The World Food Prize

The World Food Prize Foundation requests nominations for the year 2000 World Food Prize, which recognizes outstanding individual achievement in improving the quality, quantity, or availability of food in the world. The Prize emphasizes the importance of a nutritious and sustainable food supply for all people and recognizes that improving the world's food supply for the long term depends on nurturing the quality of land, water, forests, and other natural resources.

Nominees should be individuals who have worked successfully toward this goal in any field involved in the world food supply, including food and agricultural science and technology, manufacturing, marketing, nutrition, economics, political leadership, social sciences, and other related fields that have brought food to tables of a significant number of people across the world.

The laureate will receive \$ 250,000 and a sculpture created by world-renowned designer Saul Bass. The award is based solely on individual achievement with no consideration of nationality, ethnicity, political persuasion, religion, sex, or age.

For a brochure detailing nomination procedures, contact The World Food Prize, Office of the Secretariat, David Acker, College of Agriculture, Iowa State University, Ames, IA 50011-1050; tel. (515) 294-2883; fax (515) 294-9477; e-mail: bjelland@iastate.edu; or <http://www.wfpf.org>.

The deadline for submission of nominations for the year 2000 World Food Prize is December 31, 1999.

JOURNAL OF FINANCIAL MANAGEMENT AND ANALYSIS (JFMA)
INTERNATIONAL REVIEW OF FINANCE

AIM : The JFMA -- a refereed journal -- offers techniques and new concepts backed up by case studies and new methodologies and provides a bridge between financial management theory and practice. The Journal is an indispensable decision kit for finance practitioners, policy makers and scholarly community from developed and developing countries and for those directly concerned with today's critical issues in financial management, and offers a unique opportunity to contribute your own expertise to develop the financial management science.

JFMA focuses on financial management issues confronting MNC-controlled and MNC-dependent developed and developing countries, by providing a forum facilitating the development of the science of financial management.

RECENT ISSUES : Each issue contains unique financial management issues like :

- World Bank Financing Methods Need Overhauling
- Punctured Investment Tyre Widens Liquidity Gap
- Banking Development : A Panacea for Stock Market Crash
- Overcapitalisation (Locked-Up Capital) Breeds Inflation
- India's 'Self-Reliance' Strategy Induces Venture Capital
- Punctured Investment Cycle Tyre Leads to Bank Mergers
- 'Priority Sector' Financing in India Needs Overhauling
- Good 'Political Risk' Induces Foreign Investment
- Non-Plan Expenditure Exerts Inflationary Pressures
- Good Business Ethics Germinates Sound Financial Management
- Do MNCs Follow Dharmic (Righteous) Management Codes?
- Does Open Door Policy-Induced Foreign Investment Mount External Debt?
- Does Net Present Value-Based Investment Derail 'Organic' Development Track?
- Do MNCs Engage in Arbitrage Using Gambler's Earnings Hypothesis?
- Does Abnormal Profit-Oriented Wage Differential Lead to Productivity Loss?
- Are G-7 Countries Expatriates in G-15 Countries?
- Does It Take Money to Make Money in Speculative Transactions?
- Depreciated Money Value Chases Abnormal Profit Earnings Through MNCs.

MANUSCRIPTS FOR SUBMISSION : Typed articles, in triplicate (including summary of the paper in 300 words), are invited on any aspect bearing on financial management from scholars and practising financial managers, planners, analysts, consultants and other professionals for consideration for publication in JFMA.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects : The objective of the *Journal* is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/ theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in an analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the *Journal*. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper : In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½-by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the paper.

3. Copies : Two copies of each paper should be submitted along with a processing fee of Rs. 25/- either by M.O. or Demand Draft (US \$ 10.00 or £ 5.50) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification : To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliation(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations : Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables : Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes : Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations : Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this *Journal*.

9. General : While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is editorial policy not to consider for publication more than one paper from the same author during a year.

10. Reprints : Ten free reprints of the paper would be given to the author; additional reprints, if required, are supplied at cost which may be ascertained from the Editor.
