in March, June, September and December

Subscription Rates, Vol. 43/1999: Australia/NZ A\$187, N. America \$153, Rest of World £93.

I, G.R. Shetty, hereby declare that the particulars given above are true to the best of my knowledge and belief.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects : The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8 $\frac{1}{2}$ by 11 inches) including tables and appendices (with margins on all sides of at least 1 $\frac{1}{2}$ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 25/- either by M.O. or Demand Draft (US \$ 10.00 or £ 5.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is editorial policy not to consider for publication more than one paper from the same author during a year.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.

Printer: Shri G.R. Shetty; Type-setting on Postscript laser printer at the Indian Society of Agricultural Economics, Mumbai-400 001; Place of printing: Mudra, 383 Narayan Peth, Pune-411 030; *Publisher:* Shri G.R. Shetty; Place of Publication and Owners: Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Mumbai-400 001.
