JOURNAL OF INDIAN SCHOOL OF POLITICAL ECONOMY

Editor: **V.S. Chitre**

JOURNAL OF INDIAN SCHOOL OF POLITICAL ECONOMY is devoted to a study of the Indian Economy, Polity and Society. Emphasis is primarily on reviewing developments since Independence with roots in the British administration where relevant. However, papers with a similar focus but not necessarily reviewing developments since Independence will also be considered. When a review is based on statistical data, full statistical base data are presented as far as possible.

About the Series

The information available on the economic aspects of various agricultural commodities is quite meagre and also very widely scattered. It is difficult at present to pick up a specific publication which supplies relevant information comprehensively for the students, agricultural economists, administrators, policy planners as well as all those involved in production, raising resources, and trade and industry concerned with the agricultural products.

The series Economics of Agricultural Commodities aims to fill this gap and provide complete, well researched and comprehensively compiled information. The study covers different topics in 10 volumes as follows:

- Spices and Medicinal Plants
- Fruits and Nuts (Vols 1 and 2)
- Plantation Crops: Tea, Coffee, Rubber and Cocoa
- Sugar
- Tobacco and Other Small Crops
- Vegetables
- Fibre Crops
- Oilseeds
- Cereals
- Pulses

**Dr. S.R. Sen Prize Award for the Best Book
on Agricultural Economics and Rural
Development Published in 2011-2012**

The Indian Society of Agricultural Economics has instituted in 1996, under Dr. S.R. Sen Endowment Fund Prize Award Scheme, a biennial prize award of Rs.15,000/- for the best book/monograph on Agricultural Economics and Rural Development published by Indian authors under 45 years of age as on the date of publication of the book(s). Books that have made significant original contribution to theoretical and empirical studies in the field of agricultural economics and rural development are considered for the award. Edited books by authors are not considered for the Prize Award. The selection of the best book for prize award is done by a Screening Committee and the Jury constituted for the purpose.

Books published by Indian authors during the calendar year 2011-2012 are being considered for the **Ninth Biennial Prize Award**.

**PROFESSOR RAMESH CHANDRA AGRAWAL PRIZE
ENDOWMENT AWARD**

The Indian Society of Agricultural Economics has instituted Professor Ramesh Chandra Agrawal Award of Excellence for contribution to Agricultural Economics in 2004. The award, to be given biennially, is given to an Indian scholar who has made significant outstanding contributions to theoretical or empirical studies in the field of Agricultural Economics.

The award will consist of a citation and a cash prize of Rs. 25,000.

A four member jury of eminent scholars will select the awardee. The name of the fifth awardee will be announced and the presentation will take place at the 76th Annual Conference of the Indian Society of Agricultural Economics to be held in December 2016.

The Indian Society of Agricultural Economics will administer the award.

GUIDELINES FOR SUBMISSION OF PAPERS BY AUTHORS

1. Subjects: The objective of the Journal is to provide a forum for dissemination and exchange of findings of research on agricultural economics. Purely descriptive material is not appropriate for such a journal. Papers dealing with (i) new developments in research and methods of analysis, or (ii) which apply existing empirical research methods and techniques to new problems or situations, or (iii) which attempt to test new hypotheses/theoretical formulations or modifications of existing theories or policies to explain economic phenomena especially in the Indian context, or (iv) papers based on research done by the authors bringing out new facts or data presented in any analytical frame will be preferred. Younger economists are advised to seek guidance from their seniors in the preparation of the paper for the Journal. A one-page statement indicating the author's own assessment of the importance and relevance of the findings reported in his paper in the context of recent researches would be welcome.

2. Size of Paper: In view of the exorbitant increase in the cost of printing, it has become necessary to restrict the length of the papers accepted for publication to 20 (double space) typed pages (of the size 8½ -by-11 inches) including tables and appendices (with margins on all sides of at least 1½ inches). Papers exceeding this size limit will be returned to the authors. The authors may however send along with their papers such "supporting material" as may be of help to the referees in evaluating them. Abstracts not exceeding 100 words should be submitted in duplicate along with the papers. The authors may send their papers in electronic form at the following email address: isae@bom7.vsnl.net.in

3. Copies: Two copies of each paper should be submitted along with a processing fee of Rs. 500/- either by M.O. or Demand Draft (US \$ 25.00 or £ 15.00) drawn in the name of the Indian Society of Agricultural Economics, to meet partly the postage and other incidental charges.

4. Author's identification: To protect the anonymity of authors while referring the Papers for expert opinion on their merits, authors are advised to avoid disclosing their identity in the text and to attach a separate page showing the name(s) and affiliations(s) of the author(s) along with any footnotes containing bibliographical information or acknowledgements.

5. Mathematical notations: Only essential mathematical notations may be used; it is prohibitively costly to typeset such notations. All statistical formulae should be neatly typed.

6. Figures-Charts and Tables: Professional assistance should be availed of while presenting figures and charts. They should be drawn in black ink which can be easily reproduced by photographic process. Typescript is not suitable for reproduction. Roman numerals may be used for tables.

7. Footnotes: Footnotes should be numbered consecutively in plain arabic superscripts.

8. References and citations: Only cited works should be included in the reference list. Please follow the style of citations as in previous issues of this Journal.

9. General: While sending papers the authors should state that the material has not been published elsewhere or is not being published or being considered for publication elsewhere. It is editorial policy not to consider for publication more than one paper from the same author during a year.

Papers which are not found suitable for publication will not be returned unless accompanied by a self-addressed and stamped envelope. No correspondence will be entertained on the papers rejected by the Editorial Board.

10. Reprints: No free reprints of the paper would be given to the author. However an author can obtain a soft copy of the paper in PDF format at Rs.500/- per article.

Printer: Mrs. Vijaya Venkatesh; Type-setting on Postscript laser printer at the Indian Society of Agricultural Economics, Mumbai- 400 001; Place of printing: Mudra, 383 Narayan Peth, Pune-411 030; Publisher: Mrs. Vijaya Venkatesh; Place of Publication and Owners: Registered Office: Indian Society of Agricultural Economics, 46-48, Esplanade Mansions, Mahatma Gandhi Road, Fort, Mumbai-400 001, Present address: to which papers need to be sent: Indian Society of Agricultural Economics, C-104, First Floor, Sadguru Complex I, Near Vagheshwari, Gen.
