## **EDITORIAL POLICY**

The purpose of the JOURNAL is to provide a forum for creative and scholarly work in Agricultural Economics and related areas. Contributions on methodology and applications in business, extension, research and teaching phases of Agricultural Economics are encouraged. Preference will be given to articles addressing problems and issues of concern in the southern region of the United States. Only articles recommended by the Editorial Council are accepted for publication.

The Editorial Council encourages constructive criticism of JOURNAL articles and will publish accepted comments and replies.
