President's Message

Welcome to CTRF's 29th Annual Conference

These Proceedings include the papers presented to CTRF's 29th Annual Conference in Victoria, British Columbia, May 15 to May 18, 1994. In keeping with CTRF's goal of value added benefits to our members, the best papers from our student paper competition are also included. A summary of the plenary and panel discussions will be made available at a later date.

This year's conference organizers, Jonathan Seymour and George Clark have lived up to the conference theme of "Going the Distance". They have left no stone unturned in developing an exciting and valuable conference. On behalf of the CTRF membership I would like to thank Jonathan and George as well as the many other enthusiastic and willing participants that are necessary to make an undertaking of this nature a success.

Message du Président

Bienvenue à la 29ième Conférence annuelle

Ce livre renferme une copie de tous les textes présentés à la 29ième Conférence annuelle du GRTC tenue à Victoria en Colombie-britannique du 15 au 18 mai 1994.
